

Louis Xivs Army

Olaf van Nimwegen

Louis XIVs Army:

Louis XIV's Army René Chartrand, 1988-11-24 Louis XIV's army was in many ways the first modern army. After assuming power in 1661, Louis abolished the post of Colonel General of Infantry so he could exercise direct control over the armed forces in his realm. The king demanded order, discipline, and absolute loyalty from his army, and he introduced a military draft. In 1688, the first step towards what we know as conscription in modern armies. This book chronicles the development of Louis XIV's army during his 54-year reign, including the units, uniforms, and weapons of the elite Maison du Roi. Numerous illustrations portray the uniforms, colours, and standards of his troops in vivid detail.

The Dynastic State and the Army under Louis XIV Guy Rowlands, 2002-08-29 The personal rule of Louis XIV witnessed a massive increase in the size of the French army and an apparent improvement in the quality of its officers, its men, and the War Ministry. However, this is the first book to treat the French army under Louis XIV as a living political, social, and economic organism, an institution which reflected the dynastic interests and personal concerns of the king and his privileged subjects. The book explains the development of the army between the end of Cardinal Mazarin's ministry and the outbreak of the War of the Spanish Succession, emphasising the awareness of Louis XIV and his ministers of the need to pay careful attention to the condition of the king's officers and to take account of their military, political, social, and cultural aspirations.

Princes, Posts and Partisans George Satterfield, 2003-08-01 This volume explores French partisan warfare in the Spanish Netherlands during the Dutch War, 1672-78. It considers such practices as contributions, fire raids, and blockades before sieges. The author relies extensively on archival sources and in many cases explores events that have been passed over by similar studies. Louis XIV and his generals used partisan warfare to fit a strategy of exhaustion to ensure territorial conquest. The French army's reliance on partisan warfare reveals the limitations of the war-making potential of Louis XIV's state at the same time it leads to the emergence of a more modern practice of military operations to pursue theater strategic objectives.

Vauban and the French Military Under Louis XIV Jean-Denis G.G. Lepage, 2009-12-21 A man of inventiveness, versatility, and reformist ideas, Marshal Sébastien Le Prestre de Vauban built a formidable ring of fortresses to protect France's national frontiers. More than just a fortification designer, Vauban was also a gifted economist, author, and political strategist. This book tells the complete story of Vauban's exceptional career, placing him within the framework of Louis XIV's reign and revealing his lasting influences in France and other nations. With the aid of numerous detailed drawings, 17th-century bastioned fortification, artillery, and siege warfare are described in detail. Vauban's fortifications that are still standing today are particularly highlighted.

International Politics and Warfare in the Age of Louis XIV and Peter the Great William Young, 2004 The Peace of Westphalia, 1648, ending the Thirty Years War, resulted in the rise of the modern European states system. However, dynasticism, power, politics, commerce, and religion continued to be the main issues driving international politics and warfare. Dr. William Young examines war and diplomacy during the Age of Louis XIV and Peter the Great. His study focuses on the

later part of the Franco Spanish War the Wars of Louis XIV and the Anglo Dutch Wars in the West In addition the author explores the wars of the Baltic Region and East Europe including the Thirteen Years War Second Northern War War of the Holy League and the Great Northern War The study includes a guide to the historical literature concerning war and diplomacy during this period It includes bibliographical essays and a valuable annotated bibliography of over six hundred books monographs dissertations theses journal articles and essays published in the English language International Politics and Warfare in the Age of Louis XIV and Peter the Great is a valuable resource for individuals interested in the history of diplomacy warfare and Early Modern Europe *The Dynastic State and the Army Under Louis XIV* Guy Rowlands, 2002

Wars and Soldiers in the Early Reign of Louis XIV Bruno Mugnai, 2021-07-15 It was a commonplace that Italy offers little of interest to military historians after the full flower of the Renaissance and that it had been deservedly forgotten *Wars and Soldiers in the Early Reign of Louis XIV* Bruno Mugnai, 2019 The Army of Louis XIV is frequently depicted as being the apogee of the early modern standing army It was large well organised and the product of the French Absolutist Monarchy However since the beginning of the 17th century the United Provinces pioneered important improvements in military administration and training and their army was long co *Wars and Soldiers in the Early Reign of Louis XIV*. Bruno Mugnai, 2019 Permanent armies became an organic feature of the Old Regime a symbol of its power and strength the means by which the prince could defend his interest and play an active role in the International policy The Imperial Army represents an interesting laboratory which involved the multicultural Habsburg s domains and the Holy Roman Germanic Empire

