Showdown At Newport:

The Quest for the America's Cup: Sailing to Victory Richard V. Simpson, 2012-04-24 For over one hundred and fifty years the America's Cup has been the premier prize as yachtsmen have been pitted against sailors from around the world in an effort to win this prestigious race. The race takes its name from the champion schooner America which was created due in large part to the efforts of New York Yacht Club founder John Cox Stevens. Author Richard V. Simpson sheds new light on long forgotten stories of the early quests for the coveted Cup. Among the notable yachtsmen profiled are Sir Thomas Johnstone Lipton who earned a special award for being the race's best loser and Ted Hood who owned a sail making company that developed the Dacron cloth from which the twelve meter sails were cut. This history comes to life with exciting descriptions of the yachts, the races and the colorful personalities of those who longed to capture the greatest prize in yacht racing.

Showdown Wil Haygood, 2016-08-09 Over the course of his forty year career Thurgood Marshall brought down the separate but equal doctrine, integrated schools and not only fought for human rights and human dignity but also made them impossible to deny in the courts and in the streets. In this galvanizing biography award winning author Wil Haygood uses the framework of the dramatic, contentious five day Senate hearing to confirm Marshall as the first African American Supreme Court justice to weave a provocative and moving look at Marshall's life as well as at the politicians, lawyers, activists and others who shaped or desperately tried to stop the civil rights movement. An authoritative account of one of the most transformative justices of the twentieth century. *Showdown* makes clear that it is impossible to overestimate Thurgood Marshall's lasting influence on the racial politics of our nation.
