Reflexology Card Deck:

Reflexology Card Deck Skye Alexander, 2008-07-01 A card deck is a convenient portable way to learn about reflexology. According to the ancient art of reflexology the body's organs experience illness when they receive the wrong signals from the brain. However by stimulating pressure or reflex points on the feet you can interrupt the body's misguided instructions and stimulate the body to naturally heal itself. Reflexology Card Deck gives readers a convenient tool to guide them in the art of healing others and themselves through reflexology. A deck of 52 cards identifies a specific foot point on a photograph and tells the reader what healing benefit it has. On the flip side the card explains the technique for stimulating the pressure point and expands on the benefits. Introduction cards explain the history of reflexology and the philosophy behind it. **The**

Connections 2 Frank Chodl,2020-06-16 One thing I have noticed throughout my life as a psychic medium and teacher is that these roles as well as that of healer often overlap As a medium I work to facilitate the transitioning of those who have passed as well as easing the pain and confusion of those left behind I help to heal both sides while teaching my clients about the processes that are taking place When you look more deeply into the various modalities and methods of the psychics healers teachers you may begin to see many aspects of all three within yourselves When I help someone who is stuck in between this plane and the beyond I am not acting as an exorcist but rather as a transitionist I am not casting them out I am giving them the assistance they need in order to open the path to finally move on Our task is not to release all those souls who have become stuck here single handedly It is to send out the message to everyone on both sides to join together in bringing the healing and release that those souls so desperately need Try to imagine the intense energy of two millennia of trapped souls simultaneously rejoining with the universe Building on the lessons learned in my last book Connections A Journey to Understanding in Connections 2 The Gathering I offer guidance to help us all answer questions including What is our greater purpose in this life What are our true abilities Who and where are our tribes and moves us forward to prepare us for our greatest event yet The Gathering
