[The Evolution of Human Pair-Bonding, Friendship, and Sexual Attraction](#)
Michael R. Kauth, 2020-11-29 The Evolution of Human Pair Bonding Friendship and Sexual Attraction presents an evolutionary history of romantic love male female pair bonding same sex friendship and sexual attraction drawing on sexuality research gay and lesbian studies history literature anthropology and evolutionary science Employing evolutionary theory as a framework close same sex friendship is examined as an adaptive trait that has harnessed love affection and sexual pleasure to navigate same sex environments for both men and women ultimately benefiting their reproductive success and promoting the inheritance of traits for friendship Chapters consider the desire to form close same sex friendships and ask if this is embedded in our biology concluding that most humans have the capacity to form loving meaningful and sexual relationships with men and women This book takes on a unique interdisciplinary approach and is essential reading for those

studying and working in sexuality research anthropology sociology evolutionary psychology and gay and lesbian studies It will also be of interest to marriage and family therapists as well as sex therapists

Loyalty George P. Fletcher, 1995-07-13

At a time when age old political structures are crumbling civil strife abounds and economic uncertainty permeates the air loyalty offers us security in our relationships with associates friends and family Yet loyalty is a suspect virtue It is not impartial It is not blind It violates the principles of morality that have dominated Western thought for the last two hundred years Loyalties are also thought to be irrational and contrary to the spirit of Capitalism In a free market society we are encouraged to move to the competition when we are not happy This way of thinking has invaded our personal relationships and undermined our capacities for friendship and loyalty to those who do not serve our immediate interests As George P Fletcher writes it is time for loyal bonds born of history and experience to prevail both over impartial morality and the self interested thinking of the market trader In this extended essay George P Fletcher offers an account of loyalty that illuminates its role in our relationships with family and friends our ties to country and the commitment of the religious to God and their community Fletcher opposes the traditional view of the moral self as detached from context and history He argues instead that loyalty not impartial detachment should be the central feature of our moral and political lives Writing as a political liberal he claims that a commitment to country is necessary to improve the lot of the poor and disadvantaged This commitment to country may well require greater reliance on patriotic rituals in education and a reconsideration of the Supreme Court s extending the First Amendment to protect flag burning Given the worldwide currents of parochialism and political decentralization the task for us Fletcher argues is to renew our commitment to a single nation united in its diversity Bringing to bear his expertise as a law professor Fletcher reasons that the legal systems should defer to existing relationships of loyalty Familial professional and religious loyalties should be respected as relationships beyond the limits of the law Thus surrogate mothers should not be forced to surrender and betray their children spouses should not be required to testify against each other in court parents should not be prevented from willing their property to their children and the religiously committed should not be forced to act contrary to conscience Yet the question remains Aren t loyalty and particularly patriotism dangerously one sided Indeed they are but no more than are love and friendship The challenge Fletcher maintains is to overcome the distorting effects of impartial morality and to develop a morality of loyalty properly suited to our emotional and spiritual lives Justice has its sphere as do loyalties In this book Fletcher provides the first step toward a new way of thinking that recognizes the complexity of our moral and political lives

Relationship Within Ingrid Frances Smyer PH.D, 2013-09-26

community Relationship Within explores how personality upbringing and life events lead to problematic relationship patterns The good news is that there is hope The recovery of relationships begins with an initial stage of awareness in which the person recognizes that change is possible Ingrid provides insight into how this dynamic influences family life career choices optimum health and longevity

The Quick Theory Reference Guide Karin Jordan,2007 Since the beginning of the concepts of family therapy mental health professionals have known that the family the system is a powerful source of support for change or a powerful force for resistance to change Some professionals work with individuals some with families and some with groups However all work with the context of the systems family group community country etc Students especially beginning students are overwhelmed and confused at the variety of approaches to working with clients Many programs introduce students to individual as well as systems concepts in the course of training Students need assistance in learning this variety of theories They need to be able to compare and contrast theories and techniques to determine when and where to utilise the best skills in order to facilitate client change Dr Karin Jordan has compiled a comprehensive text that enables the students to discover each theory as it is presented in its purist form The text is accessible yet the content provides comprehensive knowledge of each theory Dr Jordan has brought together the master educators and clinicians in our fields to write about their particular expertise

