Ernest J. Murat, Jeanne Murat, 2017-05-16 As Christians what do we know about marriage We know that marriage is God's appointed loving union between a man and a woman and that this divine union is something God ordained for his children since the very beginning But marriage is certainly about more We should know that marriage takes a lot of sacrifice and compromise marriage can be hard work And marriage is also about faith hope trust love and patience In *Quitting on Your Marriage Is Not an Option* authors Ernest and Jeanne Murat share personal testimonies that speak to their twenty five year journey as husband and wife a journey that can inspire and help newlyweds married couples and even those just thinking about marriage With hope and inspiration from the Holy Spirit Ernest and Jeanne explain just what it takes to have a successful loving marriage that honors God and helps each spouse be the very best partner he or she can be Making marriage work is a learning process and it takes patience and willingness but making Jesus the center of your relationship will help you and your spouse enjoy your marriage the most He is alive and can revive or renew your marriage life you need only to have faith and believe and then be willing to know that nothing is impossible for those who believe in a true God With his guidance and with faith you will feel like you want to fall in love with your spouse all over again Neighbourly Nat

Cuddington, 2022-05-24 Isla doesn't want a boyfriend She's almost 30 and her last breakup took a lot out of her She'll just keep working at a fancy pizza restaurant with her friend Claire and selling clay sculptures on Etsy But there's a big romance movie being filmed in her town and Logan Jackson star of the popular TV show *Neighbourly* is in it And Isla gets a job bringing pizza to the set Claire listens in fascination as Isla tells her about her experience dealing with Logan Jackson but Isla's mortified She can't seem to form proper sentences around him or even keep food in her mouth while in his presence What's even worse is they keep running into each other outside of the movie set and Isla suddenly forgets how to act like a

human being every time Logan doesn't notice anything strange though and they start to form a friendship. A friendship that everyone in town sees as something more. When Logan asks Isla to keep up the charade for the media, she agrees to play along on the grounds that they don't kiss or touch each other's butts. Because like Isla said, she doesn't want a boyfriend. Not even if it's Logan Jackson. Of course she doesn't. Donna Has Left the Building Susan Jane Gilman, 2019-06-04 From the beloved New York Times bestselling author of *Hypocrite in a Pouffy White Dress* comes a hilarious, timely and big-hearted novel about rebuilding life in the face of disaster. Forty-five year old Donna Koczynski is an ex-punk rocker, a recovering alcoholic and the mother of two teenagers whose suburban existence detonates when she comes home early from a sales conference in Las Vegas to the surprise of a lifetime. As her world implodes, she sets off on an epic road trip to reclaim everything she believes she's sacrificed since her wild youth. Great friendship, passionate love and her art. But as she careens across the U.S. from Detroit to New York to Memphis to Nashville, nothing turns out as she imagines. Ultimately, she finds herself resurrected on the other side of the globe on a remote island embroiled in a crisis far bigger than her own. Irresistibly funny, whip-smart and surprisingly moving, *Donna Has Left the Building* spins an unforgettable tale about what it means to be brave and to truly love in a tumultuous world. **The Baboon's Left Testicle (Part One of Two)** Andrew Baker, Gary McArthur, 2008-12-31 What is there against a Baboon's Left Testicle? And before you all scream, 'The right one, of course!' I feel duty-bound to inform you that in this case, you would be mistaken. For our baboon has suffered a most intimate and injurious injustice: his right testicle has been wrenched from its furry pouch by a person or persons unknown in order to fulfil a long-held prophesy and set afoot plans for world domination. And herein lies the confusion in our tale: does the offending scrotal raider have the right one for the job, or is it the wrong one, being the right one? Set alongside this unlikely group of misfits, including some completely oblivious newlyweds, a 200-year-old dead gay unidextrous pie-maker and his curious short-arsed lover by the name of Gerard, O'Nad, a murderous army of Welsh zombies and an all-stitching, all-dancing counter-army of equally murderous Pearly Kings and Queens, and you have an almighty pile of baboon excrement but an equally almighty bloody good read. An Account of the Manners and Customs of the Modern Egyptians Edward William Lane, 1890

Who's the Boss? Erin McCarthy, 2021-01-22 When your enemy becomes your boss, tensions are bound to boil over. Arrogant, charming and sexy as hell, Master chef Sean Kincaid is legendary both in the kitchen and in the bedroom. So of course it only took five minutes for him to get me overheated. My temper, that is. Because Sean Kincaid is my new boss. Who has strolled into my kitchen demanding I follow his rules. I don't like taking orders from anyone, but certainly not from a grumpy man who knows how to push all of my buttons. And when a Best Chef competition pits the two of us against a mutual enemy, it's either going to be a sizzler or a recipe for disaster. The Practice of Christian Perfection. Written in Spanish ...
