Jean Stoffer, September Vaudrey

Setting Up Home:

Establishing Home Jean Stoffer, September Vaudrey, 2022 When Jean Stoffer's husband announced he was quitting his extremely stressful job to look for another career she suddenly needed to bring in a lot more of the family income The problem was while she had a degree in business her part time job paid very little and she had few obvious options for earning more anytime soon In *Establishing Home* Jean tells how necessity sparked her journey from part time receptionist to founder of an award winning home design company and star of the Magnolia Network's show *The Established Home* Along the way she shares what's she learned about design business parenting and relationships

Setting up LAMP Eric Rosebrock, Eric Filson, 2006-07-14 You could think of *Setting Up LAMP* as four books in one but it's actually something much more valuable a single volume that presents the open source technologies known collectively as LAMP Linux Apache MySQL and PHP as tightly dovetailed components of today's most affordable and effective platform for building dynamic web based applications Each technology has uses outside of this context of course but within it they form something greater than the sum of their parts This book shows you how to take full advantage of this power walking you through all the steps required to lay your Linux foundation install and configure your Apache web server and then begin using PHP to access content stored in MySQL Here are a few of the specific topics you'll find covered inside Installing and configuring qmail with support for IMAP POP3 SMTP virtual domains spam filtering and antivirus Managing system users and groups Configuring your network Creating a custom firewall script using IP tables Recognizing when a system is in distress Handling MySQL database replication Configuring virtual domains Writing a basic PHP script that integrates with MySQL If you're new to all of this you'll quickly get to where you need to be to start developing and deploying the higher level pieces of your web application Even if you have experience with one or all of these technologies this book including its quick start installation appendix is a resource you'll want close by whenever you're setting up or fine tuning your LAMP system

If God Intended the Sabbath, Why Did He Create Home Ownership? Ronald Citron, 2015-02-20 Why do we waste the Sabbath Travel through time for the ways home ownership just seems to prevent us from enjoying this holy day of rest The intention is not to preach this is not a scholarly religious book Rather *If God Intended the Sabbath Why Did He Create Home Ownership* explores why this day of the week should be designated as a day of rest and introspection Take this soul searching sometimes poignant sometimes humorous but always personal trip through the years Take an insightful prophetic and wistful venture through the events causing lost Sabbaths Questions are raised why do we have to do our home projects on the Sabbath and which aspects of home ownership rob us of this special day Sometimes the deed is thrust upon us such as when the roof leaks during a stormy weekend At times we thrust the deed upon ourselves such as installing outside lights or repairing a creaky floor Delve into this book for a journey through Sabbaths lost with hope for the future where this day can be held precious
