***The Complete Guide to Keeping Your Houseplants Alive and Thriving*** Sandy Ann Baker, 2012

Houseplants are one of the most enduring members of any household. They provide a much-needed addition of color, fresh oxygen, and character to any room. They can add a boost to your mood, improve the quality of air in your home, and help relax you after a long day at work. But every houseplant needs a different amount of care, including water, food, and sunlight. Some plants, if they get too much light or too little water, will simply die without warning. To combat this, you need a complete guide to keeping your houseplants alive and happy.
