Globalization, Regionalization and Cross-Border Regions M. Perkmann, N. Sum, 2002-07-12 Cross border regions are newly emerging social spaces stretching across national borders Globalization makes national borders more permeable and leads to a rearrangement of economic and political interactions This is particularly pronounced within supra regional blocs featuring specific internal border regimes The ensuing opportunities are increasingly seized to create border spanning discourses and institutions This is illustrated in the book by a range of experts analyzing cross border regions in Europe America East Asia and Africa

Interconnected

Worlds: Tourism in Southeast Asia K.C. Ho,2001-07-05 Examines the political discourse behind tourism presenting some questions regarding the tensions associated with the interconnections This title focuses on deterritorialisation and the development of fresh regionalisms paying specific attention to collaborative efforts in tourism development

Regionalization and Globalization in the Modern World Economy Alex E. Fernández Jilberto,André Mommen,2017-03-16 Originally published in 1998 This collection of outstanding essays explores the importance of regionalization and globalization to the world economy International contributions explore the process of regionalization in the Pacific Area The Americas Africa and Europe and question whether the world economy is characterized by increasing regionalization rather than globalization The book is an excellent contribution to debate on development economics It investigates how the processes of globalization and regionalization driven by liberalization of trade and capital markets weaken nationally established monopolies and protected industries and it looks at the challenge to Third World nations and the countries of the former socialist bloc

Regionalization and Labour Market Interdependence in East and Southeast Asia Duncan Campbell,Asma Lateef,Aurelio Parisotto,Anil Verma,2016-01-06 How can we account for the dynamic growth of East and Southeast Asian countries Much of the debate has turned on the question of the state versus the market as exclusive and often competing explanations of the successful performance of individual countries This book explores the distinctively interdependent nature of the East and Southeast Asian experience As firms create a regional organization of production the growing interdependence of national labour markets is one major outcome

Regionalism in East Asia Fu-kuo Liu,Philippe Regnier,2013-10-18 Regional cooperation and integration have emerged as key issues for East Asia following the financial crisis This book explores these issues and examines the degree to which a new paradigm is emerging It reviews the evolution of the concepts and practices of regionalism in East Asia and considers the factors which are shaping new patterns of regional co operation and integration It includes discussions of historical developments economic co operation socio political factors and defence and security It considers the role of those states including China and Japan which have distinctive approaches to international relations and assesses the role of regional international bodies such as ASEAN

Governance Innovations in the Asia-Pacific Region Gambhir Bhatta,Joaquin L. Gonzalez III,2019-01-15 Published in 1998 The debate on what constitutes good governance and more importantly how to attain it is not a new issue The elusive and pluralistic nature of governance ensures that much more needs to be studied about the specific incidence of good governance before a unifying theme on how exactly to develop a universal framework of application of governance can be finalized It is within this context that this book seeks to fill a vacuum in the theory practice dichotomy that it argues has dominated the debate on governance so far

Growth Triangles in ASEAN, a New Approach to Regional Cooperation Hiroshi Kakazu,1997
