Reflections on a Disruptive Decade Eugene Davidson,2000 **Die at the Right Time!** Eric v.d. Luft,2009-09-21 Parts will make you laugh parts will make you think parts will make you angry parts will make you sick Go for it all *Adman's Dilemma* Paul Rutherford,2018-01-01 The Adman's Dilemma is a cultural biography that explores the rise and fall of the advertising man as a figure who became effectively a licensed deceiver in the process of governing the lives of American consumers Apparently this personage was caught up in a contradiction both compelled to deceive yet supposed to tell the truth It was this moral condition and its consequences that made the adman so interesting to critics novelists and eventually filmmakers The biography tracks his saga from its origins in the exaggerated doings of P T Barnum the emergence of a new profession in the 1920s the heyday of the adman's influence during the post WW2 era the later rebranding of the adman as artist until the apparent demise of the figure symbolized by the triumph of that consummate huckster Donald Trump In The Adman's Dilemma author Paul Rutherford explores how people inside and outside the advertising industry have understood the conflict between artifice and authenticity The book employs a range of fictional and nonfictional sources including memoirs novels movies TV shows websites and museum exhibits to suggest how the adman embodied some of the strange realities of modernity **The American Way of Peace** Jan S. Prybyla,2005 Traces the development and implementation of Pax Americana the American way of peace from World War II to the war on terrorism and the Iraqi conflict Examines the extent to which modernization must incorporate values of democracy and rule of law Provided by publisher *A World of Letters* Nicholas A. ideology controversy and the death of foundationalism Lints argues that religion and religious ideologies serve both a prophetic function as well as a domesticating one and that neither conservative nor progressive movements have cornered the market in either direction In the process Lints helps us better understand the complex role of religion in cultural formation
