Sibleys New Mexico Campaign:

Sibley's New Mexico Campaign Martin Hardwick Hall, 2003-01 This long out of print and hard to find classic tells the story of the Texas invasion of New Mexico during the American Civil War *Sibley's New Mexico Campaign ...* James Robertson Elam, 1953 *Sibley's New Mexico Campaign* Martin Hardwick Hall, 2000 This long out of print and hard to find classic tells the story of the Texas invasion of New Mexico during the American Civil War **The Howling Storm** Kenneth W. Noe, 2020-10-07 Finalist for the Lincoln Prize Winner of the Colonel Richard W Ulbrich Memorial Book Award Traditional histories of the Civil War describe the conflict as a war between North and South Kenneth W Noe suggests it should instead be understood as a war between the North the South and the weather In *The Howling Storm* Noe retells the history of the conflagration with a focus on the ways in which weather and climate shaped the outcomes of battles and campaigns He further contends that events such as floods and droughts affecting the Confederate home front constricted soldiers food supply lowered morale and undercut the government's efforts to boost nationalist sentiment By contrast the superior equipment and open supply lines enjoyed by Union soldiers enabled them to cope successfully with the South's extreme conditions and ultimately secure victory in 1865 Climate conditions during the war proved unusual as irregular phenomena such as El Niño and La Niña and similar oscillations in the Atlantic Ocean disrupted weather patterns across southern states Taking into account these meteorological events Noe rethinks conventional explanations of battlefield victories and losses compelling historians to reconsider long held conclusions about the war Unlike past studies that fault inflation taxation and logistical problems for the Confederate defeat his work considers how soldiers and civilians dealt with floods and droughts that beset areas of the South in 1862 1863 and 1864 In doing so he addresses the foundational causes that forced Richmond to make difficult and sometimes disastrous decisions when prioritizing the feeding of the home front or the front lines *The Howling Storm* stands as the first comprehensive examination of weather and climate during the Civil War Its approach coverage and conclusions are certain to reshape the field of Civil War studies *Turmoil In New Mexico, 1846-1868* William A. Keleher, 2007-11-15 The vital history of New Mexico and Arizona during the formative years between the American Occupation and the coming of the railroad has been compressed by the author into one volume with hundreds of footnotes and many profiles that make this book of vital importance to teachers students and researchers The book is broken into four parts General Kearny Comes to Santa Fe The Confederates Invade New Mexico Carleton's California Column and The Long Walk Many famous men walk and talk through these pages including Kearny Doniphan Baylor Canby Carleton Sibley and a host of others In addition the story of the impact of the Civil War in New Mexico on the Indians and the tragic results is told here in detail for the first time Long out of print the book is available once again with a new foreword by Marc Simmons and preface by Michael L Keleher William A Keleher's son It also includes brief biographies of Ernest L Blumenschein and Oscar E Berninghaus who provided the original illustrations WILLIAM A KELEHER 1886 1972 observed first hand the changing

circumstances of people and places of New Mexico Born in Lawrence Kansas he arrived in Albuquerque two years later with his parents and two older brothers The older brothers died of diphtheria within a few weeks of their arrival As an adult Keleher worked for more than four years as a Morse operator and later as a reporter on New Mexico newspapers Bidding a reluctant farewell to newspaper work Keleher studied law at Washington Lee University and started practicing law in 1915 He was recognized as a successful attorney being honored by the New Mexico State Bar as one of the outstanding Attorneys of the Twentieth Century One quickly observes from his writings and writings about him that he lived a fruitful and exemplary life His knowledge and understanding of humankind is evidenced by this quote attributed to Sir Thomas Browne 1686 and printed after the title page in *Turmoil in New Mexico* The iniquity of oblivion scattereth her poppy and deals with the memory of men without distinction to merit and perpetuity who knows whether the best of men be known or whether there be not more remarkable men forgot than any that stand remembered in the known account of time **Civil War**

