Feeling keyed up (or hyperarousal).

03

LIFE AFTER REHAB

Challenges of Remaining Sober

Many of the challenges of remaining sober and returning to life after rehab stem from the triggers that led to drinking alcohol or drug use. These triggers can be anything, such as walking past the neighborhood bar on the way home from work or hanging out with old friends who use drugs. Triggers can be anywhere, from at work, at home, and everywhere in between.

04

REENTRY AFTER PRISON

Support to Prevent Recidivism

Reentering society after a prison sentence is one of the most challenging things to do and there are many theories as to why. Some believe that there isn't enough support offered to prisoners and to those just released, such as counseling, education, and help with substance abuse problems.

DID YOU KNOW ?

Though the data is tough to track, the United States imprisons roughly 4% of the world's population and parts of the Second Chance Act of 2008, the National Reentry Resource Center (NARRC) funds reentry aid for ex-cons about 20% of the global prison population, as of 2014 and 2013, respectively.

Reentry Into Life: Elements of Successful Programs

Reentering society after the military, agoraphobia, substance abuse, prison, or any other disorder or event can be a stressful and challenging time, both for the individual and their families and friends. However, there are ways that can help ease this transition, such as:

Medication.

Finding a community.

Counseling.

Insurance Versus Poverty Leo George Chiozza Money, 1912 *Prisoner Reentry in the 21st Century* Keesha M. Middlemass, Calvin John Smiley, 2019-11-04 This groundbreaking edited volume evaluates prisoner reentry using a critical approach to demonstrate how the many issues surrounding reentry do not merely intersect but are in fact reinforcing and interdependent The number of former incarcerated persons with a felony conviction living in the United States has grown significantly in the last decade reaching into the millions When men and women are released from prison their journey encompasses a range of challenges that are unique to each individual including physical and mental illnesses substance abuse gender identity complicated family dynamics the denial of rights and the inability to voice their experiences about returning home Although scholars focus on the obstacles former prisoners encounter and how to reduce recidivism rates the main challenge of prisoner reentry is how multiple interdependent issues overlap in complex ways By examining prisoner

reentry from various critical perspectives this volume depicts how the carceral continuum from incarceration to reentry negatively impacts individuals families and communities how the criminal justice system extends different forms of social control that break social networks and how the shifting nature of prisoner reentry has created new and complicated obstacles to those affected by the criminal justice system This volume explores these realities with respect to a range of social community political and policy issues that former incarcerated persons must navigate to successfully reenter society A springboard for future critical research and policy discussions this book will be of interest to U S and international researchers and practitioners interested in the topic of prisoner reentry as well as graduate and upper level undergraduate students concerned with contemporary issues in corrections community based corrections critical issues in criminal justice criminal justice policies and reentry

identify my mother and others as persons who represented a great danger to me necessitating measures that resulted in distance and eventual examination of the fundamentals of this religious life and identity I describe the other Jewish family that similarly abused a child Similar to my own circumstance no investigation or prosecution was ever conducted I remain convinced other families from these ultra Orthodox Charedi Jewish communities experienced similar or worse violence but such violence was muted and not reported My father was aware of the attack but did not intervene I discuss the details of the abuse as well as its aftermath and the larger concatenates these events caused in my life I conclude my narrative by stating that these acts and especially community refusal to acknowledge and respond is shameful and indefensible A few persons reviewed this material prior to publication While I remain grateful for their comments and recommendations the publication reflects my own insights and I remain responsible for any errors or oversights
