very special connection This book is about the adventures of Mickey and a big black dog Quill & Quire, 1999 **Colors of the Soul** Jami Waters, This metamorphic autobiographical collection entails the haunting and raw interpretations of the author and her life The tale of darkness breaking free from the chains that life wrapped her in from a very young age Always connected with nature the author chose to focus her descriptions and artistic impressions on aspects of complexities of the earth and cosmos All works in this book reflect a time in the authors life and speak to the intricate nature of the human soul We come in many colors and reflect and refract the world around us This journey is one of transformation and of coming out of the darkness into the light It is one of inspiration for those lost and afraid to step out and find peace in the world around them despite chaotic and sometimes tragic circumstances It does not follow traditional formatting because life is not formatted It is not scripted and is often complete pandemonium The text is organized into 4 sections reflecting different aspects of a person s inner growth and journey The black is what the author was born into it was all she knew for much of her life The abyss was a time of great sorrow and rage that was pivotal to the transformation into the person the author has become through much life experience tragedy and joy Black and white describes the nexus of change the beginnings of what was possible and the struggle between staying in what is known and breaking out of the comfort of chaos as some of us know all too well Change can be terrifying if we don t have any idea what is on the other side Illumination was the point of freedom the existential release from the darkness that plagues us all and our ability to overcome it All of these are almost lyrical in nature because they music in our hearts is what drives us to move forward and be the person we were destined to be Breaking into that world is painful and disillusioning We have to be brave enough to try **Smooth Sailing** Kristen Ashley, 2025-02-04 When the Chaos Motorcycle Club came to call Harlan Hugger McCain wasn t ready to be welcomed into the fold They said he was a legacy He felt like an outcast But he patched in anyway And he was all in to be a part of their not quite outlaw missions This takes him down to Phoenix right into the orbit of Diana Armitage a beautiful green eyed woman with a heart of gold and a scarily honed tendency to sacrifice for pretty much everyone she cares about and some people she barely knows Hugger has been existing Life has never given him much now he expects even less Diana lives life to its fullest And she doesn t keep it a secret she wants to drag Hugger right along with her But Hugger is certain he s got bad blood He s got one foot in Chaos one foot out One foot in Diana s life one foot out Diana and his brothers in Chaos have their work cut out to show Hugger who he is That he belongs And he s worthy to be loved **Perfection** Julie Metz, 2025-05-01 Julie Metz s life changes forever on one ordinary January afternoon when her husband Henry collapses on the kitchen floor and dies in her arms Suddenly this mother of a six year old is the young widow in a bucolic small town And this is only the beginning Seven months after Henry s death just when Julie thinks she is emerging from the worst of it comes the rest of it She discovers that what had appeared to be the reality of her marriage was but a half truth Henry had hidden another life from her He loved you so much That s what everyone keeps telling her It s true that he loved Julie and their six year old daughter

ebulliently and devotedly but as she starts to pick up the pieces and rebuild her life without Henry in it she learns that Henry had been unfaithful throughout their twelve years of marriage The most damaging affair was ongoing a tumultuous relationship that ended only with Henry s death For Julie the only thing to do was to get at the real truth to strip away the veneer of perfection that was her life and confront each of the women beneath the veneer Perfection is the story of Julie Metz s journey through chaos and transformation as she creates a different life for herself and her young daughter It is the story of coming to terms with painful truths of rebuilding both a life and an identity after betrayal and widowhood It is a story of rebirth and happiness if not perfection **The Land of Stories: The Ultimate Book Hugger's Guide** Chris

Animaladies Lori Gruen, Fiona Probyn-Rapsey, 2018-11-29 Do depictions of crazy cat ladies obscure more sinister structural violence against animals hoarded in factory farms Highlighting the frequent pathologization of animal lovers and animal rights activists this book examines how the madness of our relationships with animals intersects with the madness of taking animals seriously The essays collected in this volume argue that animaladies are expressive of political and psychological discontent and the characterization of animal advocacy as mad or crazy distracts attention from broader social unease regarding human exploitation of animal life While allusions to madness are both subtle and overt they are also very often gendered thought to be overly sentimental with an added sense that emotions are being directed at the wrong species Animaladies are obstacles for the political uptake of interest in animal issues as the intersections between this volume and established feminist scholarship show the fear of being labeled unreasonable or mad still has political currency
