

Tues. Eve.

Dear Warren,

The radio is playing "If I Could Be With You One Hour Tonight." Guess I shouldn't but I do somehow. Frankly I don't know what has come over me. All I know is that I want to be with you. Even after what you told me last nite I want to see you. Take a rain check on that cup of coffee, and I wish I could have it before I ~~left~~ leave this part of the U. S. & before you leave. After all I don't think you are going to stay home anyway. Why does things like this have to happen I keep asking myself. Maybe it's one of these milestones on this life. Anyway drop me a line - at the Mc Beebe - if we don't get a room there we'll stop & collect our mail since it's we left it as a forwarding address!

Love Letters From A War:

Love Letters of the Great War Mandy Kirkby, 2014-01-16 From the private papers of a young Winston Churchill to the tender notes of an unknown Tommy in the trenches Love Letters of the Great War is a collection of profound intimate and heartfelt letters written during World War One Many of the letters collected here are eloquent declarations of love and longing others contain wrenching accounts of fear jealousy and betrayal and a number share sweet dreams of home But in all the correspondence whether from British American French German Russian Australian and Canadian troops in the height of battle or from the heartbroken wives and sweethearts left behind there lies a truly human portrait of love and war A century on from the First World War these letters offer an intimate glimpse into the hearts of men and women separated by conflict and show how love can transcend even the bleakest and most devastating of realities Edited and introduced by Mandy Kirkby with a foreword from Women's Prize winner Helen Dunmore **Hearts in Winter** Gerry Parish, Gerri Raines, Richard C. What is it like to fall in love with a soldier What is it like to be a soldier in love Throughout history those serving in the British Army have combined romantic relationships with their military duties In wartime especially all the usual emotions experienced by men and women in love are felt to a heightened degree The sense of danger and the sometimes years of separation imposed by service abroad make the heartache of loss and the joy of reunion all the greater For loved ones parted by war writing has always been of crucial importance in maintaining contact Even when it was difficult to send a letter or not easy to explain feelings when one could soldiers be they generals young officers or privates have persevered In a celebration of love on the frontline during the First and Second World Wars the archives of the National Army Museum replete with letters diaries and photographs are thrown open to reveal fascinating stories of soldiers their wives and sweethearts Love found love lost and love enduring all have their place in the pages of this book *The School of War* Alexandre

Najjar, 2014-05-14 All wars are alike What I experienced in Lebanon others experienced in France in Spain in Yugoslavia or elsewhere Yes all wars are alike because while weapons change the men who wage and are subjected to war do not in the least Alexandre Najjar was eight when Lebanon erupted into a bloody and brutal conflict he was twenty three when the guns at last fell silent After seven years of voluntary exile spent clearing his mind from the unbearable nightmare of civil war he is now back amongst his family and friends and the past is quickly catching up with him As he reacquaints himself with his bullet riddled city Alexandre is haunted by vivid memories which he sets down with extraordinary imagination and humour Sometimes nostalgic and sometimes brutal and shocking The School of War offers unforgettable insights into the experience of childhood in war *Love Letters from World War II* Russell Dalton, Janet Honek, 2020 What would you write to your young wife when you enlist in the Army to fight the Nazis during World War II This book tells that story Bob Dalton wrote a series of almost daily letters home during his service from 1944 1946 This is not a book of combat exploits but a true life story of what it meant to have a wife and baby at home while serving your country in WWII and the burden it placed on GIs and their families The letters frankly discuss the challenges of life because they were only intended to be read by his wife We found this trove of letters along with hundreds of original photos that illustrate the book after our mother passed away in 2018 We felt that we should share their story Each letter begins and ends with his love for his family that he left behind to fight He shares his experiences in boot camp in South Carolina the trip to the front crossing the Rhine with Patton's Third Army and then battling to the Czech border by war's end His mission changed to demilitarization and denazification until the Russians occupied Saxony as part of East Germany Then he spent a year as part of the Allied occupation forces in Frankfurt dealing with postwar reconstruction and the U S Army bureaucracy The war changed our father and reading these letters changed our image of him and the other members of the Greatest Generation Dear Anne Barbara Whittington, 2016-11-01 Letters between a soldier in combat in the Vietnam War and his new bride back home **War and Displacement in the**

Twentieth Century Sandra Barkhof, Angela K. Smith, 2014-03-14 Human displacement has always been a consequence of war written into the myths and histories of centuries of warfare However the global conflicts of the twentieth century brought displacement to civilizations on an unprecedented scale as the two World Wars shifted participants around the globe Although driven by political disputes between European powers the consequences of Empire ensured that Europe could not contain them Soldiers traversed continents and civilians often followed them or found themselves living in territories ruled by unexpected invaders Both wars saw fighting in Europe Africa the Middle East and the Far East and few nations remained neutral Both wars saw the mass upheaval of civilian populations as a consequence of the fighting Displacements were geographical cultural and psychological they were based on nationality sex gender or age They produced an astonishing range of human experience recorded by the participants in different ways This book brings together a collection of interdisciplinary works by scholars who are currently producing some of the most innovative and influential work on the subject of displacement in war in order to share their knowledge and interpretations of historical and literary sources The collection unites historians and literary scholars in addressing the issues of war and displacement from multiple angles Contributors draw on a wealth of primary source materials and resources including archives from across the world military records medical records films memoirs diaries and letters both published and private and fictional interpretations of experience

