I Deliver Parcels in Beijing Hu Anyan, 2025-10-28 Hu Anyan's *I Deliver Parcels in Beijing* translated by Jack Hargreaves offers an unvarnished dispatch from the front lines of the gig economy written by a guy who's held nearly every low wage low reward job on the market delivery driver security guard convenience store clerk bicycle salesman The Cinderella bit of it is that now he can add a new title internationally best selling author Leah Greenblatt The New York Times Book Review A runaway bestseller in China sold in 17 countries this delightfully honest and humorous account gives a face and voice to the future of work as if Nomadland met Nickel and Dimed In 2023 *I Deliver Parcels in Beijing* became the literary sensation of the year in China Hu Anyan's story about short term jobs in various anonymous megacities hit a nerve with a generation of young people who feel at odds with an ever growing pressure to perform and succeed Hu started posting essays about his experiences online during COVID lockdowns His recollection of night shifts in a huge logistics center in the south of China went viral his nights were so hot that he could drink three liters of water without taking a toilet break his days were spent searching for affordable rooms with proper air conditioning and his few moments of leisure were consumed by calculations of the amount of alcohol needed to sleep but not feel drowsy a few hours later Hu Anyan tells us about brutal work where there is no real future in sight But Hu is armed with deadpan humor and a strong idea of self He moves on when he feels stuck from logistics in the south to parcel delivery in Beijing to other impossible jobs Along the way he turns to reading and writing for strength and companionship *I Deliver Parcels in Beijing* is an honest and startling first person portrait of Hu Anyan's struggle against the dehumanizing nature of our contemporary global work system and his discovery of the power of sharing a story
