Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian

gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book *By the Gift and Power of God* Leo Kappa, 2018-06-12 Although Christian academics such as Dr Stephen Webb Margaret Barker and Richard Mouw classify the Latter Day Saints as Christian most ordinary believing Christians remain unaware of just how very Christ centered the LDS Church is and what a strong position the church holds scripturally and theologically Many Christians today have never had the opportunity to consider the numerous Bible prophecies fulfilled by the Book of Mormon the prophet Joseph Smith the historic Christian apostasy and the prophecies of Gods great and marvelous latter day work which is a new dispensation to set things right namely the restoration we announce to the world Christians everywhere must be informed about what God has done for them in these times and why it was necessary as we all prepare for the glorious return of our Lord Jesus with a vast host of angels to judge the earth **Rediscovering Jesus** David B.
