Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease      *Journal of Theological Studies* , 1912      **Story of My Life and Work** George Frederick Wright, 1916      *Fast Facts on Defending Your Faith* John Ankerberg, John Weldon, 2011-07-02 Always be ready to give a defense to everyone who asks you a reason for the hope that is in you 1 Peter 3:15 What do you do when someone asks How do I know that Jesus is the Son of God Does it matter if Jesus was resurrected from the dead What about all the other world religions don't they offer a way to God Does it matter what I believe as long as I'm sincere What proof is there that the Bible is divinely inspired If you find these questions hard to answer or if you have trouble sharing the reason for the hope that is in you here are the responses to some of the common questions skeptics ask about Christianity In a reader friendly style John Ankerberg John Weldon document the extensive evidences for the reliability of the Bible the divinity of Jesus the certainty of the resurrection the uniqueness of Christianity      [Ready With An Answer](#) John Ankerberg, John Weldon, 2011-08-31 Know What You Believe Why You Believe It the resurrection why lawyers the reliability of the Bible how it is proven by the science of archaeology the miracle of origins why both creation reincarnation why biblical prophecy proves who the true God is atheists why the biblical evidence strongly argues for an inerrant Bible Find answers to the toughest questions from creation to salvation discover the uniqueness of Christianity man's universal need for the one true God      **Bible Student and Religious Outlook** , 1913      **CSB Apologetics Study Bible for Students, Blue Hardcover** Sean McDowell, CSB Bibles by Holman, 2017-07 Now updated with even more material the CSB Apologetics Study

Sean McDowell, Holman Bible Publishers, 2010-02-01. Like the acclaimed Apologetics Study Bible that has sold 115,000 copies, the Apologetics Study Bible for Students will anchor younger Christians in the truths of Scripture by equipping them with thoughtful and practical responses for whenever the core issues of their faith and life are challenged. Multiple research studies have shown that spiritual focus often weakens among teenagers as they head into the attention-dividing realm of young adulthood. Up to 66% of them leave church altogether. The Apologetics Study Bible for Students works against that trend by helping this audience begin to better articulate its beliefs. In addition to the complete HCSB text and dozens of articles collected from today's most popular youth leaders, including general editor Sean McDowell, this new study Bible also includes Two color design, intensive layout on every page for the visual generation, Sixty Twisted Scriptures explanations, Fifty Bones Dirt entries, archaeology meets apologetics, Fifty Notable Quotes, Twenty five Tactics against common anti-Christian arguments, Twenty Personal Stories of how God has worked in real lives, Twenty Top Five lists to help remember key apologetics topics.
