

A photograph of a dirt road winding through a forest. The trees on either side have autumn-colored foliage in shades of orange, yellow, and brown. The road leads towards a bright, hazy light at the end of the path, creating a sense of depth and perspective. The overall mood is contemplative and serene.

Show me the part of you that you try
to keep buried. Show me where it
hurts the most. I want to see your soul.

Superior Romance Robert Williams,2006-08 When I began working on this story I had a specific goal in mind I wanted to give my grandchildren some sense of the kind of person my father was He was encouraging he was knowledgeable he was helpful and he was a good listener He was such a big influence on me but he did not live long enough to ever see my grandchildren I was afraid the only thing they would ever know of him was a name on a marker in a cemetery so I thought I should put together some of my memories of Lee Williams Alas as I organized my ideas I ran into a problem I couldn t write about Dad and my teen age years without telling of my teen age romances I didn t want to hurt anybody s feelings so I had to alter some stories and craft new ones And once the stories became fiction this story literally began to re write the past When the world of fantasy is found to be so much more pleasurable than the real world what is wrong with enjoying our dreams for a little while **Decolonizing and Indigenizing Visions of Educational Leadership** Njoki N.
