Shaw, 2021-03-17 The sacred secular divide permeates our churches our seminaries and our lives By perpetuating the false belief that there are some areas of life that are not important to God some callings that are second class and some spheres of society that are not worth engaging the sacred secular divide diminishes our understanding of God discipleship missiology and the gospel itself Seeking to liberate the global church from the power of this dichotomy Whole Life Mission for the Whole Church provides theological educators with the tools they need to combat the sacred secular divide in the very realm where it is so often generated the classroom Filled with contributions from practitioners around the world this book contains a wealth of insight into both the nature of the problem and the possibilities for its solution The approaches suggested here are biblically rooted contextually

Rainer, 1998-08-01 Shows churches of every size how to revive and expand their ministries breaking through barriers and The Progressive Miseducation of America Corey Miller, 2025-10-14 If You Want to Change the growing into the future World Change the University Our culture is undergoing radical change We see evidence of this cultural revolution all around us as values norms language and laws all shift beneath our feet But this revolution didn t come out of nowhere and it isn t too late to stop it The Progressive Miseducation of America is an eye opening look at how our universities have polluted the cultural landscape we live in today and how Christians can take strategic actions in response As a dedicated student of culture and revolutionary history Corey Miller brings clear insights and actionable ideas to help you understand and defend against ideas subversive to the Christian faith further the Christian life and worldview through intentional methods of being salt and light inspire change not only within your family and church but in the broader culture Sobering yet optimistic this bold and inspiring resource will equip you to take concrete steps in making the largest and most sustainable difference in both your community and the world The Second Commandment Joey R. Peyton, 2024-02-07 In an increasingly broken world filled with hate and violence God's plan from the beginning was to save and restore the world to the glory for which he had created it This simple plan has not changed with the evolution of sin time or man's rejection of his creator Rather God's simple twofold plan of redemption included both a commandment to love the creator with all one s heart mind soul and strength and a commandment to love one s neighbor as one s self Neither commandment stands in isolation for one cannot fully love others without a consuming love for God and neither can one completely love God without a love for the neighbor created by God The answer to hate is love the answer to war is love the answer to violence is love and the answer to all of societal disfunction is love The answer is not a commandment to like God and others because one only likes others because of likeness Rather love is a choice A choice to love what you don t like A choice to love what you don t understand A choice to love until the God you love sets everything right in eternity The Compelling Community Mark Dever, Jamie Dunlop, 2015-04-16 The local church is meant to embody the vibrant diversity of the global church transcending racial cultural and economic boundaries Yet local churches too often simply reflect the same societal divisions prevalent in our world today making them more akin to social clubs filled with like minded people than the supernatural community the New Testament prescribes Pastors Mark Dever and Jamie Dunlop argue that authentic fellowship is made up of two crucial ingredients commitment depth and diversity breadth Theologically rooted yet extremely practical this book sets forth basic principles that will help pastors guide their churches toward the compelling community that we all long for The Audacity of God's Grace John U. Nwankwo, 2014-03 How can you rediscover and become the super you that God created you for and

enlarge yourself to live your best life now with all the potentialities inside of you The answer lies in one of my strongest convictions that you can do better than you are doing right now by the special grace of God But this may not happen to you unless you change most of your personal belief systems the way you have been taught to think about success about your own life and about material blessings and prosperity In this easy to understand guide John Nwankwo challenges you to break free from life difficulties and experience immense prosperity and success in most areas that characterize your everyday life meaningful relationships financial prosperity spirituality wealth creation happiness and joy vibrant health in your mind and your body and victory to the things that set limitations on you and defeat your ability to live your best life now Your journey to success and the rediscovery of the better you within you a fulfilling healthier happier lifestyle and a brighter future with unending possibilities and success begin with these ten strategies Automate your mind to work for success You can make your mind work for you God has armed you with immense power I can do better than I m doing right now Enlarge your determination and industriousness Don t settle for defeat Go for victory Dominate your circumstances and environment Be disciplined and consistent Invest in yourself It takes courage to succeed Be stubborn for your own success Investigate God's Love Compels Us D.
