**Art, Creativity and Imagination in Social Work Practices** Prue Chamberlayne,Martin Smith,2019-07-09 Harnessing the inspiration available from the arts and the imagination brings to life sensitive and effective social work practice Workers feel most satisfied while service users and communities are more likely

to benefit when creative thinking can be applied to practice dilemmas Drawing on contributions from Canada England and Utrecht this book illustrates the transforming effect of creatively applied thinking to social problems The first part of the book considers how use of the self can be enhanced by analytic reflection and application to difficulties facing individuals and communities The second part shows psychodynamic theory to be a valuable aid when thinking about issues faced by social workers facing threats and accusations therapeutic work with children and restorative youth justice The third part of the book considers the implications of working with the arts in community settings an ex mining community in North West England the Tate Gallery in London and the cultural capital of Liverpool Taken as a whole these chapters combine to inspire and provoke thought of how the arts and the imagination can be used creativity to help service users confronted by problems with living and the workers who attempt to get alongside them to think about these This book was published as a special issue of the Journal of Social Work Practice      *Best Practice in Social Work* Karen Jones, Barry Cooper, Harry Ferguson, 2007-11-27 Social work has laboured too long under a deficit model that focuses on failings and problems of practice Emphasising best practice strengths and collaborative partnership this ambitious book seeks to redress the balance Undergraduate and post qualifying social work students alike will find it a useful resource      **Emotional States** Eleanor Jupp, Jessica Pykett, Fiona M. Smith, 2016-10-14 What is the political allure value and currency of emotions within contemporary cultures of governance What does it mean to govern more humanely Since the emergence of an emotional turn in human geography over the last decade the notion that our emotions matter in understanding an array of social practices spatial formations and aspects of everyday life is no longer seen as controversial This book brings recent developments in emotional geography into dialogue with social policy concerns and contemporary issues of governance It sets the intellectual scene for research into the geographical dimensions of the emotionalized states of the citizen policy maker and public service worker and highlights new research on the emotional forms of governance which now characterise public life An international range of empirical field studies are used to examine issues of regulation modification governance and potential manipulation of emotional affects professional and personal identities and political technologies Contributors provide analysis of the role of emotional entanglements in policy strategy policy implementation service delivery citizenship and participation as well as considering the emotional nature of the research process itself It will be of interest to researchers and students within social policy human geography politics and related disciplines      *Making Policy Move* Clarke, John, Bainton, Dave, Noémi Lendvai, Paul Stubbs, 2015-04-15 Responding to the increasing interest in the movement of policies between places sites and settings this timely book presents an alternative to critical approaches that center on ideas of policy transfer dissemination or learning With profound implications for policy studies contributors instead treat policy s movement as an active process of translation in which policies are interpreted inflected and reworked as they change location Mixing collectively written chapters with individual case studies of policies and practices this book provides an exciting accessible

