The Nursery of the Holy Spirit Daniel R. Hyde, 2014-07-30 Public worship is the nursery of the Holy Spirit As you enter the sanctuary you notice them at once Then as you take your seat next to a family they are right there beside you Throughout the ensuing service you see them and hear them The presence of children in public worship is not only striking but also increasingly strange in modern American church life In fact the idea of your children sitting or standing next to you during prayer singing or the pastor's sermon can be downright scary This book is based in the conviction that public worship is the nursery of the Holy Spirit and that bringing children in is both beneficial and a blessing The Nursery of the Holy Spirit offers practical advice on how to make this ideal a reality in your children's lives Early Native Literacies in New England
