Refusal And Transgression In Joyce Carol Oates Fiction:

Dark Eyes on America Gavin Cologne-Brookes,2009-08-01 Joyce Carol Oates is America s most extraordinary and prolific woman of letters In Dark Eyes on America Gavin Cologne Brookes illuminates the vision of this remarkable master of her craft finding evidence in her novels of an evolving consciousness that ultimately forgoes abstract introspection in favor of a more practical approach to art as a tool for understanding both personal and social challenges With her clear eyed perception of human behavior Oates has for decades offered unhesitating explorations of genre topic and style making her an inevitable if somewhat elusive subject for critical assessment Cologne Brookes s conversations and correspondence with Oates his close textual study of her novels and abundant references to her essays stories poetry and plays result in a work that critically synthesizes the layers of her writing This comprehensive yet accessible study offers an essential analysis of one of the twentieth century s most significant writers

Transgression and Refusal Marilyn C. Wesley,1988 [Refusal and Transgression in Joyce Carol Oates' Fiction](#) Marilyn C. Wesley,1993-05-18 This comprehensive and sophisticated feminist analysis contradicts the negative evaluations of earlier feminist critics to define Oates feminist accomplishments Wesley presents Oates fiction as a dynamic structure that grew out of her obsessive concern with the American family and shows her literary patterns of resistance to the gender ideology that shapes it She illustrates how Oates disturbing portrayals of troubled families can and do address complex issues of power in contemporary society economic dislocation gender inequity and violence as they are experienced in intimate relationships The author defines and exemplifies the central concepts of family power and resistance in Oates work with reference to her own literary criticism and the theoretical principles of Frederic Jameson She begins by examining the presentation of the mother and the father in Oates earliest works and then charts mother and daughter brother and sister and other family relationships Wesley contends that the power dynamics of Oates families relegate daughters to a position of impotence and sons to one of isolation and shows that the evolution of the children s refusal to identify themselves with their male or female models is a major focus in Oates fiction

literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **A Companion to American Gothic** Charles L. Crow,2013-09-10 A Companion to American Gothic features a collection of original essays that explore America s gothic literary tradition The largest collection of essays in the field of American Gothic Contributions from a wide variety of scholars from around the world The most complete coverage of theory major authors popular culture and non print media available *Literary Trauma* Deborah M. Horvitz,2000-11-02 Examines representations of political psychological and sexual violence in seven novels by American women *Reader's Guide to Women's Studies* Eleanor Amico,1998-03-20 The Reader s Guide to Women s Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women s studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors *The Abject of Desire* ,2007-01-01 The Abject of Desire approaches the aestheticization of the unaesthetic via a range of different topics and genres in twentieth century Anglophone literature and culture The experience of disgust which Winfried Menninghaus describes as an acute crisis of self preservation is correlated with conceptualizations of gender in theories of the abject abjection In view of this general crisis of identity in the experience of disgust the contributions to this volume discuss examples of the aestheticization of the unaesthetic in cultural representations and locate conceptual re codings of the body gender and identity with regard to the abject as an immediate and uncompromising experience on the one hand and a social and political phenomenon on the other Considering a variety of cultural narratives by writers as diverse as Samuel Delany Sarah Schulman Joyce Carol Oates Leslie Marmon Silko Paul Magrs J G Ballard Stevie Smith T C Boyle Joseph Conrad Poppy Z Brite and Will Self by film directors John Waters and Peter Greenaway playwrights Girish Karnad and Mahesh Dattani and body artist Gunter von Hagens the contributors to this volume scrutinize different implications of the ambivalent concept of the abject abjection

War in Tim O'Brien's The Things They Carried Gary Wiener,2011-06-13 This did not happen is a common refrain throughout the stories in The Things They Carried Tim O'Brien s account of the Vietnam War purposely blurs the line between fact and fiction to get closer to the truth of what soldiers actually experienced This compelling volume explores the life of Tim O'Brien and his attempts to wrestle with the trauma and shame of war in The Things They Carried A collection of related essays explore topics such as the moral complexity of war writing as a path to spiritual redemption and the novel s portrayal of gender Contemporary perspectives on war such as the need to help soldiers suffering from PTSD and not repeating the mistakes of Vietnam are also presented A Passion for Consumption Anna Sonser,2001 By exposing the literary motifs of subversion and seduction inherent in these works as disruptive to the flow circulation and expansion of value A Passion for Consumption positions American literary culture as an extension of commodity economics BOOK JACKET

Representations of Anne Frank in American Literature Rachael McLennan, 2016-08-05 This book explores portrayals of Anne Frank in American literature where she is often invoked if problematically as a means of encouraging readers to think widely about persecution genocide and victimisation often in relation to gender ethnicity and race It shows how literary representations of Anne Frank in America over the past 50 years reflect the continued dominance of the American dramatic adaptations of Frank's Diary in the 1950s and argues that authors feel compelled to engage with the problematic elements of these adaptations and their iconic power At the same time though literary representations of Frank are associated with the adaptations critics often assume that these texts unquestioningly perpetuate the problems with the adaptations This is not true This book examines how American authors represent Frank in order to negotiate difficult questions relating to representation of the Holocaust in America and in order to consider gender coming of age and forms of inequality in American culture in various historical moments and of course to consider the ways Frank herself is represented in America This book argues that the most compelling representations of Frank in American literature are alert to their own limitations and may caution against making Frank a universal symbol of goodness or setting up too easy identifications with her It will be of great interest to researchers and students of Frank the Holocaust in American fiction and culture gender studies life writing young adult fiction and ethics

American Supernatural Tales S. T. Joshi, 2007-10-02 As Stephen King will attest the popularity of the occult in American literature has only grown since the days of Edgar Allan Poe American Supernatural Tales celebrates the richness of this tradition with chilling contributions from some of the nation's brightest literary lights including Poe himself H P Lovecraft Shirley Jackson Ray Bradbury Nathaniel Hawthorne and of course Stephen King By turns phantasmagoric spectral and demonic this is a frighteningly good addition to Penguin Classics For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Masterplots II. Frank Northen Magill, 1994

Nineteenth-Century American Women Theatre Managers Jane K. Curry, 1994-07-21 Many women held positions of great responsibility and power in the United States during the 19th century as theatre managers managing stock companies owning or leasing theatres hiring actors and other personnel selecting plays for production directing rehearsals supervising all production details and promoting their dramatic offerings Competing in risky business ventures these women were remarkable for defying societal norms that restricted career opportunities for women The activities of more than 50 such women are discussed in Nineteenth Century American Women Theatre Managers beginning with an account of 15 pioneering women managers who were all managing theatres before 24 December 1853 when Catherine Sinclair often incorrectly identified as the first woman theatre manager in the United States opened her theatre in San
