Redirection In Academic Library Management:

Redirection in Academic Library Management James Thompson,1991 **Financial and Cost Management for Libraries and Information Services** Stephen A. Roberts,2013-02-07 No detailed description available for Financial and Cost Management for Libraries and Information Services **Putting Library Assessment Data to Work** Selena Killick, Frankie Wilson,2019-07-16 Effective library assessment is crucial for a successful academic library But what do we mean by library assessment and how can it be used to improve the library service This new book provides a practical guide for library administrators managers and practitioners on how to make effective use of existing sources of information for assessment activities with the aim of improving academic library services Putting Library Assessment Data to Work brings together key library assessment methodologies detailing how they can be used to improve an academic Library The book takes common sources of data that academic libraries will already be collecting and presents simple qualitative and quantitative techniques that can be used to evaluate and assess their services both in detail and overall The different assessment methods are presented from a practical perspective with a theoretical grounding and include practical case studies to illustrate how the methodologies have successfully been applied The book includes coverage of The theoretical framework for assessment its purpose and the tools and techniques used Institutional national and international student surveys and how they can be used to improve library service The history and development of standardised library surveys eg LibQUAL how they have been used and their impact The benefits of In house library surveys and case studies of where they gave been used Library statistics including standardised statistics sets and key performance indicators Qualitative feedback in the library Emerging techniques including UX Taking a holistic approach to library assessment through advocacy and strategic planning This book will be essential reading for library and information service managers administrators assessment practitioners educators and policy shapers It will also be useful for students and researchers interested in library assessment *Library Performance and Service Competition* Larry Nash White,2014-01-23 A practice driven and proven resource for library administrators of all types of libraries The work describes how the library can identify the service environment factors impacting customers strategic needs identify library competitors strategic abilities and service environment impacts and use the combined results to develop proactive competitive responses that drive the service environment instead of reacting to the service environment These strategic competitive responses would allow the library to increase the value of its service impact and effectiveness while increasing customer appreciation and the libraries advantage in the competitive service environment Written by a highly knowledgeable practitioner from the library field Experience of the author library and for profit management experience provides a hybrid blended view of library competition and management responses from both the library and for profit management worlds Written to applicable to all types of libraries *Resource Management in Academic Libraries* David Baker,1997 The funding framework of higher education is changing

As the number of students going on to higher education increases competitive bidding for funded places is replacing block grant allocation This means that institutions seeking to increase their income from non government sources are having to revise traditional methods of assessing the over head cost of support services or to introduce new methods
