Relationships Made By God:

Marriages Made in Heaven Dan Evangelist Jones Iii,2008-11 Marriage made in heaven is more about what you do than what you say many have vowed much but vouched for little Pastor Dan E Jones III Today s thought of marriage is antiquated out dated old school and believed not necessary or convenient Television watching has bombarded our minds with images of cheating broken uncommitted selfish and shacked up relationships Also in this 21st century television programming with its images have fortify itself in the minds of our generation as strongholds nullifying the desire for marriage as well as blinding the appreciation for what God requires in Christian and married relationships Marriage is the transparency of salvation and salvation of marriage you can trace relationship troubles in one it will speak of the identical trouble in the other Fear not faithful through this anointed book God is revealing what he desires to see in married and saved relationships The cover is blown on the enemy s tactics that cause many to despise holy matrimony and to settle for compromising convenient and unholy relationship with God and your spouse Marriages that are made in heaven and like salvation has its identity and internal workings in Christ Christ is the Author and Procurer of them both The copyrights belong to Him therefore his divine intent and requirements are still effective and still in effect When you look at God s redemptive plan for relationships marriage and salvation has identical DNA How do we obtain the type of marriage God has ordained for us Identify the Twins Understanding the Engagement Process Knowing What Love Have to Do With It *Relationships Made by God* Paul M. Stevens,1999-01-01 The Love of God Christopher W. Morgan,2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God s love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God s love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series

The Living Church ,1953 **From Adam to Noah-The Numbers Game** Leonard Timmons,2012-01-05 The genealogy of Adam in Genesis Chapter 5 is a number puzzle that encodes a fully functional calendar From Adam to Noah The Numbers Game shows you precisely how the Bible writers encoded a calendar into the ages of Adam and his children in Genesis 5 It then goes on to show how the Bible writers designed their calendar puzzle so that anyone who managed to solve it would be certain they had the correct solution Proof of a highly accurate calendar encoded within the numbers of Genesis 5 is a revolution in our understanding of Genesis It allows us to dramatically revise our understanding of the entire Bible To truly understand why a calendar puzzle exists within the Bible we have to explore the reasons why someone several thousand

years ago would enshrine a calendar in such an ingenious puzzle That exploration leads to new and insightful interpretations of each of the stories in Genesis 1 to 11 The creation Adam and Eve Abel and Cain Noah s ark the story of Noah and his wine and Tower of Babel story Most of us have been taught that the Bible was written to be understood The existence of the calendar puzzle forces us to recognize that those who wrote the Bible hid things there that they did not want everyone to understand They hid a world view that they never state explicitly We will find that this philosophy inspired them to create the calendar puzzle and that the way they viewed the world is more important and more fascinating than the calendar itself In this book you will experience what it is like to discover something very new hidden within something very old You ll discover that this new thing was ancient knowledge when the Bible was written Remember the story of the pearl of great price A merchant upon finding a pearl of great value sold everything he had and bought it The calendar in Genesis is such a pearl If you re looking don t miss this chance to own one If God Made the Universe, Who Made God? Holman Bible Publishers,2012-02-01 Perhaps you remember being in a university class feeling frustrated when the respected professor dismissed questions from a student because of her religious faith Or maybe over a business lunch one of your colleagues referred to Christianity as a fairytale and you said nothing Many Christians find themselves in such situations but don t speak up because they don t fully realize the strength of their own position They feel incapable of giving reasons for the hope that is theirs Christian apologetics is the discipline and growing body of knowledge that equips believers to address their own doubts to converse with seekers and critics from a position of strength and to bear witness to Christ with confidence In the spirit of the title question If God Made the Universe Who Made God collects 130 essays written in defense of the Christian faith Contributors include some of the pre eminent apologists of our time from Lee Strobel and Charles Colson to Hank Hanegraaff J P Moreland and Ravi Zacharias The content is grouped into ten topics Apologetics Introductory Issues Jesus Christ Science and Faith Cults and World Religions The Existence of God Ethics Theology The Scriptures Heaven and Hell Evangelism **The Story of God’s Love** Aaron Jensen,2019-07-01 This abridged edition of the Holy Bible Evangelical Heritage Version EHV will help you see the full picture of God s love and plan of salvation for humanity The Bible is at its heart the grand and beautiful story of God s love for you It shows how sin separates you from God and reveals what God has done to restore that broken relationship with you He sent his Son Jesus to save you and all people from sin Drawn directly from the EHV text the accounts in The Story of God s Love are presented without chapter or verse numbers for smooth continuous reading In this book you ll find 250 Bible readings selected from all 66 books of the Bible from Genesis to Revelations including 175 of the most significant Bible stories Brief summaries at the beginning of each reading section Prayers at the end of each reading section 13 Bible history timelines Six maps of Bible lands The Story of God s Love is great for first time Bible readers who want a brief summary of the Bible making it a great resource for veteran Bible readers to go through together with a family member or friend *Cyber Worship in Multifaith Perspectives* Mohamed Taher,2006 Cyber
