

# Marzano Focused Teacher Evaluation Model: Desired Effects

Standards-Based Planning	ELEMENT	DESIRED EFFECT
	Planning Standards-Based Lessons/Units	Teacher provides evidence of implementing lesson/unit plans aligned to grade-level standard(s), using learning targets embedded in a performance scale.
	Aligning Resources to Standard(s)	Teacher implements traditional and/or digital resources to support teaching standards-based units and lessons.
Standards-Based Instruction	Planning to Close the Achievement Gap Using Data	Teacher provides data showing that each student (including English learners (ELL), exceptional education, gifted and talented, low socioeconomic status, and ethnic students) makes progress toward closing the achievement gap.
	ELEMENT	DESIRED EFFECT
	Identifying Critical Content from the Standards	Evidence (formative data) demonstrates students know what content is important and what is not important as it relates to the learning target(s).
	Previewing New Content	Evidence (formative data) demonstrates students make a link from what they know to what is about to be learned.
	Helping Students Process New Content	Evidence (formative data) demonstrates students can summarize and generate conclusions about the new content during interactions with other students.
	Using Questions to Help Students Elaborate on Content	Evidence (formative data) demonstrates students accurately elaborate on content.
	Reviewing Content	Evidence (formative data) demonstrates students know the previously taught critical content.
	Helping Students Practice Skills, Strategies, and Procedures	Evidence (formative data) demonstrates students develop automaticity with skills, strategies, or procedures.
	Helping Students Examine Similarities and Differences	Evidence (formative data) demonstrates student knowledge of critical content is deepened by examining similarities and differences.
	Helping Students Examine Their Reasoning	Evidence (formative data) demonstrates students identify and articulate errors in logic or reasoning and/or provide clear support for a claim (assertion of truth or factual statement).
Conditions for Learning	Helping Students Review Knowledge	Evidence (formative data) demonstrates students make additions, deletions, clarifications, or revisions to previous knowledge that deepens their understanding.
	Helping Students Engage in Cognitively-Challenging Tasks	Evidence (formative data) demonstrates students prove or disprove the proposition, theory, or hypothesis.
	ELEMENT	DESIRED EFFECT
	Using Formative Assessment to Track Progress	Evidence (formative data) demonstrates students identify their current level of performance as it relates to standards-based learning targets embedded in the performance scale.
	Providing Feedback and Celebrating Progress	Evidence (formative data) demonstrates students continue learning and making progress toward learning targets as a result of receiving feedback.
	Organizing Students to Interact with Content	Evidence (formative data) demonstrates students process content (i.e., new, going deeper, cognitively complex) as a result of group organization.
	Establishing and Acknowledging Adherence to Rules and Procedures	Evidence (formative data) demonstrates students know and follow classroom rules and procedures (to facilitate learning) as a result of teacher acknowledgment.
	Using Engagement Strategies	Evidence (formative data) demonstrates students engage or re-engage as a result of teacher action.
Professional Responsiveness	Establishing and Maintaining Effective Relationships in a Student-Centered Classroom	Evidence (student action) shows students feel valued and part of the classroom community.
	Communicating High Expectations for Each Student to Close the Achievement Gap	Evidence (student surveys, interviews, work) shows the teacher expects each student to perform at his or her highest level of academic success.
	ELEMENT	DESIRED EFFECT
Professional Responsiveness	Adhering to School and District Policies and Procedures	Teacher adheres to school and district rules and procedures.
	Maintaining Expertise in Content and Pedagogy	Teacher provides evidence of developing expertise in content area and classroom instructional strategies.
	Promoting Teacher Leadership and Collaboration	Teacher provides evidence of teacher leadership and promoting a schoolwide culture of professional learning.

### **Reference Planning Teacher Evaluation Introduction**

In today's digital age, the availability of Reference Planning Teacher Evaluation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reference Planning Teacher Evaluation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reference Planning Teacher Evaluation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reference Planning Teacher Evaluation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reference Planning Teacher Evaluation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reference Planning Teacher Evaluation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reference Planning Teacher Evaluation books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reference Planning Teacher Evaluation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reference Planning Teacher Evaluation books and manuals for download and embark on your journey of knowledge?
