lives and impact the world **Church Plantology** Peyton Jones,2021-04-20 The first comprehensive textbook on effective church planting from a veteran church planter The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder and there is much we can learn from his example Paul indicated that there were basic skills and experiences required to successfully plant a church Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament During his time in prison Paul spent much of his time writing to Titus Timothy and others who d served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate in is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don t end up a walking statistic **Rediscovering the New Testament Church** Anthony Jacomb-Hood,2014-12-22 The vast majority of Western Christians assume that church as we know it is somehow patterned after New Testament norms with our services our pastors and priests and our Sunday morning sermons Rediscovering The New Testament Church gently challenges that assumption meticulously uncovering the New Testament description of what God calls church Have we perfected what God set in motion or did we fix what was never broken in the first place **Rediscover Church Study Guide** Jonathan Leeman,Collin Hansen,2021-12-07 Over the course of 9 lessons featuring guided study Bible passages and discussion questions this companion to the book Rediscover Church emphasizes the significance of face to face fellowship with the family of Christ **Rediscovering Church** John Young,2015-03-31 After graduating from seminary John quit his job as a Baptist minister and took off on a road trip to learn what makes a church successful Rediscovering Church is a journey that traces his experiences of growing up in church working as a minister and then hitting the road to learn from some of the nation s most interesting churches The story follows him becoming a white minister in a black church getting kicked out of and banned from a church and even going to an AA meeting In an age where there are thousands of Christian celebrities explaining how to lead your church to success this story shines a light on the beautiful diversity of churches and the mosaic of personalities that lead them Each chapter dives into the cultures and issues of a different congregation including a traditional church emerging church African American church exponential growth church mega church and a house church **Churching** Rick Harrington,2025-02-25 Over forty million people have left the church in the past twenty five years in the United States This is not merely people walking away from the faith Many Christians have dechurched as well The local church is seen as an optional club and gathering with other Christians is a sort of side issue in the real business of following Jesus This short book seeks to push against the cultural tide It musters together an argument biblically historically and practically on behalf of the church The church does not sit on the periphery of the Christian life it belongs smack dab in the center The church is our means of grace to corporate worship Christian fellowship

and the Great Commission Read and reimagine what the church could look like going forward Brief and winsome this resource draws on Scripture pastoral experience and wisdom from the global church to present a thoughtful and practical argument intended to help readers understand the call upon the Christian to commit and serve the church
