Pubblico E Privato Nei Moderni Sistemi Di Welfare:

Family Life and Individual Welfare in Post-war Europe S. Bernini, 2007-11-13 Taking Britain and Italy as comparative cases the author explores the extent to which dominant notions of family life differed in postwar Britain and Italy and the implications this had on the development of family policy in these two countries

Gender, Social Care and Welfare State Restructuring in Europe Jane Lewis, 2018-12-20 Published in 1998 Social provision in all European countries has faced increasing scrutiny during the 1990s Focusing on gendered aspects of welfare state restructuring each contributor examines the way in which the welfare state of his or her country has been restructured over the past decade concentrating on services for elderly people and for children Each chapter outlines the shifts in the mixed economy of welfare and describes the degree to which there has been greater decentralization moves towards a different style of public management or the introduction of market principles The changes in the provision of services for elderly people and children is described for the same period Finally women s position as paid providers of services as unpaid carers and as recipients of services is analyzed This book investigates the idea that the move towards marketization in many countries is having a disproportionately detrimental effect on women whose leverage on the market tends to be weak

[The Nonprofit Sector in Italy](#) Gian Paolo Barbetta, 1997 Analysis the nonprofit sector in Italy and shows that such organizations operate in more diverse fields than those of the traditional welfare sectors

Expanding Welfare in an Age of Austerity Anthony Kevins, 2025-10-01 In recent decades and particularly since the financial crisis continental Europe has seen an increasing gap between those workers who have well protected good paying jobs with strong benefits and those who work lower quality nonstandard jobs or who have no regular work at all This situation would seem to call for increased spending on the social safety net yet governments throughout the region have instead been turning to austerity In the face of that reality the options for helping disadvantaged workers are to extend coverage through re allocating the benefits given to higher level workers maintain the benefits of the well off as the number of outsiders continues to grow or simply ignore the problem This book asks why different nations have taken different tacks in handling or not handling this problem

The First Outstanding 50 Years of "Università Politecnica delle Marche" Sauro Longhi, Andrea Monteriù, Alessandro Freddi, Giulia Bettin, Silvio Cardinali, Maria Serena Chiucchi, Marco Gallegati, 2020-01-03 The book describes significant multidisciplinary research findings at the Universit Politecnica delle Marche and the expected future advances It addresses some of the most dramatic challenges posed by today s fast growing global society and the changes it has caused while also discussing solutions to improve the wellbeing of human beings The book covers the main research achievements made in the social sciences and humanities and includes chapters that focus on understanding mechanisms that are relevant to all aspects of economic and social interactions among individuals In line with Giorgio Fu s contribution the interdisciplinary research being pursued at the Faculty of Economics of Universit Politecnica delle Marche is aimed at interpreting the process of economic development

in all of its facets both at the national and local level with a particular focus on profit and non profit organizations Various disciplines are covered from economics to sociology history statistics mathematics law accounting finance and management

Beyond Marginality? Rik van Berkel, Harry Coenen, Ruud Vlek, 2018-12-14 First published in 1998 this volume describes and analyses organizations of social security claimants and their position in the field of force of the national welfare state in six European countries representing a diversity of welfare state regimes The authors analyse these organizations and their strengths and weaknesses from a variety of theoretical perspectives such as the opportunity structures of welfare states and national political relations the fragmentation of the social movements of social security claimants along ideological and categorical lines the impossibilities of organizing socially highly marginalized groups etc The volume also contains an introduction and an epilogue as well as a chapter dealing with the relations between collective and individual forms of social resistance

Faith-Based Organizations and Social Welfare Paul Christopher Manuel, Miguel Glatzer, 2018-05-23 This volume examines the role and function of religious based organizations in strengthening associational life in a representative sample of West European countries newly democratized and long established democracies societies with and without a dominant religious tradition and welfare states with different levels and types of state provided social services It asks how faith based organizations in a time of economic crisis and with declining numbers of adherents might contribute to the deepening of democracy Throughout the volume invites social scientists to consider the on going role of faith based organizations in Western European civil society and investigates whether the concept of muted vibrancy aids our theoretical understanding
