Iran in World History Richard C. Foltz,2016 One of the world s most ancient and enduring civilizations Iran has long played a central role in human events and continues to do so today This book traces the spread of Iranian culture among diverse populations ranging from the Mediterranean to the Indian Ocean and along the Silk Roads as far as China from prehistoric times up to the present day From paradise gardens and Persian carpets to the mystical poetry of Rumi and Hafez Iran s contributions have earned it a place among history s greatest and most influential civilizations Encompassing the fields of religion literature and the arts politics and higher learning this book provides a holistic history of this important culture

Eminent Persians Abbas Milani,2022-08-01 As the 25th anniversary of the Islamic Revolution approached Abbas Milani realized that very little if any attention had been given to the entire prerevolutionary generation Political upheavals and a tradition of neglecting the history of past regimes have resulted in a cultural memory loss erasing the contributions of a generation of individuals Eminent Persians seeks to rectify that loss Milani s groundbreaking portrait of modern Iran reveals the country s rich history through the lives of the men and women who forged it Consisting of 150 profiles of the most important innovators in Iran between World War II and the Islamic Revolution the book includes politicians entrepreneurs poets artists and thinkers who brought Iran into the modern era with brilliant success and sometimes terrible consequences The biographies and essays weave a richly textured tapestry of lives ideas and events that reveals the true story of these decades in the life of a nation The two volumes are divided into sections on politics economics and culture each accompanied

by an introductory essay that places the individual stories in their broader historical context Drawn from interviews extensive archival material and private correspondence Eminent Persians is a treasure trove of original documents many appearing in print for the first time Detailed sketches of personalities and personal foibles offer a compelling and highly readable account of this remarkable period of history on a human scale

Prince Ḥamīd Qājār, 1996 The project was launched at Harvard's Centre for Middle East Studies It provides scholars endeavouring to study the contemporary political history of Iran with primary source material consisting of personal accounts of 132 individuals who played major roles in important political events and decisions in Iran from the 1920s to the 1970s or witnessed these events and decisions from close range Prince Hamid Kadjar was the grandson of Mohammad Ali Shah Qajar reigned 1907-9 nephew of Ahmad Shah reigned 1909-25 and son of Crown Prince Mohammad Hassan Mirza 1909-25 and Mohtaram al Saltaneh Razzaghi the second of five wives married to the Crown Prince He was born in Tabriz on April 23 1918 In October 1925 the Iranian Majles parliament disposed the Qajars after 140 years of rule On the same day Prince Hamid's father who was holding fort in Tehran during Ahmad Shah's extended stay in Europe was expelled from the country He headed for Paris and joined the rest of his family At the age of seven he was sent to England to live and study under the guardianship of a prominent English family In 1942 as the Second World War engulfed Europe Prince Hamid volunteered for the Royal Navy and was commissioned as a sub lieutenant Prince Hamid lived his years of retirement with his wife in London After a brief illness he died on May 5 1998 and was buried in Brookwood Cemetery in Surrey In an obituary the Times of London May 9 1988 said Though very much a Persian in appearance Prince Hamid had a bluff and breezy British quarterdeck manner combined with a shrewd insight into both British and Iranian affairs He excelled as a raconteur and had a wide circle of British friends

Handbook of Political Science Research on the Middle East and North Africa Bernard Reich, 1998-05-21 Facilitating research on Middle Eastern and North African politics this volume is a major reference work A series of chapters describe the post World War II research on the politics of the states and of the Palestinians of the region The literature on international relations of the region is reviewed and the approach to political economy is discussed Written by the foremost experts on their respective subjects the chapters also identify the gaps in the literature and fruitful areas for future research The chapter references constitute a bibliographical treasure for those seeking to study the politics of the region Annotations enable the reader to better select works for further research This volume provides a complete analysis of the state of the field an agenda for future research and a detailed annotated bibliography of the best research published

Hard Times in the Lands of Plenty Benjamin Smith, 2011-05-02 That natural resources can be a curse as well as a blessing is almost a truism in political analysis In many late developing countries the resource curse theory predicts the exploitation of valuable resources will not result in stable prosperous states but rather in their opposite Petroleum deposits for example may generate so much income that rulers will have little need to establish efficient tax extracting bureaucracies leading to shallow poorly functioning administrations that

remain at the mercy of the world market for oil Alternatively resources may be geographically concentrated thereby intensifying regional ethnic or other divisive tensions In *Hard Times in the Land of Plenty* Benjamin Smith deciphers the paradox of the resource curse and questions its inevitability through an innovative comparison of the experiences of Iran and Indonesia These two populous oil rich countries saw profoundly different changes in their fortunes in the period 1960-1980 Focusing on the roles of state actors and organized opposition in using oil revenues Smith finds that the effects of oil wealth on politics and on regime durability vary according to the circumstances under which oil exports became a major part of a country's economy The presence of natural resources is he argues a political opportunity rather than simply a structural variable Drawing on extensive primary research in Iran and Indonesia and quantitative research on nineteen other oil rich developing countries Smith challenges us to reconsider resource wealth in late developing countries not as a simple curse or blessing but instead as a tremendously flexible source of both political resources and potential complications

Bulletin, 1987 *Iran Reframed* Narges Bajoghli, 2023-05-25 A Middle East scholar shares an inside look at what it means to be pro regime in Iran and the debates around the future of the Islamic Republic More than half of Iran's citizens were not alive at the time of the 1979 Revolution Now entering its fifth decade in power the Iranian regime faces the paradox of any successful revolution how to transmit the commitments of its political project to the next generation New media ventures supported by the Islamic Republic attempt to win the hearts and minds of younger Iranians Yet members of this new generation whether dissidents or fundamentalists are increasingly skeptical of these efforts *Iran Reframed* offers unprecedented access to those who wield power in Iran as they debate and define the future of the Republic Over ten years Narges Bajoghli met with men in Iran's Revolutionary Guard Ansar Hezbollah and Basij paramilitary organizations to investigate how their media producers developed strategies to court Iranian youth Readers come to know these men what the regime means to them and their anxieties about the future of their revolutionary project This book offers a multilayered story about what it means to be pro regime in the Islamic Republic challenging everything we think we know about Iran and revolution