and novel analytical and methodological foundation for rethinking policy studies through translation      Practising Social Work Sociologically Priscilla Dunk-West, Fiona Verity, 2018-02-13 This timely and much needed text book presents an innovative theoretically based approach that helps students practitioners and researchers alike orientate their view and sensibilities in a rapidly evolving modern world Traditional social work approaches are often ill equipped to take into account the emerging social change which has resulted from technological change globalisation and mobilities as well as environmental change By bringing sociological social work perspectives to contemporary practice it draws on concepts from a range of disciplines in recognition that we are collective thinkers and actors and that our ideas are shaped by what we read and build upon Whether taking a social work theory module or preparing for placement this sociological perspective provides a crucial foundation for practice and puts the social back in to social work      **Ethics and Value Perspectives in Social Work** Mel Gray, Stephen A. Webb, 2010-05-19 This agenda setting text explores a broad range of value perspectives and their impact on and contribution to social work thinking on ethics Including new perspectives such as Islam and drawing on international contributors this is essential reading for all social work students studying ethics and values      *Working with Older People* John Harris, Denise Tanner, 2007-10-11 Working with older people has become an increasingly important part of social work education and practice Whether studying community care adult services human growth and development or social work processes and interventions this book will be a vital source of information and help Working with Older People provides a framework of knowledge skills and values pertinent to qualifying social work courses and the new post qualifying award in Social Work with Adults including discussion of ideas about human development and theories of older age legislation social policy and social welfare skills for working with older people assessment and care planning partnership working Written by two experienced educators and practitioners this key text facilitates individual or group learning through features such as objectives for each chapter case studies and further reading suggestions There are numerous activities throughout the book and the final chapter contains pointers to consider for all of the activities It will be essential reading for social work students and qualified social workers      **Contemporary Fathering** Brid Featherstone, 2009-04-15 APPROVED BY AUTHOR Since 1997 child welfare services have been faced with new demands to engage fathers or to develop father inclusive services This book emerges from work by the author as a researcher and educator over many years on the issues posed by this agenda for child welfare practitioners in a variety of contexts In locating fathers fathering and fatherhood within historical and social landscapes the book addresses issues seldom taken up in practice settings It explores diversity and complexity in fathering in different disciplines such as psychoanalysis sociology and psychology and analyses contemporary developments in social policies and welfare practices The author employs a feminist perspective to highlight the opportunities and dangers in contemporary developments for those wishing to advance gender equity A key strength of Contemporary fathering is its interdisciplinary focus It will be required reading for graduate and postgraduate students of

social work social policy sociology and child and family studies Academic researchers will also find the book invaluable because of its breadth of scholarship      **An A-Z of Social Work Theory** Malcolm Payne, 2021-09-15 Puzzled by terminology skills law or theory Revising for your placement or exam Then look no further This series of concise and easy to use A Zs will be your guide Designed for both students and newly qualified social workers this book will introduce you to over 350 key theories theorists and concepts in a concise and no nonsense way Careful cross referencing will help you make important connections while selected further reading will provide you with a springboard to further learning      **The Tenacity of the Couple-Norm** Sasha Roseneil, Isabel Crowhurst, Tone Hellesund, Ana Cristina Santos , Mariya Stoilova , 2020-11-05 The Tenacity of the Couple Norm explores the ongoing strength and insidious grip of couple normativity across changing landscapes of law policy and everyday life in four contrasting national contexts the UK Bulgaria Norway and Portugal By investigating how the couple norm is lived and experienced how it has changed over time and how it varies between places and social groups this book provides a detailed analysis of changing intimate citizenship regimes in Europe and makes a major intervention in understandings of the contemporary condition of personal life The authors develop the feminist concept of intimate citizenship and propose the new concept of intimate citizenship regime offering a study of intimate citizenship regimes as normative systems that have been undergoing profound change in recent decades Against the backdrop of processes of de patriarchalization liberalization pluralization and homonormalization the ongoing potency of the couple norm becomes ever clearer      Collaborative Governance and Public Innovation in Northern Europe Annika Agger, Bodil Damgaard, Andreas Hagedorn Krogh , Eva Sørensen, 2015-04-06 Governments all over Northern Europe have placed public innovation high on the political agenda and pursuing public innovation through multi actor collaboration such as public private partnerships and governance networks appears to have particular potential Collaborative Governance and Public Innovation in Northern Europe draws up the emergent field of collaborative public innovation research and presents a series of cutting edge case studies on collaborative forms of governance and public innovation in Northern Europe The edited volume offers scholarly reflections empirical testimonies and learning perspectives on recent transformations of governance and the way in which new public policies services and procedures are formulated realized and diffused Through the empirical case studies the book discusses some of the wider political and social drivers barriers promises and pitfalls of collaborative public innovation initiatives in some European nations Collaborative Governance and Public Innovation in Northern Europe will stimulate debates among scholars and decision makers on how new forms of collaborative governance might enhance the capacity for public innovation and help in developing solutions to some of the most acute and wicked governance problems of our time
