G.S. Bro. Kudjo Adwo El

Order Of The Day:

The Order of the Day Éric Vuillard, 2018-09-25 Named a Best Book of the Year by NPR Boston Globe and Literary Hub Winner of the 2017 Goncourt Prize this behind the scenes account of the manipulation hubris and greed that together led to Nazi Germany's annexation of Austria brilliantly dismantles the myth of an effortless victory and offers a dire warning for our current political crisis February 20 1933 an unremarkable day during a harsh Berlin winter A meeting of twenty four German captains of industry and senior Nazi officials is being held in secret in the plush lounge of the Reichstag They are there to extract funds for the accession to power of the National Socialist Party and its Chancellor This opening scene sets a tone of consent that will lead to the worst possible repercussions March 12 1938 the annexation of Austria is on the agenda A grotesque day intended to make history the newsreels capture a motorized army on the move a terrible inexorable power But behind Goebbels's splendid propaganda an ersatz Blitzkrieg unfolds the Panzers breaking down en masse on the roads into Austria The true behind the scenes account of the Anschluss a patchwork of minor flourishes of strength and fine words fevered telephone calls and vulgar threats all reveal a starkly different picture It is not strength of character or the determination of a people that wins the day but rather a combination of intimidation and bluff With this vivid compelling history ric Vuillard warns against the peril of willfully blind acquiescence and offers a reminder that ultimately the worst is not inescapable
