Serving in Silence Alison Cross,1994 Serving in Silence? Noah Riseman ,Shirleene Robinson,Graham Willett,2018-07-01 Australian LGBT servicemen and women **SERVING IN SILENCE** Margarethe Cammermeyer with Chris Fisher,2005-08-02 VIETNAM VETERAN RECIPIENT OF THE BRONZE STAR MOTHER OF FOUR VA NURSE OF THE YEAR DISCHARGED In 1989 during a routine interview for top secret security clearance U S Army Colonel Margarethe Cammermeyer revealed that she was a lesbian and began an ordeal that continues to this day Despite her distinguished twenty six year military career she was discharged from the U S Army Her dismissal has garnered intense media coverage and stirred debate all the way to the presidency In this revealing autobiography Cammermeyer writes of her decision to challenge the official policy on homosexuals in the military and of her recent victory in Federal District Court But much more than a book laws and politics *Serving in Silence* is about coming of age being a mother and finding one s center about coming out the daily horrors of nursing in Vietnam and a female soldier s brave life THE BOOK THAT INSPIRED THE TELEVISION MOVIE Serving in Silence Margarethe Cammermeyer,Chris Fisher,1994 The distinguished nurse mother war hero and highest ranking officer to challenge the military s anti gay policy speaks out about her life in the armed forces and her search for self Colonel Cammermeyer s dismissal from the U S Army has stirred debate all the way to the Presidency now she writes of her decision to challenge official policy on homosexuality 16 page photo insert New York Magazine ,1995-02-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Pride in Defence Noah Riseman,Shirleene Robinson,2020-11-03 Since the Second World War the Australian military has undergone remarkable transformations in the way it has treated lesbian gay bisexual transgender and intersex service members it has shifted from persecuting hunting and discharging LGBTI members to embracing them as valued members who enhance the Force s capabilities LGBTI people have served in the Australian military since its very beginnings yet Australian Defence Force histories have been very slow to recognise this *Pride in Defence* confronts that silence It charts the changing policies and practices of the ADF illuminating the experiences of LGBTI members in what was often a hostile institution Drawing on over 140 interviews and previously unexamined documents *Pride in Defence* features accounts of secret romances police surveillance and traumatic discharges At its centre are the courageous LGBTI members who served their country in the face of systemic prejudice In doing so they showed the power of diversity and challenged the ADF to make it a far stronger institution **Military Law Review** ,1996 **Gay TV and Straight America** Ron Becker,2006-02-02 After decades of silence on the subject of homosexuality television in the 1990s saw a striking increase in programming that incorporated and

in many cases centered on gay material In shows including Friends Seinfeld Party of Five Homicide Suddenly Susan The Commish Ellen Will Grace and others gay characters were introduced references to homosexuality became commonplace and issues of gay and lesbian relationships were explored often in explicit detail In Gay TV and Straight America Ron Becker draws on a wide range of political and cultural indicators to explain this sudden upsurge of gay material on prime time network television Bringing together analysis of relevant Supreme Court rulings media coverage of gay rights battles debates about multiculturalism concerns over political correctness and much more Becker s assessment helps us understand how and why televised gayness was constructed by a specific culture of tastemakers during the decade On one hand the evidence points to network business strategies that embraced gay material as a valuable tool for targeting a quality audience of well educated upscale adults looking for something edgy to watch But Becker also argues that the increase of gay material in the public eye creates growing mainstream anxiety in reaction to the seemingly civil public conversation about equal rights In today s cultural climate where controversies rage over issues of gay marriage yet millions of viewers tune in weekly to programs like Queer Eye for the Straight Guy this book offers valuable insight to the complex condition of America s sexual politics
