Reformed Imperative:

The Reformed Imperative John H. Leith, 1988-01-01 In the face of dramatic membership decline John Leith calls on the church to say what no one else can say Leith writes that too often sermons are moral exhortations which can be delivered more effectively at Rotary or Kiwanis clubs or political and economic judgements on society presented with greater wisdom and passion at political conventions or they offer therapies better provided by competent psychiatrists He urges the church to use its only unique skill the ability to interpret and apply the work of God through sermons teaching and pastoral care

Protestant Theology at the Crossroads Gerhard Sauter, 2007-04-26 In an atmosphere of growing skepticism and discouragement what hope has theology for the future and what sources might deliver that hope In this astute analysis of Protestant theology today Gerhard Sauter sets himself to help theology answer critical questions and accomplish crucial tasks in order to move forward with hope Protestant Theology at the Crossroads examines contextual theology in which particular cultural heritages race and gender economic conditions and the structure of social life inform the teachings of the faith rather than vice versa How for example do we approach the crisis in American self understanding caused by terrorism Do changes in European politics alter our theological perceptions Sauter argues that dogmatics properly understood as the process of theological reasoning that supports the life of the church can and should be used as the tool to save theology Dogmatics he says can break through pious isolationism and converge with genuine public theology leading to the church's understanding of its own essence [Making Disciples, Making Leaders--Participant Workbook, Updated Second Edition](#)

Scott Smith, Paul Charles Kemeny, 2019 The Oxford Handbook of Presbyterianism provides a state of the art reference tool written by leading scholars in the fields of religious studies and history [Calvinism and the Making of the European Mind](#), 2014-09-18 Calvinism must be assigned a significant place among the forces that have shaped modern European culture Even now despite its history of religious fragmentation and secularization Europe continues to bear the marks of a pervasive Calvinist ethos The character of that ethos is however difficult to pin down In this volume many of the traditional scholarly conundrums about the relationship between Calvinism and the cultural history of Europe are revisited and re-investigated to see what new light can be shed on them For example how has the ethos of Calvinism or more broadly the Reformed tradition

Vanhoozer,2019-05-15 The foundation of discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it s often overlooked by modern pastors In *Hearers and Doers* Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural doctrine to make disciples **God's Human Speech** Charles L. religious and cultural life in the twentieth century **The Study of Theology** Richard A. Muller,1991 The Study of Theology address two major concerns the place of biblical hermeneutics and practical theology The author discusses the hermeneutical implications of biblical historical systematic and practical theology and presents a case for the relationship between exegesis and the other theological disciplines However the relationship between hermeneutics and practical theology is also essential According to the author the traditional forms of theology and preaching frequently fail the tests of exegesis and contemporary theologizing while at the same time most contemporary theology and exegesis fails to address directly the needs of the church Muller presents a case for the structure of hermeneutics and argues that it is essential to the church because theological training as a whole ought to reflect the life of the church and be of value to the life of the church

Bloesch,2007-05-11 Donald G Bloesch provides incisive guidance toward a genuine Christian spirituality that is firmly rooted in biblical faith and fully aware of the positive contributions of various streams of Christian tradition **The Drama of Doctrine** Kevin J. Vanhoozer,2005-08-02 Observing a strange disappearance of doctrine within the church Kevin Vanhoozer argues that there is no more urgent task for Christians today than to engage in living truthfully with others before God He details how doctrine serves the church the theater of the gospel by directing individuals and congregations to participate in the drama of what God is doing to renew all things in Jesus Christ Taking his cue from George Lindbeck and others who locate the criteria of Christian identity in Spirit led church practices Vanhoozer relocates the norm for Christian doctrine in the canonical practices which he argues both provoke and preserve the integrity of the church s witness as prophetic and apostolic Christ's Ambassadors Robert B. Callahan,2013-11-05 The Apostle Paul in exercising his ineffable wisdom draws this magnificent letter to a close in an extraordinary manner Certainly he could have concluded it after telling the masters and servants how to treat one another But no he did not He proceeded to challenge them to become Christ s Ambassadors and to be proficient in this high calling despite the daily obstacles pressures and temptations What does Paul boldly state after having told Christ s followers t hat we henceforth be no more children tossed to and fro and carried about with every wind of doctrine by the sleight trickery of men and cunning craftiness whereby they lie in wait to deceive That they will have a life of ease no problems or worries and no challenges disappointments or hardships No But he did tell them how to conduct themselves in all of life s different phases Further that they were to walk in love as Christ hath also loved us and that not everyone hath any inheritance in the kingdom of Christ and God Paul contra to the practice today of many preachers teachers and church officers knew the problems that Christ s followers faced and he boldly addressed them He unequivocally stated that there were things appointed for them to do Knowing these things and the difficulties encountered in following Christ he issued a battle call to each and every follower saying take up unto you the whole armor of God that ye may be able to stand in the evil day and having done all to stand Paul was forthright in describing the benefits and challenges of Walking With Jesus as well as the attitude conduct and conversation precluding one from

