Siberian Journey The Journal Of Hans Fries 1774 1776

Hans Jakob FRIES

Siberian Journey The Journal Of Hans Fries 1774 1776:

A Siberian Journey Hans Jakob Fries, 1974 **A Siberian Journey** Jakob Fries, 1975 Translation of Fries's journal of a journey through southern Russia and Siberia to the Chinese borders with a review of Siberian travel accounts in period 1725-1825 and a short biography of Fries **A Siberian Journey** Hans J. Fries, 2019-04-15 First published in 1955 in German this journal published here in English for the first time describes the adventures of a young Swiss surgeon who sought his fortune in eighteenth century Russia where he eventually made his mark and rose to a high position The journal covers his journey to Southern Russia and his service there during the campaigns of 1770-74 and gives a day by day account of his trip through Siberia to the Chinese borders as a surgeon assisting a recruiting officer Fries's simple straightforward and fresh narrative provides a vivid human introduction to the little known land and people of Siberia In contrast to the more scientific specialist works of other eighteenth century discoverers in Siberia Fries's account conveys the special lure of the country with lively descriptions of the ordinary life of its inhabitants of the town and countryside of nature people customs and impressions Their travels took the two companions through all of Siberia to the very borders of China and we gain a valuable glimpse of the relations between Russians and Chinese at the time Along the way we also meet numerous westerners whom a strange fate had brought to this isolated enigmatic land To Fries's text is added a wide ranging introduction by Professor Kirchner which gives an account of the pioneering foreign scientists and tourists who travelled in Siberia during the century following the death of Peter the Great in 1725 Professor Kirchner traces the routes of their journeys and describes the written works some of them now classics which ensued The introduction thus provides an up to date bibliographical guide to the more elaborate and scholarly works which are supplemented by the new perspective on political and daily life in Siberia provided by the journal of Hans Jakob Fries **A Siberian journey. The journal of Hans Jakob Fries, 1774-1776. Translated ... and edited with a bibliographical introduction by Walther Kirchner** Hans Jakob FRIES, 1974 *In the Land of the Romanovs* Anthony Cross, 2014-04-27 Over the course of more than three centuries of Romanov rule in Russia foreign visitors and residents produced a vast corpus of literature conveying their experiences and impressions of the country The product of years of painstaking research by one of the world's foremost authorities on Anglo-Russian relations *In the Lands of the Romanovs* is the realization of a major bibliographical project that records the details of over 1200 English language accounts of the Russian Empire Ranging chronologically from the accession of Mikhail Fedorovich in 1613 to the abdication of Nicholas II in 1917 this is the most comprehensive bibliography of first hand accounts of Russia ever to be published Far more than an inventory of accounts by travellers and tourists Anthony Cross's ambitious and wide ranging work includes personal records of residence in or visits to Russia by writers ranging from diplomats to merchants physicians to clergymen gardeners to governesses as well as by participants in the French invasion of 1812 and in the Crimean War of 1854-56 Providing full bibliographical details and concise but informative annotation for each entry this substantial bibliography will

be an invaluable tool for anyone with an interest in contacts between Russia and the West during the centuries of Romanov rule

A History of Tatarstan Kees Boterbloem, 2023-10-10 A History of Tatarstan The Russian Yoke and the Vanishing Tatars surveys the history of the Tatar people living along the Volga river It argues that the Volga Tatars were Russia's first colonized people and after their subjugation in 1552 the Tatars have been continually mistreated by their Russian rulers even when the nature of the Russian regime changed over time For a long period the Tatars managed to evade overly deep Russian intrusion into their lives after the middle of the 1850s Russian and Soviet authorities obliterated their traditional way of life Despite efforts at restoring a measure of Tatar independence in the 1990s russification has led to a marked fall in those identifying as Tatar in the Russian Federation pointing at the possibility of a disappearance altogether of the Volga Tatars

A Siberian Journey Hans Jakob Fries, 1974 *West of the Revolution* Claudio Saunt, 2014-06-09 Claudio Saunt is an advisor for THE AMERICAN REVOLUTION a film by Ken Burns Sarah Botstein and David Schmidt on PBS This panoramic account of 1776 chronicles the other revolutions unfolding that year across North America far beyond the British colonies In this unique history of 1776 Claudio Saunt looks beyond the familiar story of the thirteen colonies to explore the many other revolutions roiling the turbulent American continent In that fateful year the Spanish landed in San Francisco the Russians pushed into Alaska to hunt valuable sea otters and the Sioux discovered the Black Hills Hailed by critics for challenging our conventional view of the birth of America West of the Revolution coaxes our vision away from the Atlantic seaboard and exposes a continent seething with peoples and purposes beyond Minutemen and Redcoats Wall Street Journal

Russia in Manchuria Paul Dukes, 2022-01-31 Manchuria the name given to China's North eastern provinces by foreign powers has been contested by China Russia and Japan in particular over many centuries This book surveys the history of Manchuria focusing particularly on the Russian and Soviet perspective It outlines early colonisation of the region and examines the importance of the Chinese Eastern Railway a branch of the Trans Siberian Railway and the remarkable railway city of Harbin for consolidating the Russian presence in the region and for developing the region's economy It goes on to consider twentieth century developments including the Japanese invasion and the puppet state of Manchukuo Throughout the book reflects on the nature of empire especially Russian Soviet imperialism and its similarities to and differences from other nations imperial ventures

Travels in Siberia Ian Frazier, 2010-10-12 A Dazzling Russian travelogue from the bestselling author of Great Plains In his astonishing new work Ian Frazier one of our greatest and most entertaining storytellers trains his perceptive generous eye on Siberia the storied expanse of Asiatic Russia whose grim renown is but one explanation among hundreds for the region's fascinating enduring appeal In *Travels in Siberia* Frazier reveals Siberia's role in history its science economics and politics with great passion and enthusiasm ensuring that we'll never think about it in the same way again With great empathy and epic sweep Frazier tells the stories of Siberia's most famous exiles from the well known Dostoyevsky Lenin twice Stalin numerous times to the lesser known like Natalie Lopukhin banished by the empress for copying her dresses to

those who experienced unimaginable suffering in Siberian camps under the Soviet regime forever immortalized by Aleksandr Solzhenitsyn in *The Gulag Archipelago* *Travels in Siberia* is also a unique chronicle of Russia since the end of the Soviet Union a personal account of adventures among Russian friends and acquaintances and above all a unique captivating totally Frazierian take on what he calls the amazingness of Russia a country that for all its tragic history somehow still manages to be funny *Travels in Siberia* will undoubtedly take its place as one of the twenty first century s indispensable contributions to the travel writing genre
