McGrath,2010-01-01 Answering the Call is the story of nineteen Catholic permanent deacons from the Diocese of Savannah Georgia whose lives underwent profound transformations as they embarked upon a journey of self discovery which revealed to them both the awesome power of God and the holiness of everyday life When these deacons who come from vastly different spiritual professional and educational backgrounds responded to God s call they soon became aware of the profound impact their decision would make on their lives as husbands fathers and most of all servants of God Any person who experiences a crisis of faith or wants to deepen his or her relationship with God will find the theological pastoral and spiritual aspects of these essays informative as they will inspire further reflection and discernment Each of the essays can be read as a guide to ministry that provides personal and experiential advice about how to minister in a God centered and healing manner A person considering a religious vocation or any man discerning God s call as a permanent deacon or is a candidate or a deacon now will appreciate the honesty with which each deacon describes the expected and unexpected stages of his journey *Rabbi Akiva's Philosophy of Love* Naftali Rothenberg,2017-08-09 This book explores the philosophy of love through the thought and life of Rabbi Akiva ben Joseph Readers of the Talmud are introduced to Rabbi Akiva through the iconic story of his love for his wife Rachel From this starting point Naftali Rothenberg conducts a thorough examination of the harmonious approach to love in the obstacle laden context of human reality Discussing the deterioration of passion into simple lust the ability to contend with suffering and death and so forth Rothenberg addresses the deepest and most pressing questions about human love The readings and observations offered here allow readers to acquire the wisdom of love not merely as an assemblage of theoretical arguments and abstract statements but as an analysis of the internal contradictions and difficulties revealed in the context of attempts to realize and implement harmonious love **WOMEN FAKE LOVE** Alex Forgson, Women Fake Love The Brutal Truth About Modern

Nicholas,2021-06-07 In Love and Politics Jeffery L Nicholas argues that Eros is the final rejection of an alienated life in which humans are prevented from developing their human powers Eros in contrast is an overflowing of acting into new realities and new beauties a world in which human beings extend their powers and senses Nicholas uniquely interprets Alasdair MacIntyre s Revolutionary Aristotelianism as a response to alienation defined as the divorce of fact from value However this account cannot address alienation in the form of the oppression of women or people of color Importantly it fails to acknowledge the domination of nature that blackens the heart of alienated life Alienation must be seen as a separation of the human from nature Nicholas turns to Aristotle first to uncover the way his philosophy embodies a divorce of human from nature then to reconstruct the essential elements of Aristotle s metaphysics to defend a philosophical anthropology based on Eros Love and Politics Persistent Human Desires as a Foundation for Liberation presents a critical theory that synthesizes MacIntyre s Revolutionary Aristotelianism Frankfurt School Critical Theory and Social Reproduction Theory It will be of great interest to political theorists and philosophers **Love, Freedom, and Evil** Thaddeus J. defining premise of the Relational Free Will Defense is the claim that authentic love requires free will Many scholars including Gregory Boyd and Vincent Brummer champion this claim Best selling books such as Rob Bell's Love Wins echo that love cannot be forced manipulated or coerced It always leaves room for the other to decide The claim that love requires free will has even found expression in mainstream Hollywood films including Frailty Bruce Almighty and The Adjustment Bureau The analysis shows convincingly that the claim that authentic love requires free will does not meet the criteria of consistency compatibility with Scriptural sources and the demands of concrete encounter with problems of moral evil

The Disenchantments of Love María de Zayas,1997-03-06 The Disenchantments of Love published in Spain in 1647 by Mar a de Zayas is a stunning collection of stories about women's amorous experiences in a patriarchal and imperialistic society during the turbulent seventeenth century Now available for the first time in English translation the ten exemplary novellas are set within an encompassing frame story that continues from the first collection The Enchantments of Love Amorous and Exemplary Novels published in 1637 Both collections of love stories were immediately popular because of the novelty of their plots and the gender of their author What is new in the disenchantments is the deliberately feminist purpose stated in the rules for telling stories only women are to narrate true cases intended to disenchant women about men's deceptions pointedly denying men the opportunity to dominate the storytelling In the frame however the subtly ironic commentaries on the stories highlight the differences between masculine and feminine points of view The conclusion of the frame reiterates the exemplary message that women are safe from men's physical and psychological abuse only in the sisterhood of the convent These ten sensational and bizarre tales focus on the ways lovers deceive women in order to get their way through magic cross dressing as women and rape to the torture and murder of innocent women at the hands of their protectors their fathers brothers and husbands The graphic depictions of women's mutilated bodies are unprecedented in Western literature as is the meticulous description of domestic violence that has traditionally remained private and hidden A fascinating dimension of these fast paced narratives is what they suggest through omission silence and ambiguous detail the untold story that fires the reader's imagination

The Book of Love Kathleen McGowan,2012-12-11 Once there was a gospel written in Christ's own hand a treasure of almost unimaginable magnitude referred to by the Cathars of

medieval France as *The Book of Love* Fresh from her successful search for the long hidden scrolls written by Mary Magdalene journalist Maureen Pascal now finds herself on the trail of the legendary lost gospel known as the Book of Love But just as there were those who would stop at nothing to seize and suppress the Book of Love seven centuries ago so there are those today who are equally determined that its radical message should never be revealed In a race across Italy and France new dangers await Maureen and her lover Sinclair as they begin to uncover secrets and shine new light on the hidden corners of Christianity Combining expert research with dazzling plot twists *The Book of Love* is sure to thrill readers as they follow Maureen s search for clues through some of the world s greatest art architecture and history until a potentially fatal encounter reveals the Book of Love to her and to us *One Love, Three Summers* Norbert Mercado,2017-07-26 Father Rex is a priest involved in the communist movement Because of Annabelle he begins to question the ideology he has followed for years This novel spurns and condemns a bloody revolution as a solution to the problems of society and gives an unapologetic argument that compassion rather than the pursuit of power is the noblest of human aspirations **Greater Love Through Suffering and Sacrifice** George E Pfautsch,2014-01-24 It is not often that we think of the greater love that can be achieved from suffering and pain during our lives on earth Rather we are inclined to pray to our Lord to relieve the suffering and pain of those who are experiencing it and that is an appropriate way to express our love of our fellow human beings and indicate our desire that their pain be diminished But suffering pain and sacrifice can also be endured as a means to demonstrate a greater love of our Lord and of one another We have no greater demonstration of that than the passion of our Lord who through his suffering and pain demonstrated the greatest love of us that could possibly be demonstrated by God himself Jesus did not need to suffer death for us He suffered his passion and death to show us that no greater love can take place than to lay down one s life for another His whole life was a demonstration of his great love and mercy for every individual on earth
