

SEVENTY TIMES SEVEN

Matthew 18:21-22

Then Peter came up and said to him, "Lord, how often will my brother sin against me, and I forgive him? As many as seven times?" Jesus said to him, "I do not say to you seven times, but seventy-seven times.

Forgiveness is a trait of our God and one that Jesus exhibited throughout his ministry. We are also to practice forgiveness by forgiving others when they wrong us. Not just the first time they wrong us, every time. Forgiveness is evidence of our love for others, just as it is a sign of God's love for us.

Psalm 103:11-12

For as high as the heavens are above the earth, so great is his steadfast love toward those who fear him; as far as the east is from the west, so far does he remove our transgressions from us.

Forgiveness is simple but often goes against every instinct that we have. We want to protect ourselves, we want people to feel the pain they inflict on us. Jesus' ways are not like that. Emulating him is often not easy.

God forgives us of a lifetime of sin, sins worth death and hell. He reveals the value of his people by his actions. We should value our brothers and sisters in Christ the way he does. Forgive them. In doing so we are emulating Jesus.

I. Howard Marshall

Seventy Times Seven Sin Judgement And Forgiveness In Matthew:

Seventy Times Seven Thomas W. Buckley,1991-01-01 Buckley studies the nature of sin the judgment of God and the divine forgiveness Jesus offers us as proclaimed in the Gospel of Matthew The Gospel of Matthew John Nolland,2005-11-01 Having devoted the past ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel s sources or historical background Nolland places his central focus on the content and method of Matthew s story His work explores Matthew s narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark s presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew s Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on the latest Greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches Nolland s Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew s presentation of the gospel narrative

Guilt, Forgiveness, and Moral Repair Maria-Sibylla Lotter,Saskia Fischer,2022-01-03 In current debates about coming to terms with individual and collective wrongdoing the concept of forgiveness has played an important but controversial role For a long time the idea was widespread that a forgiving attitude overcoming feelings of resentment and the desire for revenge was always virtuous Recently however this idea has been questioned The contributors to this volume do not take sides for or against forgiveness but rather examine its meaning and function against the backdrop of a more complex understanding of moral repair in a variety of social circumstantial and cultural contexts The book aims to gain a differentiated understanding of the European traditions regarding forgiveness revenge and moral repair that have shaped our moral intuitions today whilst also examining examples from other cultural contexts Asia and Africa in particular to explore how different cultural traditions deal with the need for moral repair after wrongdoing *St. Matthew: intr., authorized version, revised version with notes, ed. by W.F. Collective Sins in Africa Emmanuel K. Tshilenga,2005 Exposing Themselves Coralie E. Judah,2013-11 Born and raised in the Caribbean in the 50s and 60s one has a certain perception of those in authority as being good decent law abiding intellectuals So I was in for a shock when I had occasion to represent myself as a plaintiff in the Superior Court of Justice in Ontario Canada I was in for an even greater shock when I filed a criminal report about the illegal activities indulged in by lawyers judges and also by a visit from the police who not only bullied me but threatened to have me take a test for mental health issues if I contacted them again What was most unbelievable was what took place at landlord and tenant board hearings the blatant lies told not only by a judge at the board but a paralegal and her clients whom she

orchestrated and or facilitated in breaking the law to effect an illegal eviction What was even more disturbing was that those judges who accommodated the obvious lies told broke Section 139 2 of the Criminal Code of Canada to accommodate the paralegal as she not only attempted to but was successful in obstructing perverting and or defeating justice The actions of the authorities make one wonder if they are morally intellectually and spiritually bankrupt Hence the title of my next book Are We Being Prepared for Heaven or for Hell Coralie E Judah was born on a small island in the British Virgin Islands and was raised on another small island Montserrat She now resides in Ottawa Canada Publisher s website <http://sbprabooks.com> CoralieEJudah **Kept by the Power of God** I. Howard Marshall, 2008-12-01 This is a very controversial subject which disturbs many people If you do get disturbed it will be because of the emotion usually surrounding the subject of eternal security If you get upset it will NOT be caused by the manner in which Dr Marshall has presented the subject It is the contention of the author that there is biblical truth in both the Calvinistic and the Arminian position concerning this volatile subject and that each camp should candidly recognize the value of the other s positions John Wesley once wrote The truth of the Gospel is within a hairsbreadth of Calvinism Quite a concession for the chief spokesman of Arminianism Dr I Howard Marshall echoes the contention of Wesley and then goes even beyond it The full Arminian position is as much open to error as is extreme Calvinism My aim is to reach beyond the Calvinist Arminian controversy to a position which is biblical

Spiritual Identities Jo Carruthers, Andrew Tate, 2010 This collection of essays considers the return of the religious in contemporary literary studies In the twenty first century it is now possible to detect a new sacred turn in thought and writing For some writers this post secular identity plays itself out in both a recuperation of religious traditions Catholicism Puritanism Judaism and a re invention of the religious imaginary apophaticism messianism apocalypticism fundamentalism In literary studies the implications of the post secular are revitalizing critical engagement with canonical works and fuelling the reclaiming of neglected writings as questions of the construction of spiritual identities come once again to the fore
