Primaeval History Interpreted:

Primaeval History Interpreted J.T.A.G.M. van Ruiten, 2022-05-20 This volume deals with the primaeval history in the Book of Jubilees an interpretative rewriting of the biblical narratives of Genesis through Exodus 19 written in the second century BCE It contains a close comparison of Genesis 1 11 and Jubilees 2 10 in order to get a clear picture of the specific way the biblical story was rewritten Each chapter offers an overall comparison of the parallel pericopes in Genesis and Jubilees with special attention to the structure of the passages It then gives a synoptic overview of the text of the parallel passages along with a classification e g addition omission variation rearrangement and analysis of the dissimilarities The work is important for those interested in the history of biblical interpretation in post biblical Jewish literature and in intertextuality Primeval

History: Babylonian, Biblical, and Enochic Helge Kvanvig, 2011-03-21 The book offers a comprehensive analytic comparison between the images of primeval history in Babylonia in the Hebrew Bible and the parallel Enochic traditions It presents new interpretations of each of these traditions and how they relate to each other **HĀ-'ĪSH MŌSHE: Studies in Scriptural**

Interpretation in the Dead Sea Scrolls and Related Literature in Honor of Moshe J. Bernstein Binyamin Y. Goldstein, Michael Segal, George J. Brooke, 2017-10-23 The eighteen studies in this volume in honor of Moshe Bernstein on the occasion of his 70th birthday mostly engage with Jewish scriptural interpretation the principal theme of Bernstein's own research career as expressed in his collected essays *Reading and Re-Reading Scripture at Qumran* Brill 2013 The essays develop a variety of aspects of scriptural interpretation Although many of them are chiefly concerned with the Dead Sea Scrolls the significant contribution of the volume as a whole is the way that even those studies are associated with others that consider the broader context of Jewish scriptural interpretation in late antiquity As a result a wider frame of reference for scriptural interpretation impinges upon how scripture was read and re-read in the scrolls from Qumran **A**

Companion to Biblical Interpretation in Early Judaism Matthias Henze, 2012-01-09 Presents eighteen commissioned articles on biblical exegesis in early Judaism covering the period after the Hebrew Bible was written and before the beginning of rabbinic Judaism from publisher description The Watchers in Jewish and Christian Traditions Angela Kim Harkins, Kelley Coblentz Bautch, John C. Endres, S. J. , 2014-02-01 Leading scholars explore the tradition rooted in Genesis 6 of the Watchers mysterious heavenly beings who became the focus of rich cosmological and theological speculation in early Judaism Chapters trace the development of the Watchers through the Enoch literature Jubilees and other early Jewish and Christian writings Scriptures and Sectarianism Collins, 2016 Essays representing ten years of John J Collins's expert reflection on Scripture and the Qumran community are here collected in a volume that is sure to be of interest to students and scholars of Early Judaism and the Dead Sea Scrolls Collins opens with the introductory chapter *What Have We Learned from the Dead Sea Scrolls* before offering essays on the authority and interpretation of Scripture historiography and the emergence of the Qumran sect and specific aspects of the sectarian worldview covenant and dualism the angelic world the

afterlife prayer and ritual and wisdom A concluding epilogue considers the account of the Suffering Servant and illustrates the relevance of the Dead Sea Scrolls for early Christianity **Rewritten Gospel** Jonathan M. Potter, 2024-12-30 How early Christian gospels were written is an old question that continues to engage scholars Moving beyond the traditional approach of reading Luke as a gentile gospel composed primarily using Greco Roman methods of history and biography writing this book argues that Luke's use of the earlier Gospel of Mark should be understood in the context of contemporaneous early Jewish writings known as Rewritten Scripture Texts like the Book of Jubilees and Josephus's Antiquities interpret Scripture by rewriting it in such a way that ambiguities and contradictions are diminished while also adapting it to contemporary beliefs and practices A similar strategy of interpretation through rewriting best explains Luke's reworking of Mark Even if Mark is not yet Scripture Luke's manner of rewriting Mark suggests that Luke views the earliest gospel as an authoritative narrative about Jesus that merits interpretive clarification and expansion rather than rejection or critique This approach offers solutions to various problems in the composition of Luke such as the combination of expansion and omission verbatim repetition and free paraphrase and it also places Luke's compositional process within a plausible ancient literary context