Wars and Soldiers in the Early Reign of Louis XIV Volume 4 Bruno Mugnai, 2020-11-19 It has been a commonly held historical belief that in the second half of the 17th century the Spanish army suffered such catastrophic defeats that it effectively brought about the collapse of the state as a major player on the European stage The wars fought out in Catalonia Franche Comte Flanders and Italy resulted in a series of substantial defeats for Spain The forces of Louis XIV carried all before them Spain s ability to fend off the French monarch s assault was not eased by the fact that at the same time Spain had faced the Portuguese in the Iberian Peninsula the English in the Caribbean the Algerians in Melilla as well as further insidious French assault in southern Italy and in the colonies In this regard it would be more correct to consider this age as a period of resilience rather than military defeats Equally superficially the Portuguese War of Independence too was considered as a peripheral conflict of minor interest while it also involved France and England in addition to the countries directly concerned The story organization uniforms and equipment of the Spanish and Portuguese armies of this age are dealt for the first time in a single book after archive s sources and unpublished iconography *The Armies and Wars of the Sun King 1643-1715* René Chartrand, 2020 Louis XIV s army in the War of the League of Augsburg with a focus on the campaigns the Irish contingent and the cavalry **The Armies and Wars of the Sun King 1643-1715** René Chartrand, 2019 Volume 1 of the Sun King s wars and armies goes from his early and turbulent years from the resounding

victory over Spain at Rocroi in 1643 the unstable years of the Fronde civil wars his seizure of absolute power in 1661 his immediate control of national finances and armed forces his measures to create the most effective army in Europe the i

The Armies and Wars of the Sun King, 1643-1715: The guard of Louis XIV René Chartrand, 2019 Giant of the Grand Siècle John A. Lynn, 1997-06-13 An invisible giant the seventeenth century French army was the largest and hungriest institution of the Bourbon monarchy Combining social and cultural emphases with more traditional institutional and operational concerns this book examines the army in depth studying recruitment composition discipline motivation selection of officers leadership administration logistics weaponry tactics field warfare and siegecraft The portrait that emerges differs from what current scholarship might have predicted Instead of claiming that a military revolution transformed warfare Lynn stresses evolutionary change This work also offers surprising insights into absolutism and the relationship between the monarchy and aristocracy Questioning widely held assumptions about state formation and coercion Lynn argues that this standing army was primarily devoted to border defence and only rarely to internal repression **The Dutch Army and the Military Revolutions, 1588-1688** Olaf van Nimwegen, 2010 With the advent of William III of Orange as Captain General of the Union the Dutch introduced revolutionary changes in military organisation reforms adopted by the English army and established an efficient standing army capable of withstanding attacks by Louis XIV of France Book Jacket **The French Wars 1667-1714** John A Lynn, 2014-06-06 Campaigns fought by Louis XIV the Sun King shaped the borders of European states the destinies of royal dynasties and even the patterns of absolutist government This book presents the most authoritative yet accessible and succinct account of these all important struggles available today covering every aspect of the wars from decisions made by the king at his palace at Versailles to the life of the troops encamped in the field Focusing on the French army the greatest military force of the age this tale of violence victory and victims balances siege and battle in a way that tells us much that is new about the Sun King and his adversaries *The Failure of Louis XIV's Dutch War* Carl J. Ekberg, 1979 Begun as a royal adventure to enhance the glory of the king the Dutch War sparked serious debate within the French government over the relationship of the ruler to the state Ekberg focuses on one significant year of the war and explains how despite opposition by several counselors the king escalated the original conflict into a full European war and wrought a dramatic shift in French policy The study is arranged thematically to bring clarity to a period of complex issues Originally published in 1979 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *The Cambridge Illustrated History of Warfare* Geoffrey Parker, 2021-08-05 The new edition of The Cambridge Illustrated History of Warfare offers an updated comprehensive account of Western warfare from its origins in Classical Greece and Rome through the Middle Ages and the early modern period down to the wars of the twenty first century in

Afghanistan Iraq and Syria **Wars and Soldiers in the Early Reign of Louis XIV Volume 3** Bruno Mugnai,2020-05-19
Organization composition and history of the army of the Sublime Porte in the age of the maximum expansion of the Empire

European Warfare, 1350-1750 Frank Tallett,D. J. B. Trim,2010-01-28 The period 1350 1750 saw major developments in European warfare which not only had a huge impact on the way wars were fought but also are critical to long standing controversies about state development the global ascendancy of the West and the nature of military revolutions past and present However the military history of this period is usually written from either medieval or early modern and either Western or Eastern European perspectives These chronological and geographical limits have produced substantial confusion about how the conduct of war changed The essays in this book provide a comprehensive overview of land and sea warfare across Europe throughout this period of momentous political religious technological intellectual and military change Written by leading experts in their fields they not only summarise existing scholarship but also present new findings and new ideas casting new light on the art of war the rise of the state and European expansion

The Enthralling Realm of E-book Books: A Detailed Guide Revealing the Benefits of E-book Books: A World of Ease and Flexibility Kindle books, with their inherent portability and simplicity of access, have liberated readers from the constraints of physical books.
