Bathroom Reader Plunges into the Presidency is packed with more than 300 pages of amusing anecdotes little known history fun quizzes and more Read about Ford s famous fall and other presidential gaffes White House ghosts Homer Simpson takes on the presidency Ails of the chiefs Was President Buchanan gay Chief Executive Culinary Delights Mr President at the bat Prezzy lolz If I were two faced would I be wearing this one Abraham Lincoln and much much more *Georgia Curiosities* William Schemmel,2011-01-11 The definitive collection of Georgia s odd wacky and most offbeat people places and things for Georgia residents and anyone else who enjoys local humor and trivia with a twist *The Future Almost Arrived* Itai Nartzizenfeld Sned,2008 This book is a study of Jimmy Carter s career his approach to human rights his formulation of goals and his practices before during and after his presidency with a focus on the extent to which the promotion and protection of human rights influenced his actions at home and abroad Historians underestimate the uniqueness of the juncture in the 1970s when Carter missed an opportunity to change priorities in American diplomacy a misreading that might be explained by the disparity between Carter s agenda and the reality created by his administration s record This book identifies and examines how Carter s ambitious words and promising ideals did not translate into policy though his intentions were noble At a pivotal moment his administration adopted human rights as a tenet for foreign policy but Carter did not design imaginative guidelines or prescribe new practices to advance this theme The Future Almost Arrived illuminates how had Carter succeeded in recruiting senior staff to support and implement an innovative agenda the result might have been an overhaul of U S foreign policy with human rights at its center which by improving his chances for re election would have changed the course of history *All the Presidents' Women* John M. Berez, Ph.D.,1999-04 Having just completed a careful study of nearly a dozen different sexual styles Sexual Styles A Guide to Understanding Your Lover s Personality Humanics 1998 John Berez now applies this same analysis to the sexual lives of the last ten American Presidents not from the viewpoint of an historian or tabloid journalist but as a clinical psychologist From the silhouette of our personality style emerges our sexual style through careful analysis of the personality styles and especially in their relationships with women All The Presidents Women probes the past and present inhabitants of the world s most powerful office with surprising results From President Truman through Bill Clinton Berez provides a fascinating investigation into the lives loves and motivations of these influential men With depth and clarity All The Presidents Women presents answers to questions such as Did Bess Truman henpeck her husband Harry Was Jack Kennedy a wildly promiscuous playboy or did he just have a great capacity to love lots of women Was Lyndon Johnson indeed crude or was he putting on a wild west sideshow Did Nixon s paranoia extend beyond the press corps and other politicians and was he suspicious of everyone All the Presidents Women will engender new understanding of our presidents personalities their sexual styles and the women they have loved *Jimmy Carter, American Moral*ist Kenneth E. Morris,1997-10-01 In the first full scale biography of America s 39th president since 1980 Kenneth Morris shows readers that any conclusions about Carter s leadership and the adequacy of his challenges as a president

Character of Current and Past Presidents John M. Berez, Ph.D.,2000-12 Using analytic skills honed to a sharp edge with years of psychotherapy experience John Berez explores such contemporary issues as Was Nixon a wife beater Was Dubya smart enough to be president Is Gore too uptight to lead the free world Did the 2000 election boil down to a choice between personality and competence Skillfully Berez explores the relationship between character and personality helping the reader understand how a man with the moral integrity of Jimmy Carter could bungle the presidency and a man like Clinton with so little character could manage it so successfully Drawing on three decades of teaching and therapy Berez burrows beneath the surface of personality and character to reveal the real person working in the Oval Office With penetrating insight and concise writing the author acquaints the reader with the real people behind the pageantry of the presidency This book clearly disentangles the contradictions of Bill Clinton's presidency by examining his split personality Berez explains and clinically documents Clinton's dual personalities a sociopathic personality Slick Willy and a codependent personality Baptist Billy Resulting from Clinton's two world childhood these personalities are only loosely connected and operate serially to control his behavior Like many adult children of alcoholics ACA Clinton seeks by turn to please or to manipulate Baptist Billy told voters I feel your pain and he did but Slick Willy said he didn't inhale and didn't have sex with that woman Character in Chief is must reading for anyone interested in politics in general and the presidency in particular With fairness and compassion Berez will lead you to a deeper understanding of our great democracy and the people who lead it **God Bless America**