entering the kingdom of Christ and God If we are to be Christ s Ambassadors whether it be preacher teacher church officer or professing Christian we are to know our duties and carry them out resolutely What are they They include but are not limited to discharging their duties honorably being loyal subjects following instructions knowing the Word and obeying Christ s commands May we along with Paul pray the following with humility and sincerity For which I am an ambassador that therein I may speak boldly as I ought to speak as one of His ambassadors The Breadth and Depth of the Atonement

Christian D. Kettler,2017-05-11 Atonement For some this word is the heart of the Christian faith For others it is irrelevant for Christianity and how they live their Christian lives Often we do not see the breadth and depth of the atonement in the gospel Christian D Kettler in his fourth book on the vicarious humanity of Christ suggests that we consider that the atonement is not only a vicarious death in our place and on our behalf whether in the form of a penal substitute or a moral example but also his vicarious humanity having atoning significance for all of our lives indeed all of reality the church the world and the self These essays are collected from several years of Kettler s thought on the doctrine of the vicarious humanity of Christ and its implications for all of life and reality seeking to demonstrate that the doctrine of the atonement is not to be restricted to one small part of the doctrinal agenda but has profound implications that theology sometimes does not explore These issues include the nature of culture aesthetics creation out of nothing spiritual formation emotional weakness the priesthood of Christ and creation genetic engineering and trusting in the ideal self **John Bunyan and the Language of Conviction**

Beth Lynch,2004 Bunyan s works re evaluated and considered in their Restoration and non conformist context This book undertakes a major reassessment of the works of John Bunyan 1628-88 the nonconformist author of *The Pilgrim s Progress* who was imprisoned for preaching his beliefs Through a reading of each of his narratives and many of his pastoral writings both in textual detail and in relation to the various traditions such as Reformed spirituality and the nonconformist trial within which he lived preached and wrote the author offers a systematic re evaluation of Bunyan s development as an author She presents new perspectives on his most popular works *Grace Abounding* and *The Pilgrim s Progress* whilst arguing that the significance of the lesser known *Life and Death of Mr Badman* and *The Holy War* has been severely underestimated and she shows how overall the works offer a candid document of nonconformist experience in the Restoration period *Politics, Religion and the Song of Songs in Seventeenth-Century England*

E. Clarke,2011-02-15 *The Song of Songs* with its highly sexual imagery was very popular in seventeenth century England in commentary and paraphrase This book charts the fascination with the mystical marriage its implication in the various political conflicts of the seventeenth century and its appeal to seventeenth century writers particularly women **Invitation to Theology** Michael Jinkins,2015-07-18 Are you intimidated by theology Confused Bored Michael Jinkins knows it doesn t have to be that way Theology is our critical and prayerful reflection on the totality of life he writes We all do theology on a regular basis whether or not we are conscious of the fact In *Invitation to Theology* Jinkins offers a knowledgeable helpful and caring guide to walk you through the basics of

the Christian faith Following the pattern of the ancient summary of the Christian faith the Apostles Creed Jinkins highlights the key doctrines of God Jesus Christ the Holy Spirit humanity church salvation and resurrection He cuts a clear path through theological terms traditions and debates And in the spirit of C S Lewis he invites you to consider some of the most profound reflections from the distant past to the present day on Christian belief Throughout this fascinating journey the main road is always kept in view The meaning and shape of our life together as a community of persons is grounded in the inner life of God the Trinity and has been revealed to us in the life death and resurrection of Jesus Christ If you are eager to think about your faith to examine what and why you believe and to reflect on how such faith can be lived out in our world Invitation to Theology is the book for you
