Siege Of Azadi Square A Novel Of Revolutionary Iran:

Farewell Shiraz Cyrus Kadivar, 2017-06-16 A poignant memoir of pre 1979 Iran and the human drama behind the fall of the last shah In October 1999 during a trip to Cairo Cyrus Kadivar an exiled Iranian living in London visited the tomb of the last shah and opened a Pandora's box Haunted by nostalgia for a bygone era he recalled a protected and idyllic childhood in the fabled city of Shiraz and his coming of age during the 1979 Iranian revolution Back in London he reflected on what had happened to him and his family after their uprooting and decided to conduct his own investigation into why he lost his country He spent the next ten years seeking out witnesses who would shed light on the last days of Pahlavi rule Among those he met were a former empress ex courtiers disaffected revolutionaries and the bereaved relatives of those who perished in the cataclysm In Farewell Shiraz Kadivar tells the story of his family and childhood against the tumultuous backdrop of twentieth century Iran from the 1905 1907 Constitutional Revolution to the fall of Mohammad Reza Shah Pahlavi before presenting accounts of his meetings with key witnesses to the Shah's fall and the rise of Khomeini Each of the people interviewed provides a richly detailed picture of the momentous events that took place and the human drama behind them Combining exquisite vignettes with rare testimonials and first hand interviews Farewell Shiraz draws us into a sweeping yet often intimate account of a vanished world and offers a compelling investigation into a political earthquake whose reverberations still live with us today *Women and Revolution in Africa, Asia, and the New World* Mary Ann Tétreault, 1994

The contributors use a variety of theoretical approaches to analyze how women as a class have experienced specific twentieth century revolutions They identify the issues that prompted women to participate in the struggles the roles they played the contributions they made and their hopes for better lives for themselves as women in the post revolutionary society

reported from over 120 countries for many leading news organizations but her perceptive coverage of Iran has garnered her the most respect and praise among her colleagues She demonstrates why Iran s Islamic revolution equals the French and Russian revolutions in new ideas and impact while standing alone as the last great revolution of the modern era **New Books on Women and Feminism** ,1991 Iran Revisited Ali Pirzadeh,2016-04-20 This book examines Modern Iran through an interdisciplinary analysis of its cultural norms history and institutional environment The goal is to underline strengths and weaknesses of Iranian society as a whole and to illustrate less prescriptive explanations for the way Iran is seen through a lens of persistent collective conduct rather than erratic historical occurrences Throughout its history Iran has been subject to many studies all of which have diagnosed the country s problem and prescribed solutions based on certain theoretical grounds This book intends to look inward seeking cultural explanations for Iran s perpetual inability to improve its society The theme in this book is based on the eloquent words of Nasir Khusrau a great Iranian poet az mast ki bar mast The words are from a poem describing a self adoring eagle that sees its life abruptly ended by an arrow winged with its own feathers the bird is doomed by its own vanity The closest interpretation of this idiom in Western Christian culture is you reap what you sow which conveys a similar message that underlines one s responsibility in the sense that sooner or later we must face the choices we make This would enable us to confront and live up to what Iran s history and culture have taught us
