Tate,2020-05-07 Between 1841 and 1866 more than a half million people followed trails to Oregon California and Utah in one of the largest mass migrations in American history The Great Medicine Road Part 4 collects the letters diaries and reminiscences of some of the emigrants who made this journey between 1856 and 1869 as a second generation of miners farmers town builders and religious believers turned their adventurous eyes westward in search of new beginnings Here in their own words are the experiences of young men hoping to make their fortunes in mining operations that had sprung up as the gold rush wore down in California but also now in the silver mines of Nevada s Comstock Lode and the recently discovered gold mines of Colorado s Denver and Pike s Peak regions Here also are families and farmers looking for land in the fertile Willamette Valley of Oregon or joining the Mormon community in Utah And here are the stories of intrepid sojourners traveling with or without military escorts as the Civil War conflicts with Indians and the Mormon stand against the U S government altered the circumstances of westward traffic These documents with an introduction and editorial notes written by historian Michael L Tate to provide context and commentary comprise the fourth and final installment in a documentary history of the Oregon California and Mormon Trails They give a living voice to the history of the American experience at a time of westward expansion and profound unprecedented change **Searching for Tamsen Donner** Gabrielle Burton,2009-03-01 Tamsen Donner For most the name conjures the ill fated Donner party trapped in the snows of the Sierra Nevada Mountains in 1846 47 Others might know Tamsen as the stoic pioneer woman who saw her children to safety but stayed with her dying husband at the cost of her own life For Gabrielle Burton Tamsen s story fascinating in its own right had long seemed something more the story of a woman s

life writ large one whose impossible balancing of self motherhood and marriage spoke to Burton's own experience This book tells of Burton's search to solve the mystery of Tamsen Donner for herself A graceful mingling of history and memoir Searching for Tamsen Donner follows Burton and her husband with their five daughters on her journey along Tamsen's path From Tamsen's birthplace in Massachusetts to North Carolina where she lost her first family in the space of three months to Illinois where she married George Donner and finally to the fateful Oregon Trail Burton recovers one woman's compelling history through a modern day family's adventure into realms of ultimately timeless experiences Here Burton has for the first time collected and published together all seventeen of Tamsen's known letters *The Old Iron Road* David Haward Bain,2022-09 In the summer of 2000 David Haward Bain and his family left their home in Vermont and headed west in search of America's past Spiritually their journey began on a Kansas trail where the author's grandmother was born in a covered wagon in 1889 Between the Missouri River and the Golden Gate they retraced the entire route of the first transcontinental railroad and large stretches of the Oregon and California trails and the equally colorful old Lincoln Highway Following vanished iron rails and wagon wheel ruts bumping down backroads and main streets they discovered the deep restless uniquely American spirit of adventure that connects our past to our present A superb writer and an exacting researcher Bain conjures up a marvelous sense of coming unstuck in time as he lingers in the ghost towns and battlegrounds prairies and river ports trainyards museums deserts and diners that line his cruise west to California Bain encounters a fascinating cast of characters both historic and contemporary as well as memories of his grandparents and the journeys that shaped his own heritage Writing in the tradition of William Least Heat Moon and Ian Frazier and with an engaging warmth and a deep grasp of history all his own Bain has fashioned a quintessentially American journey **Cheyennes and Horse Soldiers** William Y. Chalfant,2002-10-01 In July 1857 the first major battle between the U S Army and the Cheyenne Indians took place in present day northwest Kansas The Cheyennes had formed a grand line of battle such as was never again seen in Plains Indians wars But they had not seen sabres before and when the cavalry charged sabres drawn they panicked William Y Chalfant re creates the human dimensions of a battle that was as much a clash of cultures as it was a clash of the U S cavalry and Cheyenne warriors History of Wyoming (Second Edition) T. A. Larson,1990-08-01 The History of Wyoming explains detailed information of territorial and state developments This second edition also includes the post World War II chapters containing discussion about the economy society culture and politics not included on the previous edition **Catalog of Copyright Entries.
