Show Me God 01 Evidence For God:

A Proof for God's Existence Travis Fentiman, 2025-06-14 Hebrews 1:3 says God is upholding all things by the word of his power. If this is true, then it should be for all created things that their existence and continuance has no sufficient explanation in their own natures but is due only to God willing them to exist. Can this be proven from investigating the nature of things from nature's light? In fact, Aristotle's argument for God from change was developed through Thomas Aquinas and more recently by Edward Feser. Fentiman has restylized it in a popular way in a new article. See what you think if God has been proven to exist. If so, share it with people that need the Lord and Christians whom it would build up in the Faith.

God, Evidences, and Creation: Who God Is and Reasons for Believing David Pratte, 2019-12-25 A study of Bible teaching about the nature of God, evidences for God, Jesus, and the Bible, including a careful study of creation vs. evolution. The Art of Loving God John H. Hampsch C.M.F., 2014-03-28 Practice Makes Perfect Learning to love God is an art, says Fr. John Hampsch. It requires wholehearted and concentrated effort, but the rewards are worth it. In *The Art of Loving God*, with characteristic wit and wisdom, Fr. Hampsch explores the process of spiritual growth, including the four stages of every person's spiritual journey: Discovering that God loves us and wants us to love him back; Learning to use the resources God gives us to sustain our faith journey; Facing with faithful hearts the potholes, pitfalls, and panic in life; Growing to spiritual maturity and helping others to grow too. Reverend John H. Hampsch C.M.F. is a popular conference speaker and retreat master and author of numerous pamphlets and books, including *Healing Your Family Tree*. Fr. Hampsch is a member of Claretian Missionaries. In this new work, Fr. John Hampsch teaches us how to seek and sustain a loving relationship with God. He also shows us how to respond to God using the many helps he has given us along the journey. This book will help you find deeper meaning in what life on earth is all about: a heroic love for God and neighbor that is meant to continue for all eternity. Ursula Babsie Bleasdel, Catholic lay evangelist, John has written of our quest to know and love God in a comprehensive yet entertaining way. I was especially touched by his strength and sensitivity in handling the problem of pain. Father Michael Manning SVD, author of many books, including *Questions and Answers for Today's Catholics*, President of

UNSEEN THINGS Jean McBride,2017-09-03 This is not an examination of the quality or quantity of your faith It is an examination of the existence of your faith There are only two responses to this examination of self Yes I am in the faith or no I am not in the faith If the answer is yes then you got there by seeking the Lord You did not pray for faith you sought God and faith came If the answer is no you will not get in the faith by praying for faith You will only get in the faith by seeking God We will never get more faith by seeking more faith When I began this Bible study my goal was simple I was in the faith but I really felt I needed more faith What I really needed was to learn more about the faith I had I learned that faith has the capacity to be in one accord with God If we seek God and His ways we will find that we have all the faith we need The purpose of seeking God is so that we will know what we can be in accord with The chapters in this book are based on the great faith chapter in the Bible Hebrews 11