West's Adam Arenson, 2015-03-07 This innovative study presents a new integrated view of the Civil War and Reconstruction and the history of the western United States Award winning historians such as Steven Hahn Martha Sandweiss William Deverell Virginia Scharff and Stephen Kantrowitz offer original essays on lives choices and legacies in the American West discussing the consequences for American Indian nations the link between Reconstruction and suffrage movements and cross border interactions with Canada and Mexico In the West Civil War battlefields and Civil War politics engaged a wide range of ethnic and racial distinctions raising questions that would arise only later in places farther east Histories of Reconstruction in the South ignore the connections to previous occupation efforts and citizenship debates in the West The stories contained in this volume complicate our understanding of the paths from slavery to freedom for white as well as non white Americans By placing the histories of the American West and the Civil War and Reconstruction period within one sustained conversation this volume expands the limits of both by emphasizing how struggles over land labor sovereignty and citizenship shaped the U S nation state in this tumultuous era This volume highlights significant moments and common concerns of this continuous conflict as it stretched across the continent and throughout the nineteenth century Publishing on the 150th anniversary of the end of the Civil War this collection brings eminent historians into conversation looking at the Civil War from several Western perspectives and delivers a refreshingly disorienting view intended for scholars general readers and students Published in Cooperation with the William P Clements Center for Southwest Studies Southern Methodist University

Theater of a Separate War Thomas W. Cutrer, 2023-04-04 Though its most famous battles were waged in the East at Antietam Gettysburg and throughout Virginia the Civil War was clearly a conflict that raged across a continent From cotton rich Texas and the fields of Kansas through Indian Territory and into the high desert of New Mexico the Trans Mississippi Theater was site of major clashes from the war's earliest days through the surrenders of Confederate generals Edmund Kirby Smith and Stand Waite in June 1865 In this comprehensive military history of the war west of the Mississippi River Thomas

W Cutrer shows that the theater's distance from events in the East does not diminish its importance to the unfolding of the larger struggle

A Companion to the U.S. Civil War Aaron Sheehan-Dean, 2014-02-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory

The Civil War in West Texas and New Mexico Henry Hopkins Sibley, 2001 In 1862 far from the bloodied fields of Virginia and Tennessee some 2 000 miles west of Washington and Richmond the Civil War raged in the mountains and deserts of the Southwest With an army of zealous Texas recruits many of them in the fullness of their youth Gen Henry Hopkins Sibley marched what became the Army of New Mexico across the burning deserts of the Texas trans Pecos to Fort Bliss Driving north into the verdant Mesilla Valley Sibley hoped to overrun the Union adobe bastion of Fort Craig push up the Rio Grande and seize the supply depot at Albuquerque raise the Stars and Bars over Santa Fe and march on Fort Union another vital supply depot and the gateway to Colorado The eventual objective of the campaign as Sibley purportedly told one of his artillery officers was the eventual conquest of California On to San Francisco was to be the battle cry of Sibley's army of conquest A continental Confederate States of America stretching from Richmond to San Francisco might well speed diplomatic recognition by Great Britain and France a vital component Jefferson Davis realized for the independence of the infant southern republic Civil War in West Texas and New Mexico provides new and exciting details to Sibley's ill fated and grandiose dreams for a Confederate empire in the Southwest Of the 147 individual letters the letterbook contains only eight have been identified as having been published in the Official Records In particular the letters show how Sibley organized his small army enlisted officers at the brigade and regimental levels and sought to supply it with arms and equipment In addition as many as 150 individuals many of them well known are named in the letterbook This new study makes for important reading for anyone interested in the Civil War

Turmoil in New Mexico William Aloysius Keleher, 1982

A Companion to the U.S. Civil War, 2 Volume Set Aaron Sheehan-Dean, 2020-05-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory

Confederate Generals in the Trans-Mississippi, Vol. 2 Lawrence Lee Hewitt, Arthur W. Bergeron, Thomas E. Schott, 2015-05-29 Generals in the Trans Mississippi have received little attention compared to their eastern counterparts and many remain mere footnotes to Civil War history This welcome volume features