Ghosts of War Paul Robinson, 2018-07-17 Ghosts of War is a fast paced science fiction thriller that takes you beyond the edge of the galaxy to answer one question how far will a man go for revenge *Private Life and Privacy in Nazi Germany* Elizabeth Harvey, Johannes Hürter, Maiken Umbach, Andreas Wirsching, 2019-07-18 Highlights the surprising ways in which the Nazi regime permitted or even fostered aspirations of privacy *Great War Modernists* Lee M. Jenkins, 2024-07-11 Taking 44 Mecklenburgh Square as the focal point and springboard for a critical group study of D H Lawrence H D and Richard Aldington this book offers a fresh perspective on the relationship of modernist biofiction and poetry to the literature of the First World War A group that Perdita Schaffner described as another Bloomsbury set the Mecklenburgh Square writers like the Bloomsbury Group proper lived in squares and loved in triangles in Dorothy Parker's famous formulation Geographically adjacent these sets intersected socially and at points in their aesthetics both practiced innovative forms of what may broadly be defined as life writing But demarcating the Mecklenburgh Square writers from the Bloomsbury Set the former had its origins in the transatlantic avant garde Lawrence H D Aldington and John Cournos were all associated with Imagism the poetic movement which instantiated Anglo American modernism Considered as a pro tem collective these four poets all of whom were also novelists and translators contest the binaries that still obtain between modernist and First World War writing This group study of Lawrence H D Aldington and Cournos tracks the transition of Imagism from a pre war mode to a war poetics which includes but is not confined to the trench lyric and it traces in the transtextual relations between the Mecklenburgh Square novels the traumatic imprint of the war on modernist life writing *Southern Families at War*

Catherine Clinton,2000-08-10 Whether it was planter patriarchs struggling to maintain authority or Jewish families coerced by Christian evangelicalism or wives and mothers left behind to care for slaves and children the Civil War took a terrible toll From the bustling sidewalks of Richmond to the parched plains of the Texas frontier from the rich Alabama black belt to the Tennessee woodlands no corner of the South went unscathed Through the prism of the southern family this volume of twelve original essays provides fresh insights into this watershed in American history **Dear Joan** Joan Charles,Tony

Ross,2011-04-01 Dear Joan comprises a unique series of letters between a young airman Tony Ross and Joan Charles a girl whom he met briefly in England before he was posted to the Mediterranean during the Second World War Through these letters the book traces the development of their relationship from friendship to long lasting love With the enthusiasm of youth Tony and Joan share their dreams of an ideal life in a reconstructed post Second World War Britain Joan s letters reveal the problems of daily life in wartime Britain and give an insight into her voluntary work for the Fire Guard the land army and the Red Cross and the bureaucracy she encounters in her job with the Civil Service Meanwhile Tony describes the challenges of life in the desert his increasing responsibilities in the RAF and his experiences in the numerous countries he visits throughout the Middle East Dear Joan is a touching account of how Tony s and Joan s love began with a chance wartime encounter and quickly blossomed through letters exchanged throughout the Second World War across the miles that separated them **The Literature of America: From the beginning to the civil war** Arthur Hobson Quinn,Albert Croll

Baugh,Will David Howe,1929 *Landscapes and Voices of the Great War* Angela K. Smith,Krista Cowman,2017-02-03 This volume continues the recent trend towards expanding definitions of war experience through considering a range of different landscapes and voices Not all landscapes were comprised of trenches and barbed wire Voices supporting or dissenting were many and varied Collectively they combine to offer fresh insights into the multiplicity of war experience alternate spaces to the familiar tropes of mud and mayhem *American World War II Orphans Network* ,2005-03 **Letters of Love and War**

Gregory Hugh Brown,2021-10-20 Letters of Love and War is an apt title I believe because it capsulizes the emotion that young people of the Great Generation must have experienced from being torn apart by the ravages of war These letters present an honest and straightforward account of their struggle and how they remained resilient throughout preserving their love for each other and for their country The book has letters that range from the mundane to the sublime and yet maintain consistency throughout One can experience a one on one immediacy from reading their letters and those of their loved ones One is swept up and brought back in time to 1944 and 1945 when the world was at war and all of America was united with the effort to win and defeat the evil forces that were attempting to destroy their country and the freedoms that they all enjoyed The letters bring the urgency of this effort home to us the reader We are one amongst them as we read letter after letter and empathize with the perils they had to endure Read the letters and you too will understand how lucky we were to have their great generation precede us The American Popular Novel After World War II David Willbern,2013-03-29

Through the perspectives of selected best selling novels from the end of World War II to the end of the 20th century including *The Catcher in the Rye* *To Kill a Mockingbird* *The Godfather* *Jaws* *Beloved* *The Silence of the Lambs* and *Jurassic Park* this book examines the crucial issues the U S was experiencing during those decades These novels represent the voices of popular conversations as Americans considered issues of family class racism and sexism feminism economic ambition sexual violence war law religion and science Through the windows of fiction the book surveys the Cold War and anti communism the prefeminist era of the 1950s and the sexual revolution of the 1970s forms of corporate power in the 1960s and 1980s the traumatic legacies of slavery and Vietnam the American fascination with lawyers cops and criminals alternate styles of romance in the era of late capitalism our abiding distrust of science and our steadfast wonder about the Great Mysteries
