Who Decides? Nina Namaste, Marta Nadas, 2018-03-12 How is the meaning of food created communicated and continually transformed How are food practices defined shaped delineated constructed modified resisted and reinvented by whom and for whom These are but a few of the questions Who Decides Competing Narratives in Constructing Tastes Consumption and Choice explores Part I Taste Authenticity Identity explicitly centres on the connection between food and identity construction Part II Food Discourses focuses on how food related language shapes perceptions that in turn construct particular behaviours that in turn demonstrate underlying value systems Thus as a collection this volume explores how tastes are shaped formed delineated and acted upon by normalising socio cultural processes and in some instances how those very processes are actively resisted
