Stanley PENN,1962 *Right from the Gecko* Cynthia Baxter,2007-03-27 Surf s up and so are the stakes when veterinarian and amateur sleuth Jessica Popper escapes to the land of hula hibiscus and geckos for a professional conference The last time she and boyfriend Nick Burby touched down on the island of Hawaii Nick caused a volcanic eruption when he unexpectedly popped The Question to commitment phobic Jess But this trip proves just as dangerous when Jess befriends an ambitious young reporter whose body later washes up on the sand and someone thinks Jess holds the clue to the killer s motive There s no end of suspects among the exotic flora and fauna from the victim s journalistic rivals and a mystery boyfriend to an eccentric beachcomber and a governor s aide with ties to a controversial biotech firm bringing progress to paradise One of them is a killer with the chameleon like ability to stay hidden and if Jessica doesn t uncover hula dunnit in time she ll be saying aloha permanently **Reigning cats & dogs** Robert John Moore,2004 **Reigning Cats and Dogs** Jane McBride,2012-11-16 Ann Kyle and Henry are getting ready for both big days the wedding and the Grand Opening of Ann s pet store But a gang of car burglars is throwing a monkey wrench in the works and some of the victims are Ann s friends To make things more complicated relatives from far and wide are coming for the wedding and not all of them play well with others Even peace loving Henry has his paws full getting along with Aunt Gert s

horrible little dog Molly and Kyle has to remember his commitment to his new faith when Ann's life is endangered. The author wishes to include a short disclaimer warning caution whatever you might call it here at the beginning. I was raised in the area where this book is set. I know what the people sound like who live there. I spent many years listening to it and I sound that way myself. Regional dialects include all kinds of things. It isn't just about how a word is pronounced but also what word will be used and the whole grammatical structure of a sentence will come into play. Many others have said it far better than I will here but I love anything written in dialect. I want to hear the people I want to know what they sound like and I must assume everyone is like me because that's the way I write. If you are ever talking to me face to face and see me gazing at you with a sappy look then you can bet it's because I just love how you sound. If I ever put you into a book I will do my best to re-create that sound. So I will warn you now if bad grammar grates on your nerves if the appearance of written words slurred together bothers you a whole lot if you believe that a person who habitually speaks with improper grammar will not have the sufficient intelligence to quote Keats or Shakespeare then this is not the book for you. All of my characters use bad grammar some of the time some of them use it most of the time and many of the people from the area in question Western New York will join with those who dislike bad grammar. After all lots of them don't speak that way. But most of my characters do and it is not unusual at all in that area of the country. Mark Twain is the expert on this subject and literary critic Lionel Twilling speaking of Twain summed it up best. He is the master of the style that escapes the fixity of the printed page that sounds in our ears with the immediacy of the heard voice the very voice of unpretentious truth.

Lead a Horse to Murder Cynthia Baxter, 2007-12-18. When it comes to sleuthing she's not horsing around. When full-time vet and part-time sleuth Jessica Popper is asked to treat a billionaire's ailing horse she gets a deadly glimpse into the lifestyles of the rich and felonious. Murder gallops after Jessie when an emergency call sends the traveling vet to a posh Long Island estate with her one-eyed Dalmatian Lou and her tailless Westie Max. A prized Arabian steed needs minor medical care but it's the rider who grabs Jess's attention. The handsome young horseman exudes plenty of animal magnetism as he canters across the field and then takes an inexplicable fatal fall. The dead man was one of the finest polo players in the world but it was no accident that killed him. The culprit was poison. And as Jess soon discovers a number of people had the means motive and opportunity for foul play from the hostile barn manager to the businessman's disgruntled wife. But Jess will have to temper her feline instinct with good old-fashioned horse sense if she's going to stop a killer from leading a certain sleuth to her death. Five paws up for Cynthia Baxter's Reigning Cats Dogs series. Carolyn Hart.
