Redhunter A Novel Based On The Life Of Senator Joe Mccarthy:

The Redhunter F. Buckley Jr., 2009-12-02 From the celebrated conservative comes a rich and complex novel about one of the most conspicuous political figures in American history Senator Joe McCarthy The Redhunter William F. Buckley (Jr.),1999 A fictionalized portrait of Joseph McCarthy the senator from Wisconsin who made a career exploiting the fear of communism in 1950s America It is narrated by an assistant who parts company because the senator is destroying people s The Redhunter F. Buckley Jr., 2024-09-24 From the celebrated conservative comes a rich and lives with half truths complex novel about one of the most conspicuous political figures in American history Senator Joe McCarthy Radical Right Daniel Bell, 2017-09-29 Two vivid sets of images epitomize the dramatic course of the American right in the last quarter of the twentieth century The main image is of a triumphant President Ronald Reagan reasonably viewed as the most effective president of recent decades A second set of images comes from the bombing of a government building in Oklahoma City by Timothy McVeigh a man linked to shadowy parts of the contemporary ultraright The roots of Reaganism are conservative intellectual and political movements of the 1950s and 1960s including currents that in those years were considered marginal and ex tremist The roots of the ultraright of the 1990s have intersecting though by no means identical sources Serious evaluation of the American right should begin with The Radical Right It describes the main positions and composition of distinctive forces on the right in the first half of the 1950s and the next decade It recognizes the right s vehement opposition to domestic and international Communism its sharp rejection of the New Deal and its difficulty in distinguishing between the two Bell's controversial point of departure is to regard the basic position of what he terms the radical right as excessive in its estimation of the Communist threat and unrealistic in its rejection of New Deal reforms From this starting point Bell and his authors evaluate the ways the right went beyond programs and the self descriptions of its leaders and organizers The Radical Right explains McCarthyism and its successors in terms of conflicts over social status and the shape of American culture Daniel Bell focuses on the social dislo cation of significant groups in the post New Deal decades Many members of these groups perceived themselves as dispossessed and victimized by recent changes even if it was not possible to regard them as having undergone any great suffering David Plotke's major new introduction discusses the book s argument McCarthyism Treason Ann Coulter, 2004-10-05 Liberals loyalty to the United States is off limits as a subject of political debate Why is the relative patriotism of the two parties the only issue that is out of bounds for rational discussion In a stunning follow up to her number one bestseller Slander leading conservative pundit Ann Coulter contends that liberals have been wrong on every foreign policy issue from the fight against Communism at home and abroad the Nixon and the Clinton presidencies and the struggle with the Soviet empire right up to today s war on terrorism Liberals have a preternatural gift for always striking a position on the side of treason says Coulter Everyone says liberals love America too No they don't From Truman to Kennedy to Carter to Clinton America has contained appeared and retreated often sacrificing

America's best interests and security With the fate of the world in the balance liberals should leave the defense of the nation to conservatives Reexamining the sixty year history of the Cold War and beyond including the career of Senator Joseph McCarthy the Whittaker Chambers Alger Hiss affair Ronald Reagan's challenge to Mikhail Gorbachev to tear down this wall the Gulf War and our present war on terrorism Coulter reveals how liberals have been horribly wrong in all their political analyses and policy prescriptions McCarthy exonerated by the Venona Papers if not before was basically right about Soviet agents working for the U S government Hiss turned out to be a high ranking Soviet spy who consulted Roosevelt at Yalta Reagan ridiculed throughout his presidency ended up winning the Cold War And George W Bush also an object of ridicule has performed exceptionally in responding to America's newest threats at home and abroad Coulter who in Slander exposed a liberal bias in today's media also examines how history especially in the latter half of the twentieth century has been written by liberals and therefore distorted by their perspective Far from being irrelevant today her clearheaded and piercing view of what we ve been through informs us perfectly for challenges today and in the future With Slander Ann Coulter became the most recognized and talked about conservative intellectual of the year Treason in many ways an even more controversial and prescient book will ignite impassioned political debate at one of the most crucial moments in our history