Republican Europe Anna Kocharov,2017-06-01 Constitutional orders constitute political communities and international orders deriving from them by managing conflicts that threaten peace This book explores how a European political community can be advanced through EU constitutional law The constitutional role of the Union is to ensure peace by addressing two types of conflict The first are static conflicts of interests between the national polities in the EU These are avoided by ensuring reciprocal non interference between Member States in the Union through deregulation in Union law The second are dynamic conflicts of ideas about positive liberty held by the peoples of Europe These can be resolved through regulation in a European political space Here EU law enables a continuous process of re negotiating a shared European idea of positive liberty that can be accepted as its own by each national polity in the EU These solutions to the two types of conflicts correspond to the liberal and republican models for Europe The claim of this book is that the constitutional design of Europe presents both liberal and republican features Taking an innovative approach which draws on arguments from substantive law constitutional theory case law analysis insights from psychology and philosophy it identifies how best to strengthen the Union through constitutional law

Forgiveness and Reconciliation Ani

Kalayjian, Raymond F. Paloutzian, 2009-07-21 We all long for peace within ourselves families communities countries and throughout the world We wonder what we can do about the multitude of conflicts currently wreaking havoc across the globe and the continuous reports of violence in communities as well as within families Most of the time we contemplate solutions beyond our reach and overlook a powerful tool that is at our disposal forgiveness As a genocide survivor I know something about it As the genocide unfolded in Rwanda in 1994 I was devastated by what I believed to be the inevitable deaths of my loved ones The news that my parents and my seven siblings had indeed been killed was simply unbearable Anger and bitterness became my daily companions Likewise I continued to wonder how the Hutus and Tutsis in Rwanda could possibly reconcile after one of the most horrendous genocides of the 20th century It was not until I came to understand the notion of forgiveness that I was able to see the light at the end of the tunnel Common wisdom suggests that forgiveness comes after a perpetrator makes a genuine apology This wisdom informs us that in the aftermath of a wrongdoing the offender must acknowledge the wrong he or she has done express remorse express an apology commit to never repeating said harm and make reparations to the extent possible Only then can the victim forgive and agree to never seek revenge

Two for Eternity

Pasquale De Marco,2025-04-16 Two for Eternity an introspective and thought provoking tapestry of essays invites readers on a profound journey into the depths of human existence With poetic prose and keen observation Pasquale De Marco explores the transformative power of writing the complexities of motherhood and the enduring echoes of unfulfilled love In a series of lyrical reflections the author unveils the intricate relationship between writing and life delving into the creative process the birth of stories and the lasting impact of literature Through personal anecdotes and insightful observations Pasquale De Marco illuminates the writer s journey revealing the struggles triumphs and profound insights that shape the written word Beyond the realm of writing the author delves into the historian s perspective shedding light on the historian s role in shaping our understanding of the past With a keen eye for detail and a deep appreciation for historical accuracy Pasquale De Marco explores the complexities of interpreting historical events uncovering hidden truths and illuminating the interconnectedness of past present and future With empathy and sensitivity the author explores the essence of motherhood capturing the profound bond between parent and child the unconditional love that transcends time and circumstance and the challenges and triumphs that shape the journey of raising a family Through personal anecdotes and insightful observations Pasquale De Marco illuminates the transformative power of motherhood and its lasting impact on the lives of both children and parents Two for Eternity is a literary mosaic that celebrates the richness and diversity of human experience With its introspective essays and lyrical reflections the book offers a glimpse into the heart and mind of a writer historian and mother inviting readers to ponder the profound questions of life love and the enduring legacy we leave behind If you like this book write a review on google books

Flourishing Love Enrico Gnaulati,2023-10-05 Flourishing Love is a secular defence of marriage and long term intimate partnership It rejects a moral religious code to govern love lives and instead puts its faith in the human potential for couples to be benevolent loyal and forgiving to preserve and enhance their romantic union Dr Gnaulati draws on a variety of sources to present the joint emotional upkeep necessary to make an intimate relationship not just satisfactory but vital and to illustrate what these lasting bonds look like The latest science anecdotes from his own 30 year marriage as well as from his psychotherapy practice the musings of ancient and contemporary philosophers and real life interviews from partners in long term happy marriages and intimate unions are all used to reveal the secrets to a successful romantic partnership The result is a how to of engaging in attentive and sensitive communication employing a fairness habit of mind around household chores childrearing responsibilities and finances optimally moving through and beyond conflict keeping an erotic spark alive and ethically handling urges to stray outside the couple A must read for all those who crave meaning happiness and fulfilment in life and need their romantic partnerships to help not hinder in this endeavour
