Emmanuel Gobillot,2011-05-03 *Leadershift* is about adapting and changing traditional models of leadership in response to the influence of mass collaboration Mass collaboration is a form of collective action which occurs when large numbers of people work independently on a single project exemplified by websites such as YouTube Facebook and Second Life As the traditional models of working are radically altered those in leadership roles need to understand their place in this new hierarchy and how to respond Mass collaboration requires a form of leadership that is prepared to let go of the experience expertise and control it holds precious and be able to see mass participation as an opportunity to create value rather than a threat to its existence **Fit Matters** Moe Carrick,Cammie Dunaway,2017-08-09 How can individuals discover a job that

really matches their needs A job that provides meaning to their lives *Fit Matters* shows them how it s a practical guide for employees at any career stage to help them find the job they ll love Research shows that only 30 percent of Americans and an

even lower percentage of employees around the world strongly agree that they have a chance to bring their best selves to work. In addition, employees are increasingly seeking jobs that feed their spirits, their minds, and their hearts; they need more than just good pay and benefits. They realize that work fit is crucial if they're to perform at their best and help their organizations reach their goals. *Fit as it happens* matters. *Fit Matters* is both thought provoking and practical, with tools and exercises designed to help readers evaluate the fit between their needs and the culture of their current or prospective employer, assess and articulate what they really need to thrive at work, and develop options if they find themselves in a company or job where they are misfit. Readers will learn that self-knowledge combined with an understanding of six elements of work fit will help them make career decisions that will lead to better job satisfaction and improved performance—a win-win for both employee and employer. They'll learn why work fit matters to them and their organizations. How to master the six essential elements of fit. How to assess themselves to better understand their work needs. How to recognize whether their fit is as good as it should be. How to evaluate their options, including flexing to fit or finding new work. *Fit Matters* is the perfect complement to some of the bestselling titles offering career advice; it's the only book to address the importance of fit between employees and organizations. No other book provides a systematic, practical framework for readers to assess and improve their happiness at work. Coupled with unique primary research, real-world examples drawn from firsthand interviews, and a number of useful tools and exercises, the book is a highly readable, accessible guide that employees and job seekers can use to find work settings they'll love and to thrive at work over the entire course of their careers.
