Redeeming Pop Culture A Kingdom Approach:

Redeeming Pop Culture Terry Michael Moore, 2003 contents Introduction 1 Culture Cultures and Popular Culture 2 Popular Culture and Our Kingdom Calling 3 Sources of Popular Culture 4 Judging Popular Culture 5 Approaching Popular Culture 6 Moments of Transcendence **The Message Behind the Movie** Douglas M. Beaumont, 2009-05-01 Some Christians denounce nearly every move that Hollywood produces others celebrate even the most morally and artistically questionable While most Christians can agree on the cultural importance of films very few are able to interpret movies with insight and understanding Apologetics professor and film lover Doug Beaumont wants moviegoers to become more informed viewers by better grasping the cinematic techniques and genre considerations that filmmakers use to communicate their central themes He also wades into hot button issues of nudity violence and language in movies helping Christians to more carefully evaluate celluloid depictions of sin Packed with quote and excerpts from many of Hollywood's most successful films and from some of the indie favorites that have gained cult followings *The Message Behind the Movie* is a fun and enlightening look at the art from that defines our age Eyes Wide Open William D. Romanowski, 2007-02-01 Grounded in Christian principles this accessible and engaging book offers an informed and fascinating approach to popular culture William D Romanowski provides affectionate yet astute analysis of familiar well loved movies and television characters from Indiana Jones to Homer Simpson and he speaks with historical depth and expertise on films from Casablanca to Crash and music from Bruce Springsteen to U2 Romanowski's confessional approach affirms a role for popular culture in faithful living Practical analytical approaches to content meaning and artistic style offer the tools to participate responsibly and imaginatively in popular cultural activities An engaging read this new edition introduces students and thoughtful readers to popular culture one of the most influential forces in contemporary society *The Message Behind the Movie—The Reboot* Douglas Beaumont, 2022-04-11 When it comes to movies people of faith often focus on negative assessments of the film industry and certain style elements that they find objectionable such as violence nudity or harsh language While these criticisms are important they are not the whole story A film's message and its method are not always the same thing By discussing the cinematic techniques and the genre considerations filmmakers use to communicate their ideas this book helps Catholics and other Christians to become informed viewers Douglas Beaumont shows how to evaluate the stories that movies tell and how to discern what they say about reality God and what it means to be human At the same time he illustrates how movie watchers can engage in thoughtful lively discussions about not only film but also the big questions in life *Ex Auditu - Volume 23* Klyne Snodgrass, 2008-04-01 *Ex Auditu* began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary After the first four volumes the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of Scripture The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church Each annual publication focuses

on a topic crucial to the life of today's Church. Additionally, each issue contains an annotated bibliography and a sermon which makes it a practical guide for pastors.

With Uplifted Head Al Machiela, Dan Liroy, 2007-10-01. *With Uplifted Head* Preaching Hope is a book that exalts Christ by giving insight into the biblical teaching about hope. The book also shows interested readers how to preach in a way that will foster hope among members of their congregations. Because the book is designed for both pastors and lay church leaders, it does more than just present a theological understanding of biblical hope. It also has plenty of suggestions for preaching hope directly and indirectly. The authors maintain that only biblical hope focused on the resurrection and affirmed by the renewing Holy Spirit can change believers internally and create anticipation for a future in the presence of the living God.

Ex Auditu, 2006. **Culture Matters** Terry Michael Moore, 2007. T. M. Moore provides a Reformed perspective on how to understand culture and engage it. **The Writers Directory**, 2013. **By the Waters of Babylon** Scott Aniol, 2019-03-21. A guide to biblically shaped worship which has the greatest missional impact in a post-Christian culture. *By the Waters of Babylon* examines a relationship between worship culture and evangelism that is centered in a desire for biblical fidelity rather than cultural relevance. Imagine how the Hebrews felt during their years of captivity in Babylon. How could they sing the songs they once sang in the splendor of Jerusalem now that they sat in exile? Christian worship in the West faces many of the same challenges as this tragic account of Israel's captivity. By all accounts, Christendom is dead, and unbiblical beliefs have progressively permeated Western thought, expectations, and culture. So how should churches respond to this seismic shift in their relationship with an increasingly post-Christian culture while still following the biblical mandate to reach that culture with the gospel of Jesus Christ? *By the Waters of Babylon* will help

Christians wrestle through this critical issue of the relationship between Christian worship and evangelistic witness especially in the context of an increasingly hostile culture The author demonstrates that biblically regulated gospel shaped corporate worship that communicates God's truth through appropriate cultural forms will have the most missional impact in a post Christian context

The New Interpreter's Study Bible Walter J. Harrelson, 2003 In a new study Bible based on The New Revised Standard Version with Apocrypha 60 scholars provide background and insight on the biblical text in a book that features extensive historical and theological annotations brief introductions and outlines for each biblical book 19 newly commissioned historical maps and more

Faith Reads David Rainey, 2008-07-30 At last a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian readers Covering the three major branches of Christianity Roman Catholic Protestant and Orthodox the author organizes more than 600 titles into subject categories ranging from biography the arts and education to theology devotion and spiritual warfare Award winning classics are noted Introductory narrative frames the literature and helps librarians better understand Christian literature and learn how to establish selection criteria for building a Christian nonfiction collection

