Iranian Romance in the

Digital Age Janet Afary, Jesilyn Faust, 2021-01-28 Following the 1979 Islamic Revolution there was a dramatic reversal of women's rights and the state revived many premodern social conventions through modern means and institutions. Customs such as the enforced veiling of women, easy divorce for men, child marriage and polygamy were robustly reintroduced and those who did not conform to societal strictures were severely punished. At the same time, new social and economic programs benefited the urban and rural poor, especially women, which had a direct impact on gender relations and the institution of marriage. Edited by Janet Afary and Jesilyn Faust, this interdisciplinary volume responds to the growing interest and need for literature on gender, marriage and family relations in the Islamic context. The book examines how the institution of marriage transformed in Iran, paying close attention to the country's culture and politics. Part One examines changes in urban marriages to new forms of cohabitation. In Part Two, contributors such as Soraya Tremayne explore the way technology and social media has impacted and altered the institution of family. Part Three turns its eye to look at marital changes in the rural and tribal sectors of society through the works of anthropologists including Erika Friedl and Mary Hegland. Based on the work of both new and established scholars, the book provides an up-to-date study of an important and intensely politicized subject.

The Eastern Church in the Spiritual Marketplace Amy Slagle, 2011-09-01 Like many Americans, the Eastern Orthodox converts in this study are participants in what scholars today refer to as the spiritual marketplace or quest culture of expanding religious diversity and individual choice making that marks the post-World War II American religious landscape. In this highly readable ethnographic study, Slagle explores the ways in which converts, clerics and lifelong church members use marketplace metaphors in describing and enacting their religious lives. Slagle conducted participant observation and formal semi-structured interviews in Orthodox churches in Pittsburgh, Pennsylvania and Jackson, Mississippi. Known among Orthodox Christians as the Holy Land of North American Orthodoxy, Pittsburgh offers an important context for exploring the interplay of Orthodox Christianity with the mainstreams of American religious life. Slagle's second round of research in Jackson sheds light on the American Bible Belt where, over the past thirty years, the Orthodox Church in America has marshaled significant resources to build mission parishes. Relatively few ethnographic studies have examined Eastern Orthodox Christianity in the United States, and Slagle's book fills a significant gap. This lucidly written book is an ideal selection for courses in the sociology and anthropology of religion, contemporary Christianity and religious change. Scholars of Orthodox Christianity as well as clerical and lay people interested in Eastern Orthodoxy will find this book to be of great appeal.

for God's blessing on their family. In either case the celebration is an authentic manifestation of a Divine presence in their new family. In addition to the ceremony this text includes an overview of the current literature regarding Catholic Jewish families, a review of Hebrew Rites of Initiation as well as a short course on Catholic sacramentality and Baptism, commonly asked questions and answers facing Catholic Jewish couples, a lively conversation between a Rabbi and a Priest regarding rites of initiation, a resource section of books and websites, and a closing chapter on topics of family faith formation.

A Time to Every Purpose Jonathan D. Sarna, 2009-02-23. At the turn of the twenty-first century the central question confronting Jewish leaders in America is simple: Why be Jewish? Jonathan D. Sarna, acclaimed scholar of American Judaism, believes that "Why be Jewish" is the wrong question. Judaism, he believes, is not so much a why as a way, a way of life, a way of marking time, a way of relating to the environment, to human beings, to family, and to God. Judaism is experienced through doing, doing things Jewish, doing things for fellow Jews, in need, doing things as a Jew to improve the state of the world. The more Judaism one does, the more one comes to appreciate what Judaism is. Using the Jewish calendar as his starting point, Sarna reflects on the major themes of Jewish life as expressed in a full year of holidays, from Passover in the spring to Purim eleven months later. Passover, for instance, yields a discussion of freedom; Shavuot, a discussion of Torah; Yom Kippur, the role of the individual within the Jewish community; Chanukah, issues of assimilation and anti-assimilation. An essential brief introduction or reintroduction to the major practices of Jewish life as well as the many complexities of the American Jewish experience, this book will be essential reading for American Jews and the perfect gift for the holiday season.

Community and Polity Daniel Judah Elazar, 1995. An update and revision of the original 1976 edition. This study presents a two-fold discussion: a basic survey of the structure and functions of the American Jewish community and a suggestion as to how that community should be understood as a body politic, a collective unit that is not a state but is no less real from a political perspective.
