Becoming a School Principal Sarah E. Fiarman, 2019-01-02 The principal's role is increasingly understood as a critical lever for school improvement Yet the job can be a solitary one offering few opportunities to reflect with colleagues What does it take to manage the work of continuous improvement to push staff members constantly to operate outside their comfort zones What dilemmas and challenges must principals confront How can school leaders learn from their mistakes and move forward In *Becoming a School Principal* Sarah E Fiarman describes her first few years as a school principal committed to enacting a powerful vision of leading and learning Drawing thoughtfully on the literature of school reform and change leadership Fiarman discusses a wide range of topics including empowering teachers building trust addressing racial and economic inequities and supporting a culture of continuous learning as well as thornier issues such as learning to use authority skillfully dealing with resistance and managing supervision and evaluation The book addresses common challenges and highlights missteps as well as successes A contributing author to several leading books on school reform and instructional improvement Fiarman engages readers in a lively frank and revealing conversation about building the vision and capacity to provide effective instruction for all students and the intensely personal process of learning to lead

Perspectives on Leadership Gilbert W. Fairholm, 2000-08-30 In tracing the intellectual roots of business leadership over the last one hundred years award winning author Gilbert W Fairholm argues that until recently spirit and soul have been absent from the major models After outlining the elements of the five major ideas about leadership he goes on to define and make operational a new focus that must exist in order to truly understand the leaders role in relation to workers The study begins with scientific management and traces the evolution of leadership ideas through the quality movement on to values culture and trust based leadership models and concluding with an emphasis on spirit in the workplace It suggests that the leader in the twenty first century will need to embrace a leadership style based on the main premise of each model along with a focus on ethics community service and spirituality
