Revision Express Modern History:

A History of Modern Political Thought Gary Browning, 2016-10-27 How are we to understand past political thinkers Is it a matter simply of reading their texts again and again Do we have to relate past texts of political thought to the contexts in which ideas were composed and in which the aims of past thinkers were formulated Or should past political theories be deconstructed so as to uncover not what their authors maintain but what the texts reveal In this book theories of interpreting past political thinkers are examined and the interpretive methods of a range of theories are reviewed including those of Hegel Marx Oakeshott Collingwood the Cambridge School Foucault Derrida and Gadamer The application of these theories of interpretation to notable modern political theorists Machiavelli Hobbes Locke Rousseau Kant Hegel Marx Bentham Mill Nietzsche and Beauvoir is then used as a way of understanding modern political thought and of assessing interpretive theories of past political thought The result is a book which sees the history of modern political thought as more than a procession of political theories but rather as a reflection on the meaning of past political thought and its interpretation It provides a way of reading the history of modern political thought in which the question of interpretation matters both for understanding how we interpret the past but also for considering what it means to undertake political thinking *A History of Modern Jewish Religious Philosophy* Eliezer Schweid, 2025-01-20 Schweid concludes his history of modern Jewish thought by narrating two major progressions in Diaspora Jewish thought of the early twentieth century 1 the varied responses of ultra Orthodox Diaspora Jewish thinkers to the Holocaust Wasserman Shapira Ashlag Dessler Teichthal Rokea and Yosef Yitzhak Schneersohn and 2 the formative thinkers of the major movements in American Jewish thought Kohler Schechter Kaplan Herberg Strauss Soloveitchik and Heschel **A Manual of Ancient and Modern History** William Cooke Taylor, 1850 *Epochs of History von Vol. 6 an: Epochs of modern History, edited by Edward E.
