Mercante Corazon De Peron:

Domingo A. Mercante Carolyn A. Becker, 2005-09-19 The history of Argentina in the second half of the twentieth century was dominated by the charismatic figures of Juan Pern and his wife Evita Both within Argentina and in the outside world it has come to be accepted that the populist revolution which swept through Argentina in the 1940s and profoundly transformed the political economic and social conditions in the country was spearheaded by and Pern and Evita with little help from anyone else Nothing however could be further from the truth This biography of Domingo A Mercante profiles not only Perns closest collaborator and a man whom Evita called the heart of Pern but also an important leader in his own right who was genuinely committed to democratic government This book documents Mercantes essential contributions to the Peronist movement and to the history of Argentina accomplishments that have undeservedly been obscured by the shadow cast by Pern and Evita over all other figures with whom they shared the political stage **In the Shadow of Perón** Raanan Rein, 2008-05-22 Populism has been one of the most important phenomena in the political and social history of Latin America In the Shadow of Per n challenges several commonly held assumptions about the nature of populism and the relations between the charismatic leader and the popular masses Devoted to the second line of Peronist leadership in Argentina from the 1940s onwards it focuses on the figure of Juan Atilio Bramuglia who tried to offer an alternative path for the movement The volume stresses the heterogeneous nature of Peronism and traces the various ideological sources of its doctrine It also analyzes Per n s machinations in order to maintain his leadership and eliminate any opposition within the movement

Perón: Formación, ascenso y caída, 1893-1955 Norberto Galasso, 2005 **Mercante** Domingo Alfredo Mercante, 1995 A biography written by his son of Domingo Mercante Per n s right hand man during his rise to power and then governor of the province of Buenos Aires Contains some interesting information on the power struggles within the Per n regime While based on the son s memories as well as privately held documents there is little new here Handbook of Latin American Studies v 58 Juan Perón Jill Hedges, 2021-04-08 Within Argentina Juan Domingo Per n continues to be the subject of exaggerated and diametrically opposed views A dictator a great leader the hero of the working classes and Argentina s first worker a weak and spineless man dependent on his strongerwilled wife a Latin American visionary a traitor responsible for dragging Argentina into a modern socially just 20th century society or conversely destroying for all time a prosperous nation and fomenting class war and unreasonable aspirations among his client base Outside Argentina Per n remains overshadowed by his second wife Evita The life of this fascinating and unusual man whose charisma political influence and controversial nature continue to generate interest remains somewhat of a mystery to the rest of the world Per n remains a key figure in Argentine politics still able to occupy so much of the political spectrum as to constrain the development of viable alternatives Jill Hedges explores the life and personality of Per n and asks why he remains a political icon despite the negatives associated with his extreme personalism El peronismo y la consagración de la nueva Argentina

Carlos Piñeiro Iñíguez,2021-04-01 Carlos Piñeiro Iñíguez hace valer la fuerza de lo que el lector ya sabe en contraste con lo que los protagonistas de esta historia del peronismo hacen pues estos no conocen de antemano los resultados La lectura resulta apasionante los hechos aparecen en su dramática minuciosidad aparentemente aleatorios sin ensambles futuros pero cargados de intencionalidad De este modo un documento un nombre una fecha irradian significados que los mbitos genricos de la historia del peronismo habitualmente no consideran pero adquieren en este libro un rasgo premonitorio una frescura que parecen haber perdido Los actores de esta historia tienen un plan pero es necesario que lo confronten constantemente con la rebeldía de los hechos que no se amoldan fácilmente a la voluntad de los actores de esta celosa narración de inusitada espesura Lo que se lee en estas páginas de gran originalidad es precisamente esa lucha día a día de los hombres de la política contra la tozudez insigne de los hechos Este libro un imán para detalles que parecen insignificantes capta finalmente la madeja trágica a veces burlona a veces severa que los recubre de sentido **Las traiciones de Perón** Hugo Gambini,Ariel

Evita capitana es la historia del Partido Peronista Femenino entre su creación en 1949 y su disolución en 1955 Este partido no puede concebirse sin hacer referencia a Eva Perón que a partir de su papel como Primera Dama construyó un poder impensado para una mujer a mediados del siglo XX Su partido fue una forma singular de incorporar masivamente a las mujeres a la vida política como votantes activistas y legisladoras Evita capitana es asimismo una reflexión sobre el liderazgo carismático de Evita Evita capitana examina el proceso de formación del Partido Peronista Femenino su estructura interna y su funcionamiento así como la selección y formación de las dirigentes y el rol que asumieron en la estructura partidaria También se analiza las actividades de las mujeres en las unidades básicas femeninas centros políticos de socialización reunión capacitación ayuda social y adoctrinamiento A su vez la primera elección en que las mujeres votaron y fueron votadas que fue determinante para el triunfo de Perón en la segunda presidencia **El burgués**

Page, 2023-04-04 This biography recounting the Argentinean president's rise, fall, and remarkable return to power is a formidable achievement. Kirkus Reviews starred review. Latin America has produced no more remarkable or enduring political figure than Juan Perón. Born to modest circumstances in 1895 and trained in the military, he rose to power during a period of political uncertainty in Argentina. A shrewd opportunist who understood the needs and aspirations of the country's workers, Perón rode their votes to the presidency and then increased their share of the nation's wealth. But he also destroyed the independence of their unions and suppressed dissent. Ousted in a coup in 1955, Perón wandered about Latin America and finally settled in Spain, where he masterminded an astonishing political comeback that climaxed in his reelection as president in 1973. Joseph A. Page's engrossing biography is based upon interviews never before inspected, Argentine and US government documents, and exhaustive research. It spans Perón's formative years, his arrest and dramatic rescue by the *descamisados* in 1945, his relationship with the now mythic Evita, the violence and mysterious murders that punctuated his career, his tragic legacy personified by his third wife Isabel, who assumed the presidency after his death under the influence of a Rasputin-like astrologer, and the continuing appeal of Peronism in Argentina. In addition, Page's study of Argentine-American relations is particularly penetrating, especially in its description of the struggle between Perón and US ambassador Spruille Braden. It would probably take a novel stamped with the surrealistic genius of a Gabriel García Márquez to render all the madness, perverse magic, and tragedy of Juan Domingo Perón and his Argentina. But Joseph A. Page has come up with the next best option: A clearly written, definitive study. The New York Times Book Review