cutting edge analyses of eight Southern generals in this most neglected theater Thomas Hindman Theophilus Holmes Edmund Kirby Smith Mosby Monroe Parsons John Marmaduke Thomas James Churchill Thomas Green and Joseph Orville Shelby providing an enlightening new perspective on the Confederate high command From book jacket **Fort Union and the Frontier Army in the Southwest** Leo E. Oliva,1993 **When the Texans Came** John Philip Wilson,2001 Newly available records from the Civil War in the Southwest drawn from both Union and Confederate sources give a much improved understanding of that period through the words of those who shaped and participated in events at that time *Library of Congress Subject Headings* Library of Congress,2010 *The Complete Civil War Road Trip Guide* Michael Weeks,2016-03-07 The definitive guidebook for Civil War tourists from the novice historian to the die hard buff For those who can't resist trying to see it all this indispensable book contains information on and reviews of almost 450 historical sites across the United States related to the Civil War including all 384 of the principal battlefields listed by the Civil War Sites Advisory Commission Every entry includes an in depth overview of the history of the battle and its importance to the war the must see places at each site as well as lodging and other travel information Outlining ten suggested itineraries for short road trips that cover every major battle of the war The Complete Civil War Road Trip Guide enables historical travelers of any level to experience the Civil War as no other book has done The Enduring Civil War Gary W. Gallagher,2020-09-02 In the seventy three succinct essays gathered in The Enduring Civil War celebrated historian Gary W Gallagher highlights the complexity and richness of the war from its origins to its memory as topics for study contemplation and dispute He places contemporary understanding of the Civil War both academic and general in conversation with testimony from those in the Union and the Confederacy who experienced and described it investigating how mid nineteenth century perceptions align with or deviate from current ideas regarding the origins conduct and aftermath of the war The tension between history and memory forms a theme throughout the essays underscoring how later perceptions about the war often took precedence over historical reality in the minds of many Americans The array of topics Gallagher addresses is striking He examines notable books and authors both Union and Confederate military and civilian famous and lesser known He discusses historians who though their names have receded with time produced works that remain pertinent in terms of analysis or information He comments on conventional interpretations of events and personalities challenging among other things commonly held notions about Gettysburg and Vicksburg as decisive turning points Ulysses S Grant as a general who profligately wasted Union manpower the Gettysburg Address as a watershed that turned the war from a fight for Union into one for Union and emancipation and Robert E Lee as an old fashioned general ill suited to waging a modern mid nineteenth century war Gallagher interrogates recent scholarly trends on the evolving nature of Civil War studies addressing crucial questions about chronology history memory and the new revisionist literature The format of this provocative and timely collection lends itself to sampling and readers might start in any of the subject groupings and go where their interests take them *Civil War in*

the Southwest Jerry Thompson, 2001-08-01 In 1861 and 1862 in the vast deserts and rugged mountains of the Southwest eighteen hundred miles from Washington and Richmond the Civil War raged in a struggle that could have decided the fate of the nation In the summer and fall of 1861 Gen Henry Hopkins Sibley raised a brigade of young and zealous Texans to invade New Mexico Territory as a step toward the conquest of Colorado and California and the creation of a Confederate empire in the Southwest Of the Sibley Brigade s sixteen major battles during the war their most excruciating experiences came during the ill fated New Mexico Campaign Civil War in the Southwest tells the dramatic story of that campaign in the words of some of the actual participants Noted Civil War scholar Jerry Thompson has edited and annotated eighteen episodes written by William Lott Old Bill Davidson and six other members of Sibley s Brigade that were originally published in a small East Texas newspaper the Overton Sharp Shooter in 1887 88 Written to set the record straight these veterans stories provide colorful accounts of the bloody battles of Valverde Glorieta and Peralta as well as details of the soldiers tragic and painful retreat back to Texas in the summer of 1862 With his extensive knowledge of Sibley s campaign Thompson has provided context for the eyewitness accounts and corrections where needed to produce a campaign history that is intimate and passionate yet accurate in the smallest detail History readers will find much to ponder in these unique first person recollections of a campaign that had it succeeded would have radically altered the history of the Southern Confederacy and the United States

Treasure and Empire in the Civil War Neil P. Chatelain, 2024-03-12 Across North America s periphery unknown and overlooked Civil War campaigns were waged over whether the United States or Confederacy would dominate lands mines and seaborne transportation networks of North America s mineral wealth The U S needed this wealth to stabilize their wartime economy while the Confederacy sought to expand their own treasury Confederate armies advanced to seize the West and its gold and silver reserves while warships steamed to intercept Panama route ships transporting bullion from California to Panama to New York United States forces responded by expelling Confederate incursions and solidified territorial control by combating Indigenous populations and enacting laws encouraging frontier settlement The U S Navy patrolled key ports convoyed treasure ships and integrated continent wide intelligence networks in the ultimate game of cat and mouse This book examines the campaigns to control North America s mineral wealth linking the Civil War s military naval political diplomatic and economic elements Included are the hemispheric land and sea adventures involving tycoon Cornelius Vanderbilt admiral and explorer Charles Wilkes renowned sea captain Raphael Semmes General Henry Sibley cowboy and mountain man Kit Carson Indigenous leaders Mangas Coloradas and Geronimo writer and miner Mark Twain and Mormon leader Brigham Young **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office, 2009
