Setting Up In Hong Kong:

Making Hong Kong Pui-yin Ho, 2018-09-28 This insightful book provides a comprehensive survey of urban development in Hong Kong since 1841 Pui yin Ho explores the ways in which the social economic and political environments of different eras have influenced the city's development From colonial governance wartime experiences high density development and adjustments before and after 1997 through contemporary challenges this book explores forward looking ideas that urban planning can offer to lead the city in the future Evaluating the relationship between town planning and social change this book looks at how a local Hong Kong identity emerged in the face of conflict and compromise between Chinese and European cultures In doing so it brings a fresh perspective to urban research providing historical context and direction for the future development of the city Hong Kong's urban development experience offers not only a model for other Chinese cities but also a better understanding of Asian cities more broadly Urban studies scholars will find this an exemplary case study of a developing urban landscape Town planners and architects will also benefit from reading this comprehensive book as it shows how Hong Kong can be taken to the next stage of urban development and modernisation *Hong Kong Starting Business (Incorporating) in Hong Kong Guide* IBP USA, 2013-08 2011 Updated Reprint Updated Annually Hong Kong Starting Business Incorporating in Hong Kong Guide

Establishing Self-Access David Gardner, Lindsay Miller, 1999-03-11 Establishing Self Access examines establishing maintaining and developing self access language learning SALL While much of it presents practical ideas dealing with issues related to SALL they are supported by references to relevant literature and research This link between theory and practice makes the debate about SALL accessible and makes this a useful resource for establishing and running self access learning facilities Its unique features include a typology of self access facilities a discussion about how to manage self access a step by step guide on evaluating self access a wide variety of practical suggestions for implementing self access in different contexts It is suitable for anyone concerned with self access from pre service teacher trainees to experienced teachers and from managers of dedicated self access centres to administrators concerned with financing self access facilities

Sikhs in Asia Pacific Swarn Singh Kahlon, 2016-09-13 This book is the second in a global trilogy looking at the unreported Sikh diaspora comprising mainly the non English speaking countries The first one in the Sikh Global Village series was Sikhs in Latin America published by Manohar This volume covers Sikhs in Asia Pacific countries The third will be on Sikhs in Europe The Asia Pacific region is a vital and under recognized home for the Sikh diaspora Before 1947 most Sikhs migrated East In addition to the commonly known destinations the author also examines lesser known cases of Sikh migration to China Korea Japan and the Philippines The book covers various aspects of the diaspora including the history of migration relating to the British Indian Army police force The British gave preference in recruiting Sikhs and encouraged them to build gurdwaras and supported them to keep their Sikh identity Soon after arrival these early immigrants encouraged their village compatriots and relatives to migrate in large numbers to avail of the various

opportunities for gainful employment or business Not only is this wave of migration important in its own right but Sikh migration to North America finds its origins in the Asia Pacific Sikh diaspora specifically from Shanghai The decolonization of Asian countries slowed down the migration and in some cases resulted even in exodus of Indians Sikhs at the same time as new destinations to North America and UK opened up Migration to each country has a unique profile traced vividly in the book Additionally the author has made an effort to outline the similarities and differences in migration of Sikhs to the East against present migration to the West Case studies are extensively used

Social Work in East Asia Christian Aspalter, 2016-04-01 Owing to rapid economic development and the onset of population ageing social work has become a major means of delivering social services and relieving and preventing social problems at an individual family and community level in East Asia In addition to this the number of activities undertaken by social welfare NGOs has risen a great deal throughout East Asia resulting in a greater demand for professional social workers With governments across the region having discovered the beneficial effects of professional social work for both social integration and social harmony there is now greater support for the development of this academic discipline and profession This groundbreaking volume explores the current state of development of social work provision across the region It is the first book of its kind to investigate current and future trends as well as the challenges and pitfalls of social work one of the fastest growing professions in East Asia