Religion and Popular Culture in America, Third Edition Bruce David Forbes, Jeffrey H. Mahan, 2017-03-01 The connection between popular culture and religion is an enduring part of American life With seventy five percent new content the third edition of this multifaceted and popular collection has been revised and updated throughout to provide greater religious diversity in its topics and address critical developments in the study of religion and popular culture Ideal for classroom use this expanded volume gives increased attention to the implications of digital culture and the increasingly interactive quality of popular culture provides a framework to help students understand and appreciate the work in diverse fields methods and perspectives contains an updated introduction discussion questions and other instructional tools

Playful, Glad, and Free Jessica DeCou, 2013-09-01 This book offers a critical analysis and reinterpretation of Karl Barth's theology of culture the least studied aspect of his work revealing his significance for contemporary work in theology of culture by applying his approach to the study of popular culture and entertainment Grounding the study in Barth's eschatology which proves more amenable to secular culture than other models DeCou shows that Barth's approach recognized that the freedom of theology is qualified by the freedom of the Word and the freedom of secular culture Barth therefore offers a middle way for evaluating and analyzing culture and religious forms This book thus opens up a new avenue of interpretation of Barth and applies the insights of Barth's theology in fresh ways to the structures of contemporary culture and its products

When Worlds Collide Mike Blackaby, Daniel Blackaby, 2011 Respected scholars provide thorough yet accessible answers to the deep spiritual questions that most often challenge one's faith and the ability to share it with others

Popular Culture, Crime and Social Control Mathieu Deflem, 2010-04-21 Contains contributions on the theme of popular culture crime and social control This title includes chapters that tease out various criminologically relevant issues pertaining to crime deviance and or the

control thereof on the basis of an analysis of various aspects and manifestations of popular culture including music and movies

A History of Evil in Popular Culture Sharon Packer MD, Jody Pennington, 2014-07-15 Evil isn't simply an abstract theological or philosophical talking point. In our society the idea of evil feeds entertainment; manifests in all sorts of media and is a root concept in our collective psyche. This accessible and appealing book examines what evil means to us. Evil has been with us since the Garden of Eden when Eve unleashed evil by biting the apple. Outside of theology evil remains a highly relevant concept in contemporary times; evil villains in films and literature make these stories entertaining. Our criminal justice system decides the fate of convicted criminals based on the determination of their status as evil or insane. This book examines the many manifestations of evil in modern media making it clear how this idea pervades nearly all aspects of life and helping us to reconsider some of the notions about evil that pop culture perpetuates and promotes. Covering screen media such as film, television and video games; print media that include novels and poetry; visual media like art and comics; music and political polemics, the essays in this book address an eclectic range of topics. The diverse authors include Americans who left the United States during the Vietnam War era; conservative Christian political pundits; rock musicians; classical linguists; Disney fans; scholars of American slavery and experts on Holocaust literature and films. From portrayals of evil in the television shows *The Wire* and *24* to the violent lyrics of the rap duo Insane Clown Posse to the storylines of the *Lord of the Rings* and *Harry Potter* books, readers will find themselves rethinking what evil is and how they came to hold their beliefs.

Subject Guide to Books in Print, 1991

A Kingdom Divided April E. Holm, 2017-12-11 *A Kingdom Divided* uncovers how evangelical Christians in the border states influenced debates about slavery, morality and politics from the 1830s to the 1890s. Using little studied events and surprising incidents from the region, April E. Holm argues that evangelicals on the border powerfully shaped the regional structure of American religion in the Civil War era. In the decades before the Civil War the three largest evangelical denominations diverged sharply over the sinfulness of slavery. This division generated tremendous local conflict in the border region where individual churches had to define themselves as being either northern or southern. In response many border evangelicals drew upon the doctrine of spirituality which dictated that churches should abstain from all political debate. Proponents of this doctrine defined slavery as a purely political issue rather than a moral one and the wartime arrival of secular authorities who demanded loyalty to the Union only intensified this commitment to spirituality. Holm contends that these churches' insistence that politics and religion were separate spheres was instrumental in the development of the ideal of the nonpolitical southern church. After the Civil War southern churches adopted both the disaffected churches from border states and their doctrine of spirituality claiming it as their own and using it to supply a theological basis for remaining divided after the abolition of slavery. By the late nineteenth century evangelicals were more sectionally divided than they had been at war's end. In *A Kingdom Divided* Holm provides the first analysis of the crucial role of churches in border states in shaping antebellum divisions in the major evangelical denominations in navigating

the relationship between church and the federal government and in rewriting denominational histories to forestall reunion in the churches Offering a new perspective on nineteenth century sectionalism it highlights how religion morality and politics interacted often in unexpected ways in a time of political crisis and war **Narrating Rape** L. Juliana M.

Claassens,2024-09-30 Narrating Rape presents exciting new scholarship on how to read wrestle with and respond to sexual violence and rape in and around biblical texts The fourteen essays represent global contributors and bring together respected senior scholars along with fresh emerging voices Contributors take on sexual violence in the Hebrew Bible and the New Testament as well as the ancient Near Eastern and Roman contexts that informed the production of these texts There is also a significant focus on using contemporary literature film and popular culture including reality television and music to read and interpret biblical rape stories Contributors include Alexiana Fry Meredith Warren Kirsi Cobb David Tombs Jeremy Punt and Gerald West