Greek Religion and Culture, the Bible, and the Ancient Near East Jan N. Bremmer, 2008 This book greatly enhances our knowledge of the interrelationship of Greek religion culture and the Ancient Near East by offering important analyses of Greek myths divinities and terms like a *magica* TM and paradise but also of the Greek contribution to the Christian notion of atonement **The Fall of the Angels** Christoph Auffarth, Loren T. Stuckenbruck, 2004 Fall of the Angels focuses on a biblical tradition whose significance has been recognised elaborated and explored in literature and art outside the Bible Its

extensive influence on religion and culture during the last two millennia is reflected in the wide variety of interpretations of this tradition among communities as they came to terms with religious identity in the face of opposition *Sharing and Hiding Religious Knowledge in Early Judaism, Christianity, and Islam* Mladen Popović, Lautaro Roig Lanzillotta, Clare Wilde, 2018-08-21 Few studies focus on the modes of knowledge transmission or concealment or the trends of continuity or change from the Ancient to the Late Antique worlds In Antiquity knowledge was cherished as a scarce good cultivated through the close teacher student relationship and often preserved in the closed circle of the initiated From Assyrian and Babylonian cuneiform texts to a Shi'ite Islamic tradition this volume explores how and why knowledge was shared or concealed by diverse communities in a range of Ancient and Late Antique cultural contexts From caves by the Dead Sea to Alexandria both normative and heterodox approaches to knowledge in Jewish Christian and Muslim communities are explored Biblical and qur'anic passages as well as gnostic rabbinic and esoteric Islamic approaches are discussed In this volume a range of scholars from Assyrian studies to Jewish Christian and Islamic studies examine diverse approaches to and modes of knowledge transmission and concealment shedding new light on both the interconnectedness as well as the unique aspects of the monotheistic faiths and their relationship to the ancient civilisations of the Fertile Crescent *Scriptural*

Interpretation at the Interface between Education and Religion Florian Wilk, 2018-09-24 Scriptural Interpretation at the Interface between Education and Religion examines prominent texts from Jewish Christian and Islamic communities with a view to determining to what extent education Bildung represents the precondition the central feature and or the aim of the interpretation of Holy Scripture in antiquity In particular consideration is given to the exegetical techniques the hermeneutical convictions and the contexts of intercultural exchange which determine the process of interpretation The volume contains a methodological reflection as well as investigations of scriptural interpretation in Jewish texts from the 2nd and 1st centuries B C E in New Testament writings and in witnesses from late ancient Christianity and in the Qur'an Finally it contains a critical appraisal of the scholarly oeuvre of Hans Conzelmann This work thus fosters scholarly understanding of the function of scriptural interpretation at the interface between education and religion

The Days of Creation Andrew J. Brown, 2019-05-21 The Days of Creation examines the history of Christian interpretation of the seven day framework of Genesis 1 1 2 3 in the Hebrew Bible Old Testament from the post apostolic era to the debates surrounding Essays and Reviews 1860 Included in the survey are patristic medieval Renaissance Reformation eighteenth century Enlightenment and finally early to mid nineteenth century interpretations of the days of creation The author shows that readings of Genesis 1 1 2 3 in the modern era have much deeper roots than is sometimes realized The day age scheme has roots in Augustine's figurative creation days the world week historical scheme Renaissance Platonism and Newtonian science while the literal alternative of the gap theory combines ancient literal interpretation with chaos concepts derived from Greco Roman myths and interpreted through a geological lens Early treatments of this text are poorly understood because of their very different philosophical and theological contexts Hasty appropriation of ancient precedents as support for modern interpretations often overlooks or oversimplifies this difference Changing ideas and exploration in the early Modern era undermined the dominance of this text so that by the time of Goodwin's essay in Essays and Reviews Genesis 1 1 2 3 was already well on the way to its present intellectual marginalization This study enables an insight into the mighty career of a biblical text of seminal importance and fills a significant niche in reception historical research

The Despoliation of Egypt Joel S. Allen, 2008-06-30 This work examines the role played by the biblical motif of the despoliation of Egypt in the understanding Gentiles had of Jews and how Jews defended themselves their heroes and their God in the face of anti Jewish slander It also examines the manner in which Christians learned from their rabbinic counterparts how to defend Moses and his God against the gnostic challenge Beginning with Philo and based on haggadic additions the embarrassment of the episode was healed through allegory and became a critically important biblical justification for the Christian appropriation of the Egyptian treasures of their Greco Roman cultural heritage This work describes how Christians borrowed exegetical traditions from rabbis not only to defend their sacred texts against gnostic attacks but to justify their interest in and appropriation of non Christian philosophy in their theological understandings

