Grau,2014-08-15 Illustrated with 52 maps and diagrams Sixteen years after its commencement and six years after its cessation the Soviet Afghan War remains an enigma for Westerners Set against the backdrop of earlier successful Soviet military interventions in East Germany 1953 Hungary 1956 and Czechoslovakia 1968 and occasional Soviet military pressure on Poland the stark military power of the Soviet state seemed to be an irresistible tool of indefatigable Soviet political power More than a few strategic pundits and military planners envisioned a bold Soviet strategic thrust from southern Afghanistan to the shores of the Persian Gulf to challenge Western strategic interests and disrupt Western access to critical Middle Eastern oil Despite these fears and dire warnings the Soviet Afghan military effort soon languished as the British experience began to repeat itself Although appearing to have entered Afghanistan in seemingly surgical fashion and with overwhelming force the Soviet military commitment was in reality quite limited and the immense and stark territory of Afghanistan swallowed the invaders up Across the largely barren landscape guerrilla fighters multiplied and within months the hitherto curious word mujahideen took on new meaning To this day the Western view of the Afghan War has been clouded in mystery and shadows Soviet writers have presented Westerners with a mixture of political diatribe military fable allegory and analogy set against the backdrop of few facts Westerners have recounted the war based on this Soviet material sketchy mujahideen accounts the reports of the occasional Western war correspondents in Afghanistan and pure supposition This volume the first factual material to shed real light on the conflict represents a unique first step in setting the Afghan record straight *Fancygoods, Over the Mountain* John Bryson,2013-01-03 Here is Brodie an expatriate trader in New Guinea whose understanding of the sorceries and rituals he now lives with is moving close to respect and wonderment He watches his visiting daughter a twelve year old being captivated by this culture of theatre The place was packed Tiptoe over the matt black heads of the crowd he could see the performers He edged closer but so rapt was everyone that none of them looked around The figure who held their attention was not from anywhere Brodie could place and indeed more than anywhere else he might have come from the grave His eyesockets were painted with sulphur enlarged to include much of the temples and the cheekbones so bright a

yellow that the eyes behind seemed empty His skull was shaved and rubbed with ashes and whatever hank remained of the hair was evidently the support for the plumes which pealed upward like golden throated trumpets and for the crimson lances which entered the head one on either side which spoke of the fierce manner of his death When daughter Meg falls suddenly ill Brodie fears she will be relying more on a matrix of magic rather than the sterile planes and inoculant infusions he would better trust This novella was first published in the Antipodes Journal Austin Texas Just Over the Mountain Robyn Carr,2010-03-01 Welcome back to Grace Valley California where the best things in life never change Here in this peaceful community folks look out for one another like family though sometimes a little too well In a town like this it s hard to keep a secret but Dr June Hudson has managed to keep one heck of a humdinger Though visits from her secret lover undercover DEA agent Jim Post are as clandestine as they are passionate somehow it fits with her demanding schedule as the town s doctor a calling that requires an innate ability to exist on caffeine sticky buns and nerves of steel But how can a secret lover compete with a flesh and blood heartthrob from her past June s old flame has just returned to town after twenty years and he s divorced June is seriously rattled So when the town s most devoted wife takes buckshot to her husband and some human bones turn up in her aunt Myrna s backyard she s almost happy for the distraction Sooner or later love will have its way in Grace Valley It always does Moon Over the Mountain Carol Dean Jones,2018-11-01 A quilting getaway in the Appalachians is overshadowed by danger in this mystery featuring bonus quilt instructions After losing her husband Sarah Miller has been trying to move on into a fulfilling new life and the friends she s found at the Cunningham Village retirement community are a big help And a tranquil quilting retreat in the Great Smoky Mountains will be a lovely getaway But there s something alarming in the surrounding forest and Sarah will soon have to turn her attention from threads to threats **The Bear Went Over the Mountain** Jane Cabrera,2020-11-03 What s over the mountain A little bear and his best friends of course Story time darling Jane Cabrera puts a sweet spin on a classic children s song The Bear went over the mountain To see what he could see But all that he could see Was the other side of the mountain Then he got stuck up a tree Luckily Hare is there to rescue him followed by Fox with some tea Wolf with the dance moves and Owl with the final piece of the party But wait there s one last attendee a young child Cabrera gently reveals that other side of the mountain was just up the stairs the whole time The final spread shows the youngster all snuggled up in bed with his stuffed animal bear hare fox wolf and owl Jane Cabrera s Story Time celebrates children s best loved read along nursery rhymes and songs These interactive favorites are given a new twist by award winning artist Jane Cabrera and feature her bold bright kid friendly illustrations Other titles in the series include The Wheels on the Bus Old Mother Hubbard and Old MacDonald Had a Farm The BEAR WENT OVER the MOUNTAIN Carolyn Booth Stanson,2025-05-08 The mystery is solved the other side of the mountain was not all that the bear saw This charming picture book tells the rest of the story as the bear goes over the mountain and discovers all the surprises waiting for him Combined with singing the original folk song and counting the images on each page you can
