deceptively breezy shores of Key West Van Aken faced hurricanes economic downturns and mercurial moneymen during the decades when a restaurant could open and close faster than you can type haute cuisine From a graveyard shift grunt at an all night barbeque joint to a James Beard award finalist for best restaurant in America Van Aken put his trusting heart poetic soul natural talent and ever expanding experience into every venture and helped transform the American culinary landscape along the way In the irreverent tradition of Anthony Bourdain s Kitchen Confidential and populated by a rogues gallery of colorful characters including movie stars legendary musicians and culinary giants Julia Child Emeril Lagasse and Charlie Trotter No Experience Necessary offers a uniquely personal highly entertaining under the tablecloth view of the high stakes world of American cuisine told with wit insight and great affection by a natural storyteller