The Figure of Adam in Romans 5 and 1 Corinthians 15 Felipe De

Jesus Legarreta-Castillo,2014 It is widely recognized that in some of his letters Paul develops a Christology based on a comparison between Adam and Christ and that this Christology has antecedents in Jewish interpretation of Genesis 1 4 Felipe Legarreta gives careful attention to patterns of exegesis in Second Temple Judaism and identifies for the first time a number of motifs by which Jews drew ethical implications from the story of Adam and his expulsion from Eden He then demonstrates that throughout the Christological passages in Romans and 1 Corinthians Paul is taking part in a wider Jewish exegetical and ethical discussion regarding life in the new creation *The Eerdmans Dictionary of Early Judaism* John J. Collins, Daniel C. Harlow, 2010-11-11 The Dictionary of Early Judaism is the first reference work devoted exclusively to Second Temple Judaism fourth century b c e through second century c e The first section of this substantive and incredible work contains thirteen major essays that attempt to synthesize major aspects of Judaism in the period between Alexander and Hadrian The second and significantly longer section offers 520 entries arranged alphabetically Many of these entries have cross references and all have select bibliographies Equal attention is given to literary and nonliterary i e archaeological and epigraphic evidence and New Testament writings are included as evidence for Judaism in the first century c e Several entries also give pertinent information on the Hebrew Bible The Dictionary of Early Judaism is intended to not only meet the needs of scholars and students at which it succeeds admirably but also to provide accessible information for the general reader It is ecumenical and international in character bringing together nearly 270 authors from as many as twenty countries and including Jews Christians and scholars of no religious affiliation **Noah Traditions in the Dead Sea Scrolls** Dorothy M. Peters, 2008 New Vistas on Early Judaism and Christianity Lorenzo DiTommaso, Gerbern S. Oegema, 2016-07-14 The study of early Judaism and early Christianity has been revolutionised by new evidence from a host of sources the Dead Sea Scrolls the Pseudepigrapha the New Testament Apocrypha the Nag Hammadi writings and related texts and new papyrus and amulet discoveries Now scholars have entered the next generation of scholarship where these bodies of evidence are appreciated in conversation with each other and within the contexts of the wider Jewish Christian and Greco Roman cultures from the fourth century BCE to the fourth century CE This volume features chapters from leading scholars who approach the study of early Judaism and early Christianity from this synthetic approach The chapters engage in an inter generational and international dialogue among the past present and future generations of scholars and also among European North American African and South American scholars and their various methodologies and approaches linguistic historical or comparative Among the chapters are contributions by Professors James Charlesworth Princeton Andr Gagn Concordia and Loren Stuckenbruck Munich as well as papers from researchers from North America Europe South America and Africa The Death of Jesus in Matthew Catherine Sider Hamilton, 2017-06-16 This book explores innocent blood and its traditions as keys to the death of Jesus in Matthew against background of exile and return *Scribes and Scrolls at Qumran* Sidnie White Crawford, 2019-07-02 The discovery of the Dead Sea Scrolls altered our understanding of the development of the biblical text

the history and literature of Second Temple Judaism and the thought of the early Christian community Questions continue to surround the relationship between the caves in which the scrolls were found and the nearby settlement at Khirbet Qumran In Scribes and Scrolls at Qumran Sidnie White Crawford combines the conclusions of the first generation of scrolls scholars that have withstood the test of time new insights that have emerged since the complete publication of the scrolls corpus and the much more complete archaeological picture that we now have of Khirbet Qumran She creates a new synthesis of text and archaeology that yields a convincing history of and purpose for the Qumran settlement and its associated caves **‘Isaac went out to the field’: Studies in Archaeology and Ancient Cultures in Honor of Isaac Gilead** Haim Goldfus, Mayer I. Gruber, Shamir Yona, Peter Fabian, 2019-04-30 Isaac went out to the field Genesis 24 63 presents 28 articles honouring Professor Isaac Gilead on his 71st birthday Papers on prehistoric and proto historic archaeology reflect the focus of the honoree s teaching and research while other subjects including Biblical and Near Eastern studies explore Gilead s other areas of interest
